INDEPENDENT AUDITORS' REPORT ON COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

To the Plan Committee of
Nelson - Jameson, Inc. Retirement Plan
Marshfield, Wisconsin

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Nelson - Jameson, Inc. Retirement Plan (the “Plan”) as of and for the three months ended December 31, 2025 and have issued our report thereon dated October 12, 2026. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated January 20, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Nelson - Jameson, Inc. Retirement Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comment regarding an other matter noted during our audit in the attached letter to you dated October 12, 2026.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks:

- Management Override of Controls – professional standards require the auditor to address the risk that management is in a unique position to override controls that otherwise appear to be operating effectively.
- Improper Revenue Recognition – professional standards require the auditor to presume that risks of material misstatement exist in revenue recognition.
- Unauthorized Benefit Payments – risk that unauthorized benefit payments could be paid out of a participant's account.

We have designed our audit procedures to adequately address the significant risks identified.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Nelson - Jameson, Inc. Retirement Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates exist that were not identified as a significant risk.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Nelson - Jameson, Inc. Retirement Plan's financial statements relate to fair and contract value estimates.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We have not identified any significant unusual transactions during the audit.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. The attached schedule (Appendix B) summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. We are pleased to report that no such misstatements were noted during the course of our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Nelson - Jameson, Inc. Retirement Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter (Appendix A) dated October 12, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Nelson - Jameson, Inc. Retirement Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Nelson - Jameson, Inc. Retirement Plan's auditors.

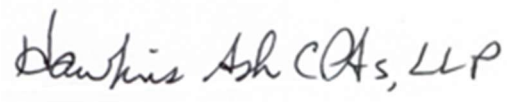

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subject to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Committee and management of Nelson - Jameson, Inc. Retirement Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

Medford, Wisconsin

INDEPENDENT AUDITORS' REPORT ON
A MANAGEMENT ADVISORY COMMENT

To the Plan Committee of
Nelson - Jameson, Inc. Retirement Plan
Marshfield, Wisconsin

In planning and performing our audit of the financial statements of Nelson - Jameson, Inc. Retirement Plan (the ''Plan'') as of and for the three months ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we identified a certain matter involving the internal control and other operational matters that is presented for your consideration. This letter does not affect our report dated October 12, 2026, on the financial statements of Nelson - Jameson, Inc. Retirement Plan. We will review the status of this comment during our next audit engagement. Our comment and recommendation, which has been discussed with appropriate members of management, is intended to improve the internal control or result in other operating efficiencies. Our comment is summarized as follows:

Excessive Deferrals

The Plan is subject to certain annual nondiscrimination tests. The results of such tests have a direct effect on the Plan's cash or deferred arrangement (CODA) and tax-qualified status. The Plan did not initially meet the requirements of the nondiscrimination tests for the year ended December 31, 2025. In order to meet the requirements, the Plan had to make a qualified non-elective contribution (QNEC) or refund a portion of the contributions made by the highly compensated participants. We recommend the Company ask the third-party administrator to perform preliminary ADP and/or ACP and Section 415 tests during the Plan year so contributions can be adjusted during the year rather than making a QNEC or refunding participants after the end of the Plan year.

We believe that the implementation of this recommendation will provide Nelson - Jameson, Inc. Retirement Plan with a stronger system of internal control while also making its operations more efficient. We will be happy to discuss the details of this recommendation with you at your convenience.

This communication is intended solely for the information and use of the Plan Committee and Management of the Nelson - Jameson, Inc. Retirement Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

Hawkins Ash CPAs, LLP

This representation letter is provided in connection with your audits of the financial statements of Nelson - Jameson, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and September 30, 2025, and the related statements of changes in net assets available for benefits for the three months ended December 31, 2025 and year ended September 30, 2025, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of 10/12/2026:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 20, 2026, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP.

- The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan provisions,

including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

- We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.

- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

- The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in the context of U.S. GAAP. The methods and significant assumptions used to estimate fair values of financial instruments are as follows: The fair and contract value of investments is based on quoted market prices and other valuation methodologies as certified by Fidelity Management Trust Company, the custodian of the Plan. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

- All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

- Transactions with parties-in-interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.

- All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

- The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter (Appendix B).

- The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

- We have no intentions to terminate the Plan.

- Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements. We have properly reported and disclosed amendments to the Plan instrument, if any.

- Administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.

- We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.

- We have obtained the SOC 1 reports from our service organizations, UKG Pro, Fidelity Investments, and Fidelity Workplace Services LLC. We have reviewed such reports, including complementary user entity controls. We have implemented the relevant user controls, and they were in operation for the three months ended December 31, 2025 and year ended September 30, 2025.

- With respect to the financial statement services provided by you, we have performed the following:
    - Made all management decisions and performed all management functions;
    - Assigned a competent individual, Ron Aumann, who has suitable knowledge, skill, or experience to oversee the services;
    - Evaluated the adequacy of the services performed;
    - Evaluated and accepted responsibility for the result of the service performed; and
    - Established and maintained internal controls, including a process to monitor the system of internal control.

- Material concentrations have been properly disclosed in accordance with U.S. GAAP.

- We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- We believe the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Information Provided

- We have provided you with:
    - Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investment contracts, as applicable, and amendments to such documents entered into during the year;
    - The most current Plan instrument for the audit periods, including all amendments;
    - A draft of the Form 5500 that is substantially complete;
    - Additional information that you have requested from us for the purpose of the audits;
    - Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
    - All minutes of the meetings of the Plan Committee or summaries of actions of recent meetings for which minutes have not yet been prepared.

- All transactions have been recorded in the accounting records and are reflected in the financial statements.

- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

- The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

- We have provided to you our evaluation of the entity's ability to continue as a going concern, including significant conditions and events present, and we believe that our use of the going concern basis of accounting is appropriate.

- We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
    - Management;
    - Employees who have significant roles in internal control; or
    - Others when the fraud could have a material effect on the financial statements.

- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

- We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

- We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.

- There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

- We have disclosed to you the identity of all the Plan's related parties and parties-in-interest and the nature of all the related party and party-in-interest relationships and transactions of which we are aware.

- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

- All required filings with the appropriate agencies have been made.

- All required amendments to and filings of plan documents with the appropriate agencies have been made.

- The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified Plan (and trust). The Plan sponsor has operated the Plan and trust or insurance contract in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

- The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.

- The Plan has complied with the fidelity bonding requirements of ERISA.

- There are no:
    - Nonexempt party-in-interest transactions (as defined in ERISA Section 3(14) and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.
    - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
    - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedule.

Sincerely,

INDEPENDENT AUDITORS' REPORT

To the Plan Committee of
Nelson - Jameson, Inc. Retirement Plan
Marshfield, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Nelson - Jameson, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and September 30, 2025, and the related statements of changes in net assets available for benefits for the three months ended December 31, 2025 and year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nelson - Jameson, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and September 30, 2025, and for the three months ended December 31, 2025 and year ended September 30, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nelson - Jameson, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nelson - Jameson, Inc. Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued, or when applicable, one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nelson - Jameson, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nelson - Jameson, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - Description of Plan

The following description of the Nelson – Jameson, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan, as adopted effective January 1, 1990, and restated December 14, 2022, covering all full-time employees of Nelson – Jameson, Inc., and its subsidiaries, Kaestner, LLC and Next Logistics, Inc. (collectively referred to as the "Company"), who have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective December 1, 2025, the Plan adopted the new year end date of December 31. The financial statements that are presented in this document will be reflective of the last three months of 2025 for the period October 1, 2025 to December 31, 2025, and the twelve month fiscal year ended September 30, 2025.

Contributions - Participants may elect to contribute a portion of their compensation to the Plan, not to exceed the amount allowed by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has automatic enrollment upon meeting eligibility requirements for employees who are not participating in the Plan, except for employees who have affirmatively elected in writing not to participate. The automatic enrollment feature provides that, unless elected otherwise by the employee, 8% of the employee's compensation will be contributed to the Plan as a salary deferral. Employees contributing via the automatic enrollment feature will have their deferral percentage increased annually by 1% until they reach a deferral percentage of 10%.

The Company may make a discretionary matching contribution to the Plan, to be determined annually. For the three months ended December 31, 2025 and year ended September 30, 2025, the Company contributed 50% of the first 8% of salary reduction contributions that a participant contributed to the Plan. Additionally, the Company may also make discretionary profit-sharing contributions. Participants who worked 1,000 hours and are employed on the last day of the Plan year will share in the discretionary profit-sharing contributions based on relative compensation.

Effective April 1, 2025, the Plan was amended to permit employer matching contributions based on participants' qualified student loan payments in accordance with the provisions of the SECURE 2.0 Act. Under the amended provisions, eligible participants who make qualified student loan payments may receive employer matching contributions at the same rate applicable to elective deferrals under the Plan, even if such participants do not make salary deferral contributions to the Plan. Qualified student loan payments are treated as elective deferrals solely for purposes of determining the amount of employer matching contributions.

The Plan Administrator is responsible for obtaining and maintaining appropriate participant certifications and records necessary to substantiate qualified student loan payments eligible for matching contributions. Employer matching contributions related to qualified student loan payments are subject to the Plan's vesting, allocation, and other applicable provisions in the same manner as matching contributions based on employee elective deferrals.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's discretionary matching contribution, (b) the Company's discretionary profit-sharing contribution, and (c) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the remainder of their accounts is based on years of credited service. A participant is 100 percent vested after three years of credited service.

NOTE 1 - Description of Plan - Continued

Participant Loans - The Plan includes a provision allowing eligible participants to borrow, from their fund accounts, a minimum amount of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Participants may not have more than three loans outstanding at one time. Loan terms are limited to five years, except loans for the purchase of a primary residence which may exceed the five-year term. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator. The Plan Administrator shall take into consideration rates currently being charged by commercial lenders for loans of comparable risk on similar terms and for similar durations, so that the interest will provide a return commensurate with rates currently charged by commercial lenders for loans made under similar circumstances. Interest rates range from 3.25 to 8.50 percent. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits - Upon death, termination of service, or obtaining retirement age, participants with an account balance exceeding $5,000 may elect to receive the value of their vested account balance in either a lump-sum distribution, a rollover, a series of substantially equal periodic installments not to exceed the participant's life expectancy, or partial withdrawals, as described in the Plan's provisions. Participant accounts with an account balance up to $1,000 are paid in a lump-sum as soon as feasible. Participant accounts with a value greater than $1,000 (including amounts attributable to rollover contributions) and not exceeding $5,000 will be directly rolled over into an individual retirement plan designated by the Plan Administrator, unless the participant elects to have the distribution paid directly (in a direct rollover) to an eligible retirement plan.

Administrative Expenses - All administrative expenses may be paid out of the Plan unless paid by the Company. For the three months ended December 31, 2025 and year ended September 30, 2025, expenses were paid by both the Plan and the Company.

Forfeited Accounts - Nonvested portions of participants' accounts will be forfeited upon termination of employment. Upon rehire, a participant's account balance may be reinstated under certain circumstances. Dollars forfeited due to terminations of employment will be used to reduce future employer discretionary matching contributions or to pay administrative expenses of the Plan. At December 31, 2025 and September 30, 2025, forfeited nonvested accounts totaled $26,187 and $8,961, respectively. During the three months ended December 31, 2025 and year ended September 30, 2025, discretionary matching contributions or administrative expenses were reduced by $0 and $12,363, respectively.

NOTE 2 - Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements and supplemental schedule is as follows:

Basis of Accounting and Presentation - The financial statements of the Plan are prepared using the accrual method of accounting and are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

NOTE 2 - Summary of Significant Accounting Policies - Continued

Investment Valuation and Income Recognition - Continued - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions - Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events through October 12, 2026, the date which the financial statements were available to be issued.

NOTE 3 - Concentrations

The Plan's investments that represented 10 percent or more of the Plan's net assets available for benefits as of December 31, 2025 and September 30, 2025 are as follows:

	DECEMBER 31, 2025	SEPTEMBER 30, 2025
Fidelity 500 Index Fund	$ 4,003,180	$ 3,834,524
Fidelity Freedom 2040 Fund	3,704,095	4,207,021
Fidelity Freedom 2025 Fund	*	3,399,692
Fidelity Freedom 2030 Fund	3,306,170	*

* Investment is less than 10 percent of Plan's net assets available for benefits

NOTE 4 - Fair Value Measurements

The Plan has determined the fair value of certain assets in accordance with the provisions of U.S. GAAP, which provides a framework for measuring fair value under generally accepted accounting principles.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 - Fair Value Measurements - Continued

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and September 30, 2025.

- **Mutual Funds**: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - Fair Value Measurements - Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and September 30, 2025:

	DECEMBER 31, 2025	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Mutual Funds	$ 31,471,168	$ 31,471,168	$ -	$ -
Total investments at fair value	**$ 31,471,168**	**$ 31,471,168**	**$ -**	**$ -**

	SEPTEMBER 30, 2025	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Mutual Funds	$ 33,130,368	$ 33,130,368	$ -	$ -
Total investments at fair value	**$ 33,130,368**	**$ 33,130,368**	**$ -**	**$ -**

NOTE 5 - Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive investment contract with The Lincoln National Life Insurance Company. The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the fully benefit-responsive investment contract was $334,951 and $298,606 at December 31, 2025, and September 30, 2025, respectively.

The traditional investment contract held by the Plan is a group fixed annuity contract. The contract issuer is contractually obligated to repay the principal and interest at a specific rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and may not be less than the guaranteed minimum interest rate (may not be less than 0%). The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 - Fully Benefit-Responsive Investment Contract - Continued

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contract.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

NOTE 6 - Information Certified by the Plan Custodians

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and September 30, 2025, and net appreciation (depreciation) in fair value of investments, interest and dividends for the three months ended December 31, 2025 and year ended September 30, 2025, was obtained or derived from the information furnished to the Plan administrator and certified as complete and accurate by Principal Life Insurance Company, for the period October 1, 2024 to February 21, 2025, and Fidelity Management Trust Company as of December 31, 2025 and September 30, 2025 and for the period October 1, 2024 to December 31, 2025, the custodians of the Plan.

NOTE 7 - Tax Status

The Company became a participating employer in the FMR LLC Non-Standardized Profit Sharing Plan with CODA effective December 14, 2022, and is relying on its determination letter dated June 30, 2020. The Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (the "IRC"). The Plan has been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and September 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 8 - Transactions With Related-Parties and Parties-in-Interest

Certain Plan investments are managed by Fidelity Management Trust Company and Principal Life Insurance Company. Fidelity Management Trust Company and Principal Life Insurance Company are the custodians and recordkeepers for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fidelity Management Trust Company provides certain administrative services to the Plan pursuant to an agreement between the Company and Fidelity Management Trust Company. Fidelity Management Trust Company receives revenue from providers for services Fidelity Management Trust Company provides. This revenue is used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan.

If the revenue received by Fidelity Management Trust Company from service providers exceeds the amount owed, Fidelity Management Trust Company remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. For the three months ended December 31, 2025 and year ended September 30, 2025, excess revenue was $0 and $6,942, respectively. The Plan or Plan Sponsor may make a payment to Fidelity Management Trust Company for administrative expenses not covered by revenue sharing.

Fees for professional services rendered to the Plan may be paid for by the Company at its discretion. The Plan invests in certain investments that are managed by the Plan custodian. The Plan allows participants to take out loans against their account balances, and those activities are deemed party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 9 - Amounts Owed to Participants Withdrawing from the Plan

There were no amounts owed to participants who had elected to withdraw from the Plan but had not been paid as of December 31, 2025 and September 30, 2025.

NOTE 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - Excessive Deferrals/Contributions

For the three months ended December 31, 2025, some highly compensated participants had contributed in excess of the amounts that were allowed by the 415(c) annual additions limit test. For the 415(c) test, the amount totaled $3,332. The excess contributions are not considered material to the financial statements, and, therefore, they have not been included as liabilities on the statements of net assets available for benefits.

NOTE 12 - Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.
