INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Plumbers and Steamfitters Local No. 83 Retirement Plan
Pittsburgh, PA.

Opinion

We have audited the accompanying financial statements of Plumbers and Steamfitters Local No. 83 Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers and Steamfitters Local No. 83 Retirement Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Steamfitters Local No. 83 Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Steamfitters Local No. 83 Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Steamfitters Local No. 83 Retirement Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Steamfitters Local No. 83 Retirement Plan's ability to continue as a going concern for a reasonable period of time.**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes as of December 31, 2025 and reported transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Plumbers and Steamfitters Local No. 83 Retirement Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General **- The Plan is a defined contribution plan covering all full-time employees of a participating Company from the first day of employment. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).**

Plan Administration **– The administration of the Plan is the responsibility of a Board of Trustees comprised of Union and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights.**

Contributions **- Under a collective bargaining agreement, participating employers contribute at the agreed rate per hour for each participant covered.**

Participant Accounts **- Each participant's account is credited with (a) the employer's contribution and (b) Plan earnings, and charged with expenses at a quarterly rate of $ 22.75. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are maintained and administered under a deposit contract with the Plan's trustee, which was the Prudential Financial Group through March 1, 2025 (after which point it became Empower Trust Company, LLC). Prudential Retirement Services, a division of Prudential Retirement and Annuity Company was responsible for the custody and management of the Plan's assets, until March 1, 2025 after which point it was Empower Trust Company, LLC.**

Vesting **- Participants are 100 percent vested immediately.**

Investments **- Investments are self-directed with each participant selecting from the investment options for their desired portfolio.**

Payments of Benefits **- When a participant meets one of the conditions which precipitate payment, he may choose either a lump sum payment or periodic payments. There are also provisions for payment to designated beneficiaries if a participant dies before receiving the full amount in his account. Amounts due to all participants at any time are limited in total to the net assets of the Plan.**

Participant Loans **- Participants may borrow a minimum of $ 1,000 up to a maximum of $ 50,000, but not more than 50 percent of the participant's account balance. The loans are secured by the account balance and the interest rates are the prime lending rate in effect on the first day of each month in which the application is made, plus 1%**

Empower/Prudential Fees **- The recordkeeping service agreement with Prudential provided for two types of charges. First, there was a direct charge against income of approximately 0.65 percent of the investment assets balance. Secondly, there was a $70 annual basic administration fee charged to each participant prorated on a quarterly basis. Participants obtaining loans or distributions were charged additional fees for the transactions. With Empower, there is an annual participant charge of $70, as well as an administrative fee of 0.65 percent on the PGIM Total Return Bond Fund.**

	Year Ending December 31,	
	2025	2024
Estimated Direct Charge	$ 281,677	$ 266,553
Charged to Participants	76,930	39,676
Returned to the Plan	(34,200)	(150,670)

DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America. Significant accounting policies are summarized below:

Date of Management's Review of Subsequent Events **- Subsequent events were evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued, and it was determined that there were no subsequent events that require disclosure.**

Estimates **- The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.**

Investment Valuation and Income Recognition **- Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the appropriateness of the Plan's investment offerings and monitors investment performance. The trustees also determine the Plan's valuation policies. See Note 3 for discussion of fair value measurements.**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Income Tax Status **- The Internal Revenue Service has determined and informed the Plan by a letter dated February 8, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.**

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any tax periods.

Payment of Benefits **– Benefits are recorded when paid.**

Loans to Participants **– Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2025, and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is off set against the participant account balance and is recorded as a benefit payment.**

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs of valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value the insurance is valued using a market approach.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

Assets at Fair Value as of December 31, 2025

		Fair Value Measurements at The End of the Reporting Period Using:		
	Total	Quoted Prices In Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3

NOTE 4 - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash account at a financial institution in which balances may, at times, exceed federally insured limits.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
