INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the OWT GLOBAL, LLC 401(K) PLAN:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of OWT GLOBAL, LLC 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of OWT GLOBAL, LLC 401(K) PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities

for the Audit of the Financial Statements section of our report. We are required to be independent of OWT GLOBAL, LLC 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OWT GLOBAL, LLC 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OWT GLOBAL, LLC 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OWT GLOBAL, LLC 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Unaudited Prior-Year Information

The accompanying statement of net assets available for plan benefits as of December 31, 2024 was not audited, reviewed, or compiled by us, and, accordingly, we do not express an opinion or any other form of assurance on it.

Supplemental Schedules Required by ERISA

The accompanying supplemental schedules—Schedule H, Line 4a, Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, and Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2025—are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OWT GLOBAL, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE A - DESCRIPTION OF PLAN

The following description of the OWT GLOBAL, LLC 401(K) PLAN (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The OWT Global, LLC 401(k) Plan (the "Plan") is a defined contribution plan sponsored by OWT Global, LLC (the "Company") and is subject to ERISA. The Plan was originally established effective July 1, 2018 and was subsequently amended and restated effective January 1, 2020. The governing Plan and Trust document package in effect for 2025 is the January 1, 2020 pre-approved plan document, as subsequently amended. Eligible employees generally enter the Plan upon attaining age 21; the 2025 eligibility provisions do not require a service period. Signature Benefit Solutions, Inc. serves as the Plan's third-party administrator, and John Hancock maintains the Plan's participant-level recordkeeping and investment records.

Recordkeeping and Investments - During 2025, John Hancock maintained the Plan's participant-level recordkeeping and investment records under the Plan's group annuity/recordkeeping arrangement. The Plan's investment assets consist principally of interests in John Hancock pooled separate accounts. The Plan Administrator obtained a 2025 certification from John Hancock that the investment information covered by the certification was complete and accurate for purposes of the ERISA Section 103(a)(3)(C) audit.

Contributions - Participants may make elective deferrals, including catch-up contributions when eligible, subject to Internal Revenue Code limitations, and may make eligible rollover contributions. For 2025, the Plan provided a safe harbor non-elective employer contribution equal to 3% of compensation for participants eligible to receive the safe harbor contribution, subject to the Plan definition of compensation and applicable statutory limits. Participant elective deferrals and safe harbor non-elective contributions are fully vested. The Plan has not historically funded discretionary profit-sharing/ERPS contributions. At December 31, 2025, employer contributions receivable included $1,081.27 related to the 2025 safe harbor contribution, which was subsequently funded on September 30, 2026.

Investment Options - Participants direct the investment of their accounts among investment options offered under the Plan. At December 31, 2025, the Plan held $8,916,056 in John Hancock pooled separate accounts and $4,652 in cash/funds not invested.

Participant Accounts - Each participant's account is credited with participant contributions, applicable employer contributions and allocations of Plan earnings, and is charged with applicable Plan expenses. Allocations are made in accordance with the Plan document and participant investment elections. A participant is entitled to the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are fully vested in their elective deferrals and the Plan's safe harbor non-elective employer contributions, together with related earnings.

Notes Receivable Participant Loans - Participants may borrow from their vested Plan accounts subject to the Plan's loan policy and Internal Revenue Code limitations. Loans generally may not exceed the lesser of $50,000 or 50% of the participant's vested account balance, subject to applicable statutory adjustments, and generally have terms of up to five years except for loans used to acquire a principal residence. The participant's account secures the loan.

Loan interest rates are established under the Plan's loan policy at the prime rate plus 1%. Principal and interest are generally repaid through payroll deductions.

NOTE A - DESCRIPTION OF PLAN – *(Continued)*

Payment of Benefits - Benefits are payable upon events and in forms permitted by the Plan, including termination of employment, retirement, disability and death, subject to applicable required minimum distribution provisions. Participants may elect available distribution or rollover options in accordance with the Plan document.

Effective December 18, 2025, the Plan's mandatory cash-out threshold increased from $5,000 to $7,000. Under the amended provisions, mandatory distributions of $1,000 or less may be paid directly to the participant or beneficiary, while mandatory distributions over $1,000 are generally rolled over to an individual retirement account when the participant does not make an affirmative election.

Plan Cash Account - At December 31, 2025, John Hancock reported $4,652.24 in the Plan cash account/funds not invested. The balance originated from excess 2022 safe harbor non-elective contribution credits and remained unused through December 31, 2025. The balance is presented separately from the Plan's pooled separate accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are measured at unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis and loan fees are recorded as administrative expenses. Loans in default are accounted for in accordance with the Plan provisions and applicable accounting guidance. At December 31, 2025, notes receivable from participants were $177,736.

Investment Valuation and Income Recognition - The Plan's interests in John Hancock pooled separate accounts are reported at fair value. The Plan's interests are valued using the number of units held multiplied by the applicable accumulation unit value reported by John Hancock. Accumulation unit values are determined daily based on the values of the underlying investments, adjusted for investment income, applicable expenses, and other subaccount activity. Net appreciation or depreciation includes realized and unrealized gains and losses on investments. For 2025, net appreciation in the fair value of pooled separate accounts was $1,294,313. See Note D for the Plan's fair value hierarchy disclosures.

Payment of Benefits - Benefits are recorded when paid.

Excess Contributions Payables – Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to participant contributions.

Remainder of page intentionally left blank.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – *(Continued)*

Operating Expenses and Party-in-Interest Transactions - Certain Plan investments and transactions with John Hancock and other Plan service providers constitute party-in-interest transactions; such transactions may qualify as exempt transactions under ERISA when statutory conditions are met. Administrative expenses charged to the Plan during 2025 totaled $78,909, consisting of $73,277 of John Hancock contract administration fees, $1,737 of TPA fees, and $3,895 of investment-advisory fees.

The Plan pays certain administrative and investment-related expenses from Plan assets. The Company may also pay Plan expenses directly, and certain administrative functions are performed by Company employees without compensation from the Plan. For 2025, the Company paid $10,390 directly to Signature Benefit Solutions, Inc. for quarterly plan administration services; these amounts were paid from Company assets and are not reflected as Plan expenses.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events - The Plan has evaluated subsequent events through October 7, 2026, the date these financial statements were available to be issued. The $961 of lost earnings related to a 2025 delinquent participant contribution remittance was funded on September 22, 2026, and the $1,081 2025 safe harbor contribution shortfall was funded on September 30, 2026

NOTE C - INVESTMENTS AND INFORMATION PREPARED AND CERTIFIED BY JOHN HANCOCK

The following summarizes investment information included in the Plan's 2025 financial statements and supplemental schedule that was prepared or derived from information maintained and certified by John Hancock. Management obtained a certification from John Hancock stating that the certified investment information as of and for the year ended December 31, 2025 was complete and accurate. At December 31, 2025, the Plan held $8,916,056 in pooled separate accounts and $4,652 in cash/funds not invested, for total investment/cash support of $8,920,708. Net appreciation in the fair value of the pooled separate accounts for 2025 was $1,294,313.

	2025
Investments:	
Pooled separate accounts, at fair value	8,916,056
Cash / funds not invested	4,652
Total pooled separate accounts and cash support	$ 8,920,708
Investment income (loss):	
Net appreciation in fair value of pooled separate accounts	1,294,313
Dividends	-
Total investment (loss) gain	$ 1,294,313

NOTE C - INVESTMENTS AND INFORMATION PREPARED AND CERTIFIED BY JOHN HANCOCK – (Continued)

At December 31, 2025, investments representing 5% or more of net assets available for plan benefits were as follows:

	2025
500 Index Fund	$ 1,152,291
RetJourney American Funds 2040	$ 1,150,098
RetJourney American Funds 2045	$ 1,068,078
RetJourney American Funds 2035	$ 928,438
RetJourney American Funds 2055	$ 634,159
JH Multimanager Aggressive LS	$ 603,499
Blue Chip Growth Fund	$ 578,406
JH Multimanager Growth LS	$ 543,442
RetJourney American Funds 2050	$ 533,868

During the year ended December 31, 2025, the Plan's pooled separate account investments appreciated in value by $1,294,313, including realized and unrealized gains and losses on investments bought, sold and held during the year.

NOTE D – FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* section of the FASB *Accounting Standards Codification* (ASC) provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the *Fair Value Measurements and Disclosures* section of the FASB ASC are described as follows:

Level 1 Fair Value Measurements - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Remainder of page intentionally left blank.

NOTE D – FAIR VALUE MEASUREMENTS – (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for investments measured at fair value as of December 31, 2025:

Pooled Separate Accounts - The Plan invests in pooled separate accounts through a group annuity contract with John Hancock Life Insurance Company (U.S.A.). These investments are valued using the number of units held by the Plan at year-end multiplied by the applicable accumulation unit value reported by John Hancock. Accumulation unit values are determined daily based on the values of the underlying investments, adjusted for investment income, applicable expenses, and other subaccount activity. Because the Plan's interests are valued using observable inputs rather than unadjusted quoted prices for identical interests in an active market, these investments are classified within Level 2 of the fair value hierarchy.

The following table presents the Plan's investments measured at fair value as of December 31:

	Fair Value Measurements as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
John Hancock pooled separate accounts, at fair value	$ -	$ 8,916,056	$ -	$ 8,916,056
Total pooled separate accounts at fair value	$ -	$ 8,916,056	$ -	$ 8,916,056

	Fair Value Measurements as of December 31, 2024 (UnAudited)			
	Level 1	Level 2	Level 3	Total
John Hancock pooled separate accounts, at fair value	$ -	$ 6,785,685	$ -	$ 6,785,685
Total pooled separate accounts at fair value	$ -	$ 6,785,685	$ -	$ 6,785,685

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements at the reporting dates.

NOTE E – RECONCILATION OF FINANCIAL STATEMENTS TO FORM 5500

The Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2025, agrees to Schedule H of Form 5500. The Statement of Net Assets Available for Plan Benefits differs from Schedule H by $1 due solely to rounding to whole dollars.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the Company's contribution portion, if any, of their accounts.

NOTE G - TAX STATUS

The Plan uses Signature Benefit Solutions, Inc.'s pre-approved defined contribution plan document. Signature received an IRS opinion letter dated June 30, 2020 for the pre-approved document; the opinion letter is issued to the document provider and is not an individual determination letter issued to OWT Global, LLC. OWT adopted the governing pre-approved Plan and Trust document package effective January 1, 2020, as subsequently amended. The Plan Administrator believes the Plan is designed in accordance with applicable requirements of the Internal Revenue Code and that matters identified during 2025 have not adversely affected the Plan's tax-qualified status. Accordingly, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator is responsible for evaluating tax positions taken by the Plan and recognizing a liability when an uncertain tax position does not meet the applicable recognition threshold.

NOTE H – CONCENTRATIONS OF MARKET AND CREDIT RISK

The Plan's exposure to credit loss in the event of nonperformance of its investments is limited to the carrying value of such investments. The Plan's concentrations of credit and market risk are dictated by participant's investment preferences.

Although there can be no assurances of favorable investment returns or the absence of nonperforming investments, the Plan and related Trust maintains investment options with high credit quality financial institutions and attempts to limit the amount of credit exposure related to any individual investment.

Due to the risks associated with investments and uncertainties related to changes in the values of such investments, it is at least reasonably possible that volatility in the marketplace in the near term could materially affect the amounts reported in the financial statements and the accompanying notes.
