INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of
Wire Mesh Texas 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Wire Mesh Texas 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, line 4i – Schedule of Assets Held at End of Year as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The financial statements of Wire Mesh Texas 401(k) Plan as of December 31, 2023, were audited by Pannell Kerr Forster of Texas, P.C., who joined with WithumSmith+Brown, PC on June 1, 2025. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2024 indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, were presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

General

The following description of the Wire Mesh Texas 401(k) Plan (the "Plan") provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

The Plan was established on March 31, 2018 following the acquisition of Gerdau Ameristeel US Inc. Upon acquisition, the assets of the Gerdau Ameristeel US Savings Plan (the Gerdau Plan) were transferred into the Plan. The Plan is a defined contribution plan covering generally all employees of Wire Mesh Texas, LLC (the "Company" or "Employer") and participating employers including WMC Industrial, LLC, WMC Sales, LLC, and Optimus Steel, LLC (collectively, the Participating Employers). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan was amended and restated effective January 1, 2022.

Plan Trustee and Recordkeeper

Empower Annuity Insurance Company of America and Empower Trust Company (collectively "Empower" or "the Custodian") provide custodial services for the Plan. My Benefits, LLC (the "TPA") serves as the Plan's third-party administrator.

Eligibility

All employees, except for leased, non-resident alien, and union employees, interns, and employees eligible under other retirement plans offered by the employer or an affiliate, are eligible to participate in the Plan upon completing a 45 day service requirement with no age requirements. Entry to participate in the Plan is immediately upon meeting the eligibility requirements.

Participant Contributions

The Plan provides for voluntary employee contributions expressed as a percentage of the participant's eligible compensation, as defined, up to 100% of a participant's compensation. The contributions are not to exceed the limits set by the Internal Revenue Code (the "IRC"), which limits the annual amount of salary deferrals that may be made by any participant. Eligible participants may also make catch-up contributions upon attaining 50 years of age, as defined by the IRC. Participants may also rollover amounts representing distributions from other qualified plans.

Employer Contributions

The Company has elected for the Plan to include an employer matching contribution in an amount equal to 100% of participant's elective deferrals up to a maximum of 6% of the participant's eligible compensation each pay period. The Company also may make a qualified non-elective contribution to the Plan. No such qualified non-elective contribution was made in 2024.

Vesting

Participants are immediately vested at 100% in their voluntary employee contributions, rollover contributions, employer matching contributions, and qualified non-elective contributions plus actual earnings.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching and qualified non-elective contributions, and Plan earnings/losses, and at times, charged with an allocation of administrative expenses. Allocations are based on participant contributions, participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Participants direct the allocation of their account balance in any of several investment options. Participants can change their investment options among the various investment funds either through direct transfers from one fund to another or by changing the percentage allocation of future contributions.

Notes Receivable from Participants
Participants may borrow a minimum of $1,000 from their fund accounts up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding note receivable balance in the participant's account during the prior 12 month period. The loans are made for terms not to exceed five years unless the loan is used to acquire a principal residence, in which case, the administrator may permit a longer repayment term. The maximum number of loans that a participant may have outstanding at any one time is one. All notes receivable shall bear a reasonable rate of interest defined as the Prime rate plus 1%.

Benefit Payments
Participants are eligible for distributions of their vested account balances upon the event of death, retirement, termination of employment, reaching the age 59 ½, or by incurring disability or hardship, as defined by the Plan. In the case of death, distributions are made to the participant's beneficiary.

If the value of the participant's account balance is less than $1,000 at the time of termination, the distribution will be made in cash in a single lump sum. If the participant's account balance is between $1,000 and $5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant. Any taxable distribution paid directly to the participant will be subject to mandatory federal income tax withholding of 20% of the requested distribution.

Administrative Expenses
All administrative expenses, unless paid by the Company, are paid by the Plan.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets would be allocated among participants of the Plan in accordance with the provisions of the Plan.

Forfeitures
Upon termination of service, a participant's vested account balance will be distributed to the participant or directly rolled into other qualified plans depending on the status of the original contribution and participant direction. The unvested amount is forfeited and maintained in the forfeiture cash account and may be used to pay administrative expenses or to reduce future employer contributions payable under the Plan. Forfeitures allocated to reduce employer contributions and administrative expenses were $95 during 2024. As of December 31, 2024 and 2023, there were $54,374 and $4,531, respectively, of forfeitures available for use.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates
The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from these estimates.

Investment Valuation and Income Recognition
The Plan's investments in mutual funds and common/collective trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 regarding fair value measurements.

The general investment account is fully benefit responsive and is valued at contract value. See Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation or depreciation in fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation or depreciation of investments held at the end of the year.

Notes Receivable from Participants
Notes receivable from participants are measured as their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions, based upon terms of the *Plan Document*, upon liquidation of their account balance.

Benefit Payments
Benefit payments are recorded when paid.

Subsequent Events
Management has evaluated subsequent events through October 8, 2026, which was the date that the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The Plan uses a three-level hierarchy, in accordance with their fair value standard, that establishes a hierarchy for grouping assets and liabilities, based on the significance of inputs.

The hierarchy of fair value measurements is described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value ("NAV") and to transact at that price. The mutual funds are deemed to be actively traded.

Common/Collective Trusts – these investments are valued at NAV of the fund. The NAV is calculated by the fund based on "net assets," which includes fully benefit-responsive investment contracts at contract value. This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value for the common/collective trusts. The investments can be redeemed daily, have a daily redemption notice period, and have no unfunded commitments.

The following table sets for by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	2024	
	Level 1	**Total**
Mutual funds	$ 4,359,055	$ 4,359,055
Investments measured at NAV (a)	-	4,955,155
Total investments at fair value	$ 4,359,055	$ 9,314,210

	2023	
	Level 1	**Total**
Mutual funds	$ 3,452,442	$ 3,452,442
Investments measured at NAV (a)	-	5,345,079
Total investments at fair value	$ 3,452,442	$ 8,797,521

(a) In accordance with Subtopic 820-10, the common/collective trust is measured at net asset value per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAV's per share as of December 31, 2024 and 2023:

Year Ended	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2024	$ 4,955,155	N/A	Daily	Daily
December 31, 2023	$ 5,345,079	N/A	Daily	Daily

4. GENERAL INVESTMENT ACCOUNT

Effective March 31, 2018, the Plan entered into a fully benefit-responsive investment contract with Empower, the issuer. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value.

The interest crediting rate is calculated by dividing the annual interest credited to the participants during the Plan year by the average annual fair value. The interest crediting rate is determined annually and was 2.55% and 2.05% as of December 31, 2024 and 2023, respectively.

Certain events may limit the ability of the Plan to transact at contract value with Empower. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business. Such events also include: (1) removal from the plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification.

5. TAX STATUS

The non-standardized pre-approved profit sharing plan adopted by the Company received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the IRC.

The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and is being operated within the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan recognizes in the financial statements the impact of uncertain tax positions taken only if it is more likely than not of being sustained upon examination by the taxing authority based on the technical merits of the position. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2024 and 2023, and interest and dividends, interest on notes receivable from participants, and net appreciation in value of investments for the year ended December 31, 2024, was obtained by the Company and agreed to or derived from information certified as complete and accurate by Empower.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2024 and 2023:

	2024	2023
Net assets available for benefits per the financial statements	$ 10,614,419	$ 10,269,425
Participant contributions receivable	644	1,150
Employer contributions receivable	2,076	1,736
Other	2	-
Net assets available for benefits per Form 5500	$ 10,617,141	$ 10,272,311

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2024:

Net increase in net assets available for benefits per the financial statements	$ 344,994
Change in participant contributions receivable	(506)
Change in employer contributions receivable	340
Other	2
Net income per Form 5550	$ 344,830

8. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower. Empower is the custodian for the Plan and, therefore, these transactions qualify as party in interest transactions. In addition, the Plan provides for notes receivable from participants, which are party in interest transactions that are exempt from the prohibited transaction rules.

9. RISKS AND UNDERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances.

10. UNCERTAINTY

Certain computational and operational errors were identified relating to participant deferrals, employer contribution calculations, and delays in remitting contributions to the Plan. The Company is outlining the foregoing operational issues and proposing resolution and corrective action. Corrective contributions to participant accounts, including lost earnings, are being identified and quantified by the Company. Corrective amounts will be remitted by the Company and credited to participants' accounts as soon as administratively possible, and all corrective actions required by the IRS will be taken by the Company. No provision for income taxes has been included in the Plan's financial statements related to the forgoing matters because the Company believes that the Plan continues to be qualified, and the tax status of the Plan continues to be tax exempt.
