INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Lexus of Wesley Chapel 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements
We have performed an audit of the financial statements of Lexus of Wesley Chapel 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lexus of Wesley Chapel 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lexus of Wesley Chapel 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lexus of Wesley Chapel 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lexus of Wesley Chapel 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA
The supplemental schedule of assets held for investment as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Lexus of Wesley Chapel 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution and profit-sharing plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The John Hancock Life Insurance Company serves as the Plan's custodian and performs the record keeping and investment services. The Plan administrator is Florida West Coast Automotive, LLC. The Trustee of the Plan is the John Hancock Life Insurance Company.

Participation – Employees who have attained 18 years of age are eligible to participate in the Plan the first day of the month coincident with or following the date of hire as defined in the Plan (the "Entry Date"). Notwithstanding, each eligible employee shall become a participant with the sole purpose of receiving profit sharing contributions on the entry date.

Contributions – Employee contributions are made using funds withheld by the Company from compensation of participants. Participants are automatically enrolled to defer 3% of pay unless they choose a different percentage or not to defer. Catch-up contributions are permitted for age 50 or over and are based upon the maximum elective deferral for such year. Matching contributions are discretionary up to a percentage of pay as determined by the Company. The Company may make discretionary employer contributions for active participants who are eligible for a share on December 31st. This amount shall not exceed the maximum amount that may be contributed for participants based upon prevailing law.

Participant Accounts - Each participant's account is credited with the participant's voluntary contribution, the Company's matching and profit-sharing contributions and, an allocation of Plan earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portions of their accounts is based on years of continued service using a graded schedule as specified by the Plan. For vesting purposes, a year of vesting is defined as a computation period (January 1st to December 31st) during which a participant is credited with at least 1,000 hours of service and is at least 18 years of age. A participant is 100% vested after six years of credited service.

Forfeited Accounts - Forfeited non-vested accounts totaled $0 and $0, at December 31, 2025 and 2024 respectively. During the year ended December 31, 2025, $22,586 of forfeitures were used to offset employer contributions made to the plan.

Investment Options – All investment funds of the Plan are participant directed.

Administrative expenses – The Company pays for all administrative expenses except certain record keeping charges, which are paid for by the Plan.

1. DESCRIPTION OF PLAN (continued)

Participant Loans - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or through partial payments with a minimum amount of $5,000. For termination of service to due other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Plan termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in contributions made by the employer. The Plan Administrator is responsible for distributing account balances in accordance with the provisions of the Plan and ERISA after payment of all administrative and liquidation expenses by the Trustee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - Expenses of maintaining the Plan are paid by the Company, if forfeitures are not available. See Note 1 - *Vesting and Forfeited Accounts*.

3. FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Plan assets had Level 1 fair market measurements available and, therefore, were used.

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. This level includes common stocks, corporate bonds or mutual funds based on the closing price reported in the active market where the securities are traded.

- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted for identical or similar assets or liabilities in *inactive* markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation, or other means.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. FAIR VALUE MEASUREMENT (continued)

The fair values of all of the trading securities listed below as of December 31, 2025 and 2024 are based on unadjusted, quoted prices in active markets as of the measurement date (often referred to as Level 1 inputs).

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net depreciation in fair value of investments.

No changes in valuation techniques or related inputs have occurred as a result of adopting the new reporting requirements on fair value measurement in ASU 2011-04, as per FASB ASC 820.

	Fair Value Measurements at the End of the Reporting Period Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level1)
December 31, 2025		
Mutual funds	$ 9,326,526	$ 9,326,526
Interest bearing cash	15,440	15,440
Total investments at fair value	$ 9,341,966	$ 9,341,966
December 31, 2024		
Mutual funds:		
Mutual funds	$ 7,796,731	$ 7,796,731
Interest bearing cash	1,377	1,377
Total investments at fair value	$ 7,798,108	$ 7,798,108

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation(depreciation) in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers into or out of Level 3.

4. INVESTMENTS

The following investments represented five percent (5%) or more of total net assets of the Plan at December 31:

	2025	2024
Mutual funds:

Net assets available for benefits per Schedule H of Form 5500	$ 7,869,141	$ 6,868,745

5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of the statement of changes in net assets available for benefits for the year ended December 31, 2025, to Form 5500:

	Per Financial Statements	Adjustments	Per Form 5500
Investment income:			
Net appreciation in fair value of investments	$1,317,836	$ -	$1,317,836
Dividends and interest	5,895	-	5,895
	1,323,731	-	1,323,731
Contributions:			
Participants	668,036	(1,409)	666,627

Beginning net assets	7,890,254		7,869,141
Ending net assets	$ 9,458,802		$ 9,436,359

Amounts allocated to contributions received are recorded on the Form 5500 for funds that have been processed and received by the Plan as of December 31, 2025. Contributions receivable include payrolls paid through December 31, 2025 and corresponding Plan funds in transit.

6. TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan's tax returns are generally subject to examination by the Internal Revenue Service and the Department of Labor for three years after filing. Therefore, years 2025, 2024, 2023 and 2022 are still subject to such regulation.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee, John Hancock Retirement, for the year ended December 31, 2025

Investments in marketable securities	$ 9,326,526
Loans to participants	$ 94,393
Investment income	$ 5,895
Net increase in investment market value	$ 1,317,836

9. PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain plan investments are shares of mutual funds managed by John Hancock Life insurance Company, the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Participant loans held by the Plan also reflect party-in-interest transactions (related-party transactions).

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

10. CONCENTRATIONS

All of the Plan's assets are held by its trustee, John Hancock life Insurance Company which is located in Boston, Massachusetts.

11. RETURN OF EXCESS CONTRIBUTIONS

During the year ended December 31, 2025, the Plan administrator determined that certain contributions exceeded the amounts permitted under the Plan's actual deferral percentage (ADP) and actual contribution percentage (ACP) testing requirements. The Plan returned $35,212 of excess contributions to affected participants. This amount is included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

12. SUBSEQUENT EVENTS

Subsequent events were evaluated through September 28,2026 which is the date of financial statements were available to be issued, and had determined that there were no events, other than those discussed above, that would require modification of the financial statements or disclosure in the notes to the financial statements.
