Independent Auditor's Report

To the Plan Administrator
Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Plan Description

The following description of the Woodson Wholesale Inc. Profit Sharing/401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Woodson Wholesale Inc. and affiliates (the "Company" or "Plan Sponsor"), who are age 21 or older that are not excluded employees per the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may make discretionary matching or nonelective contributions to the Plan. Contributions are subject to certain limitations.

Participant accounts

The Plan currently offers mutual funds as investment options for participants. Each participant's account is credited with the participant's contribution and allocations of Plan earnings and the employer's contribution. Allocations are based on participant earnings or account balances, as defined. Each participant is entitled to the benefit that can be provided from his or her vested account.

Vesting

Participants vest immediately in their own contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based upon years of continuous service. Participants are 100% vested in profit sharing contributions and matching contributions after 3 years of service.

Forfeited accounts

Forfeited accounts may be used to reduce future administrative expenses or plan sponsor contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $2,583 and $4,099, respectively. During the year ended December 31, 2025, forfeitures of $12,095 were used to reduce plan sponsor contributions.

1. Plan Description - continued

Notes receivable from participants

Participants may borrow from their fund accounts up to a maximum of the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as transfers to (from) their investment funds from (to) the Participant Loans fund. Loan terms may range up to 5 years for most loans and up to 30 years for the purchase of a primary residence, are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest on loans are to be repaid through payroll deductions.

Payments of benefits

Plan benefits are available upon termination of employment, death, disability, or retirement. A participant may receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants with a vested account balance greater than $5,000 may also elect to defer payment of his or her account.

The Plan also allows for in-service withdrawals in limited circumstances, as defined by the Plan.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America in that contributions and interest income are recognized when received and expenses are recorded when paid or deducted from the Plan.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances. Interest income is recorded on the cash basis.

2. Summary of Significant Accounting Policies – continued

Investment valuation and income recognition

Plan investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income and capital gains are recorded on the cash basis.

Payment of benefits

Benefits are recorded when paid.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are not recorded as liabilities in the accompanying statements of net assets available for benefits prepared under the modified cash basis of accounting. There were no excess contributions payable as of December 31, 2025 and 2024.

Administrative expenses

Certain expenses of the Plan have been paid by the plan sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Date of management's review

Management has evaluated subsequent events through October 8, 2026, which is the date the financial statements were available to be issued.

3. Certified investment information

Certain information related to investments and notes receivable from participants is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by Alerus Financial, N.A., the trustee of the Plan.

4. Investments and fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy consists of three broad levels: Level 1 inputs have the highest priority, and Level 3 inputs have the lowest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 – Inputs to the valuation methodology are unobservable.

Mutual funds – The fair value of mutual funds is based on quoted market prices of the shares held by the Plan at year-end.

Common collective trusts – The fair value of the funds is based on the net asset value of collective trusts, as provided by the fund manager, a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant directed redemptions are allowed daily with no restrictions. There are no unfunded commitments.

4. Investments and fair value measurements – continued

The following tables set forth by level and by investment class, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

December 31, 2025

Description	Total	Level 1	Level 2	Level 3
Investments in the fair value hierarchy:				
Mutual funds	$ 8,543,966	$ 8,543,966	$ -	$ -
Total investments in the fair value hierarchy	8,543,966	$ 8,543,966	$ -	$ -
Total investments measured at fair value	$ 8,543,966			

December 31, 2024

Description	Total	Level 1	Level 2	Level 3
Investments in the fair value hierarchy:				
Mutual funds	$ 5,539,821	$ 5,539,821	$ -	$ -
Total investments in the fair value hierarchy	5,539,821	$ 5,539,821	$ -	$ -
Investments measured at net asset value**				
Common collective trusts	1,750,671			
Total investments measured at fair value	$ 7,290,492			

** In accordance with Subtopic ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested.

6. Party-in-interest transactions

Plan investments include shares of funds that are managed by Alerus Financial which serves as the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Plan assets include notes receivable from participants. These transactions also qualify as party-in-interest transactions. Investment fees and expenses associated with Plan administration are paid to certain parties-in-interest. All of these transactions are exempt from the prohibited transaction rules under ERISA.

7. Tax status

The Plan sponsor has adopted a pre-approved plan and is relying on the pre-approved plan's IRS opinion letter for qualification. In the pre-approved plan's opinion letter dated June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

8. Plan administration

Certain administrative functions are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

9. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
