INDEPENDENT AUDITOR'S REPORT

To the Employee Benefits Committee of
SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust
Mt. Clemens, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

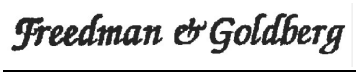

The supplemental schedule of assets held as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of the SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust (the "Plan") provides summary information for general purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

A. General – The SVS Vision, Inc. Union Employees' 401(k) Profit Sharing Plan and Trust (the "Plan") is a defined contribution plan established effective November 1, 1989. The Plan was subsequently amended and restated effective October 9, 2015 under the John Hancock Retirement Plan Services, LLC Non-Standardized 401(k) Profit Sharing Plan document. The Plan covers eligible employees of SVS Vision, Inc. who are covered under the collective bargaining agreement with Local 243 of the International Brotherhood of Teamsters, have attained age 21, and have completed 90 days of service. Eligible employees enter the Plan on the first day of the month coinciding with or next following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

During 2025, assets were transferred between the Plan and the SVS Vision, Inc. Non-Union Employees' 401(k) Profit Sharing Plan and Trust. Net transfers into the Plan totaled $322,791.

B. Administration – The Plan is administered by SVS Vision, Inc.'s (the "Company") employees who have been appointed by the Board of Directors of the Company. Certain administrative expenses incurred by the Plan have been paid for by the Company.

Administrative expenses incurred in the operation of the Plan, including recordkeeping, trustee services, legal, and other administrative fees, are paid by the Plan. However, certain expenses directly related to individual participant accounts, such as loan processing fees or fees for self-directed brokerage options, are charged directly to the participant's account balance. For the years ended December 31, 2025 and 2024, administrative expenses paid by the Plan totaled $30,078 and $16,859, respectively.

C. Contributions – Eligible participants may make elective pre-tax contributions to the Plan, subject to limitations of the Internal Revenue Code. For 2025, the maximum elective deferral contribution was $23,500. Participants who meet applicable age requirements may make additional catch-up contributions, subject to limits established by the Internal Revenue Code.

Employer matching contributions are made in accordance with the collective bargaining agreement between the Company and Local 243 of the International Brotherhood of Teamsters. The Plan also permits discretionary employer profit sharing contributions. Discretionary profit sharing contributions are allocated to eligible participants in the same ratio that each participant's compensation bears to the total compensation of all eligible participants.

Participants direct the investment of their accounts among the investment options available under the Plan.

D. Participant Accounts – Each participant's account is credited with the participant's contributions, employer contributions, if applicable, and allocations of Plan earnings or losses. Participants direct the investment of their accounts among the investment options available under the Plan. Certain administrative expenses may be charged directly to participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

E. Vesting – Participants are immediately 100% vested in their elective deferrals and related earnings. Employer matching and discretionary profit sharing contributions are subject to a six-year graded vesting schedule. Participants are 20% vested after two years of credited service, 40% after three years, 60% after four years, 80% after five years, and 100% after six years. Participants also become fully vested upon death, total and permanent disability, or attainment of the Plan's early retirement date.

Note 1. Description of the Plan (continued)

F. Notes Receivable from Participants - Participants may borrow from their vested account balances in accordance with the provisions of the Plan. The minimum loan amount is $1,000, and a participant may have only one loan outstanding at any time. Participant loans are limited to the lesser of $50,000, reduced by certain outstanding loan balances as provided by the Internal Revenue Code, or 50% of the participant's vested account balance.

Loans are secured by the participant's vested account balance and bear interest at a rate equal to 1.5 percentage points above the prime interest rate. Loan repayments may be made through payroll deduction and, in certain circumstances, through automated clearing house payments or check.

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

G. Payment of Benefits – Upon retirement, disability, death, termination of employment, or other event permitted under the Plan, a participant or beneficiary may receive the vested portion of the participant's account in accordance with the Plan's distribution provisions. Permitted forms of distribution include lump-sum distributions, substantially equal installment payments, and partial withdrawals.

Annuities are not the normal form of distribution under the Plan.

The Plan also permits hardship distributions from a participant's pre-tax elective deferral account, subject to the terms and limitations of the Plan and applicable provisions of the Internal Revenue Code.

H. Forfeitures – Forfeitures of employer nonelective contributions are used to reduce employer contributions in accordance with the provisions of the Plan. Forfeitures attributable to employer matching contributions are used to reduce employer matching contributions. During 2025, $3,723 of forfeitures was used to reduce employer matching contributions. No forfeitures were used during 2024.

Note 2. Summary of Significant Accounting Policies

A. Basis of Presentation – The accompanying financial statements have been prepared based on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

B. Use of Estimates – The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

C. Investment Valuation**–** Investments are reported at fair value. Mutual funds are valued at quoted market prices. The Plan's investment in a common/collective trust fund is valued at the net asset value ("NAV") of units held by the Plan as of the measurement date, which is used as a practical expedient to estimate fair value. See Note 8 for additional information regarding fair value measurements.

D. Investment Income Recognition – Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation or depreciation on investments held at year-end.

Note 2. Summary of Significant Accounting Policies (continued)

E. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

F. Payment of Benefits – Benefits are recorded when paid. Requests for distribution of Plan benefits by terminated participants are in various stages of processing. At December 31, 2025 and 2024, there were no outstanding requests for distribution of benefit claims payable.

Note 3. ERISA Section 103(a)(3)(C) Audit

Management elected to have the audit performed pursuant to ERISA Section 103(a)(3)(C) and Department of Labor Regulation 29 CFR 2520.103-8. As permitted by those provisions, certain investment information included in the financial statements and supplemental schedule was prepared and certified as complete and accurate by a qualified institution.

The Plan's independent auditors were not required to audit the certified investment information but performed procedures necessary to determine that the information received from the certifying institution was appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America and agreed to or was derived from the certified investment information.

Note 4. Termination of the Plan

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan at any time subject to the provisions of the ERISA. In the event of the Plan termination, participants would become 100% vested in their employer contributions.

Note 5. Tax Status

The Plan has adopted a pre-approved plan document sponsored by John Hancock Retirement Plan Services, LLC. The Internal Revenue Service issued an opinion letter to the document sponsor stating that the form of the pre-approved plan document was acceptable under the applicable provisions of the Internal Revenue Code. The Plan administrator believes that the Plan has been designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan and related trust continue to qualify for tax-exempt status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator believes there are no uncertain tax positions that require recognition in the accompanying financial statements.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Reconciliation of Financial Statements to Form 5500

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Form 5500 is prepared using the reporting requirements prescribed by the Department of Labor.

The following reconciles net assets available for Plan benefits per the financial statements to amounts reported on Form 5500:

	December 31, 2025	December 31, 2024
Net Assets Available for Plan Benefits per Financial Statements	$ 5,466,886	$ 4,671,950
Less: Employer and Participant Contributions Receivable	(100,975)	(98,698)
Net Assets Available for Plan Benefits per Form 5500	$ 5,365,911	$ 4,573,252

The following is a reconciliation of the increase in assets available for Plan benefits before plan-to-plan transfers per the financial statements for the year ended December 31, 2025 to the Form 5500:

	December 31, 2025
Net Increase in Assets Available for Plan Benefits before plan-to-plan transfers per the Financial Statements	$ 472,145
Add: Employer and Participant Contributions Receivable December 31, 2024	98,698
Less: Employer and Participant Contributions Receivable December 31, 2025	(100,975)
Increase in net assets available for Plan benefits before plan-to-plan transfers per Form 5500	$ 469,868

Note 8. Fair Value Measurements

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value and a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

Level 1 — Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 — Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 — Unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair value measurement is classified is based on the lowest level input that is significant to the fair value measurement.

Mutual funds are valued at quoted market prices in active markets and are classified within Level 1 of the fair value hierarchy.

Common/collective trust funds are valued at the net asset value ("NAV") of units held by the Plan at year-end. NAV is determined by the trustee based on the value of the underlying investments of the fund. The Plan uses NAV as a practical expedient to estimate fair value. Investments measured using NAV as a practical expedient are not classified within the fair value hierarchy.

Note 8. Fair Value Measurements (continued)

The following table presents the Plan's investments measured at fair value on a recurring basis, including investments measured using NAV as a practical expedient, as of December 31, 2025:

	Measured at NAV	Level 1	Total
Mutual Funds	$ -	$4,399,535	$ 4,399,535
Common Collective Trust Fund	770,461	-	770,461
Total Assets at Fair Value	$ 770,461	$4,399,535	$ 5,169,996

.

The following table presents the Plan's investments measured at fair value on a recurring basis, including investments measured using NAV as a practical expedient, as of December 31, 2024:

	Measured at NAV	Level 1	Total
Mutual Funds	$ -	$3,662,358	$ 3,662,358
Common Collective Trust Fund	728,458	-	728,458
Total Assets at Fair Value	$ 728,458	$3,662,358	$ 4,390,816

The Plan's common/collective trust fund consists of an investment in the MetLife Stable Value Series 25053. The Fund is a bank collective investment trust for which Reliance Trust Company serves as trustee. The Fund's units are valued and transactions are effected at NAV. See Note 9 for additional information regarding the stable value fund.

Note 9. Stable Value Fund

The Plan invests in the MetLife Stable Value Series 25053 (the "Fund"), a bank collective investment trust for which Reliance Trust Company serves as trustee. The Fund's primary investment objective is to preserve principal while generating earnings at rates competitive over time with short-term, high-quality fixed income investments and maintaining sufficient liquidity for participant-directed withdrawals. The Fund invests primarily in group annuity contracts issued by Metropolitan Life Insurance Company. The Plan's investment in the Fund is valued using net asset value ("NAV") as a practical expedient for estimating fair value. See Note 8 for additional information regarding fair value measurements.

Note 10. Subsequent Events

Plan management has evaluated subsequent events through October 5, 2026, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.
