INDEPENDENT AUDITOR'S REPORT

October 6, 2026

To the Participants and Plan Administrator
Marathon Petroleum Short Term Disability Plan for Specified Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Marathon Petroleum Short Term Disability Plan for Specified Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from a qualified institution as of, and for the years ended, December 31, 2025 and 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (continued)

- The information in the accompanying financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that the Plan's management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

October 6, 2026

To the Participants and Plan Administrator
Marathon Petroleum Short Term Disability Plan for Specified Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Marathon Petroleum Short Term Disability Plan for Specified Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from a qualified institution as of, and for the years ended, December 31, 2025 and 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (continued)

- The information in the accompanying financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that the Plan's management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1 - Description of the Plan

The accompanying financial statements are for the Marathon Petroleum Short Term Disability Plan for Specified Employees (the "Plan" or the "STD Plan"), which is a short-term disability plan sponsored by Marathon Petroleum Company LP (the "Company"). The Plan's assets are held in the Marathon Petroleum Short Term Disability Welfare Benefit Trust (the "Master Trust") with Frost National Bank ("Frost" or the "Trustee") acting as the trustee.

The following description of the Plan provides only general information. Participants should refer to the applicable formal plan documents for more complete information. The Plan is subject to, and complies with, the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is a welfare benefit plan available to certain regular full-time employees of the Company and its participating affiliates in the states of California and Washington. For those employees in California and Washington, the Plan is available immediately upon hire. The purpose of the Plan is to provide short-term disability pay to eligible employees suffering a short-term illness or injury and who are unable to work for a period of time. The Plan is solely funded by employer contributions that are determined annually by the plan administrator based upon claim payments.

Eligible participants are entitled to coverage based on appropriate weeks of base salary as determined by the number of years of service and whether the injury is occupational versus non-occupational. Benefits are paid by the Company to the participant through the Company's payroll and reimbursed by the Trustee. Payments of benefits under the Plan are reduced by any benefits a participant may be entitled to under any applicable workers' compensation law and/or other federal or state disability income payment.

Plan Termination

In the event of termination of the Plan, the Trustee, in accordance with the Master Trust agreement, will apply all the remaining assets of the Master Trust in a uniform and nondiscriminatory manner toward the provision of benefits for the participants.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in the Master Trust consist of a short-term investment fund that invests in cash and government securities which are valued using a market approach and are considered level 1 assets. The Plan's interests in the Master Trust are based on allocated contributions and interest income less actual distributions and allocated expenses. During the year ended December 31, 2025, the Master Trust's investments (including investments bought, sold and held during the period) did not experience any material gains or losses, since all investments were held in a short-term investment fund, which allow for daily deposits and withdrawals. Interest income is recorded as earned. All investment information and investment income disclosed in the accompanying financial statements was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Frost as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA. Refer to Note 3 for further discussion on the Master Trust's investment in the short-term investment fund.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's agreement allows for the payment of administrative expenses by either the Plan or the Company. During the year ended December 31, 2025, all administrative and professional expenses, except trustee fees, were paid by the Company.

Subsequent Events

We have evaluated subsequent events through October 6, 2026, the date the financial statements were available to be issued. There are no significant subsequent events requiring disclosure.

Note 3 - Marathon Petroleum Short Term Disability Welfare Benefit Trust

The Plan has an undivided interest in the Master Trust. The Plan's percentage interest in the Master Trust at December 31, 2025 and 2024 is 100%. Investments and other assets and liabilities of the Master Trust are as follows:

Underlying Assets and Liabilities in the Net Assets Available for Benefits of the Master Trust

	December 31,	
	2025	**2024**
Assets:		
Investments at fair value - short-term investment fund	**$ 292,984**	$ 331,123
Accrued interest receivable	**1,323**	1,719
Total assets	**294,307**	332,842
Liabilities:		
Fees payable	**25**	25
Taxes payable	**6,965**	5,455
Total liabilities	**6,990**	5,480
Net assets available for benefits	**$ 287,317**	$ 327,362

The Master Trust consisted solely of the Plan's assets during the reporting period January 1, 2025 through December 31, 2025. Because no additional employee welfare benefit plan's assets were held in the Master Trust during the reporting period, the Master Trust was not a "master trust" as defined by applicable Internal Revenue Service ("IRS") and Department of Labor ("DOL") guidance. As permitted by IRS and DOL guidance, however, the Plan reports its assets as an investment account on a Master Trust Investment Account Form 5500 annual report.

Reconciliation of Benefit Payments per the Financial Statements to Form 5500

	December 31, 2025	
Benefit payments per the financial statements	$	3,765,689
Less: Amounts payable at December 31, 2024		(110,229)
Add: Amounts payable at December 31, 2025		100,869
Benefit payments per the Form 5500	**$**	**3,756,329**

Claims that have been processed and approved for payment by the Plan at year-end and claims incurred but not reported are recorded as benefit obligations, but are not considered liabilities. Therefore, these claims are not presented as liabilities or claims paid in the accompanying financial statements, but are recorded on the Form 5500 as benefit claims payable.

Note 6 - Related-Party & Party-in-Interest Transactions

All Master Trust investments are invested in a short-term investment fund managed by Invesco. Therefore, these transactions do not qualify as party-in-interest transactions.

All expenses, except for certain trustee fees, were paid by the Company, and personnel and facilities of the Company have been used by the Plan at no charge for the year ended December 31, 2025.

Note 7 - Risks and Uncertainties

The Master Trust invests in investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 8 - Tax Status

The Master Trust funding the Plan has not received an exemption letter from the IRS stating that the Master Trust is tax-exempt under Section 501(a) of the Internal Revenue Code (the “Code”) as a Voluntary Employees’ Beneficiary Association; therefore, the Master Trust is a taxable trust. As an employee welfare benefit plan and related taxable trust, the Plan and the Master Trust are required to operate in conformity with the Code and ERISA. The plan administrator believes the Plan and the Master Trust are operating in conformity with the Code and ERISA.

Management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
