Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ferguson Trenching Co., Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

Plan Description

The following description of the Ferguson Trenching Co., Inc. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering substantially all employees who have completed one year of service and are age twenty-one or older. In addition, participants must be employed on the last day of the plan year in order to be eligible to receive a profit-sharing contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"). The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees also determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Participant Contributions

Eligible employees will enter the Plan on the date they are hired. Participants may make salary deferral contributions from their compensation up to 100% each pay period, up to a maximum of $23,500 for the year ended December 31, 2025. In addition, participants between 50-59 and 64 years of age or older may elect to make catch-up contributions up to $7,500, and those between 60-63 years of age may elect to make "Super Catch-up" contributions up to $11,250, for the year ended December 31, 2025. Distributions from other qualified retirement plans can also be contributed to the Plan and retained as a rollover contribution.

Employer Profit-Sharing Contributions

The Company determines and declares annually an employer profit-sharing contribution. Profit-sharing contributions are allocated under an integrated allocation (permitted disparity) method. The employer profit-sharing contributions for years ended December 31, 2025 and 2024 totaled $200,000 and $250,000, respectively. The Plan allows for forfeitures to be utilized against the Company contributions, for the year ended December 31, 2025, the amount utilized was $577.

Contributions are subject to limitations set by the Internal Revenue Service.

NOTE 1 – PLAN DESCRIPTION (Continued)

Participant Accounts

Each participant's account is credited or charged with the participant's contributions, Company's matching and profit-sharing contributions, forfeitures and Plan earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All funds are participant-directed unless otherwise noted.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. Employer matching contributions and earnings are vested 20% per year, starting after one full year of service. A participant is 100% vested after six years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the Plan options, sponsored by Minnesota Life Insurance Company, the Plan's custodian. Participants may change their investment options daily through an electronic voice activation system or through website interaction provided by the custodian.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loan transactions are treated as transfers between the investment fund and the participant loan fund. Loan terms are not to exceed five years, unless the loan was for the purchase of a primary residence. The loans are secured by a fifty percent security interest in the participant's vested account balance and bear interest at the Prime rate charged by the United States Federal Reserve System as of the day of the loan request, plus 1.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, subject to the Plan agreement, or as installment payments over time. If a participant has reached the age of 59 ½, lump sum or installment distributions may be made at the participant's election from their vested balance, without requiring the participant to terminate employment.

NOTE 1 – PLAN DESCRIPTION (Continued)

Forfeitures

Forfeitures of the non-vested portion of a participant's employer matching account are primarily used to pay plan administrative costs or to reduce the employer's matching contribution. Alternatively, forfeitures may be allocated to participants as an additional matching contribution.

At December 31, 2025 and 2024, the forfeiture account balance of the plan was $1,844 and $18,655, respectively. During the years ended December 31, 2025 and 2024, $989 and $0, respectively, of forfeitures were used to pay plan administrative expenses.

Plan Administrative Costs

The majority of administrative costs of the Plan are paid by the Plan sponsors. The Plan paid administrative expenses of $42,431 for the year ended December 31, 2025.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles (GAAP) on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles of the United States requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 7 for discussion of fair value measurements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Deferred Payment of Benefits

Net assets available for benefits include $933,006, and $543,168 at December 31, 2025 and 2024, respectively, allocated to the accounts of terminated participants who had not yet received distributions. Benefits are recorded when paid.

Allowance for Credit Losses

In accordance with ASC Topic 326, Financial Instruments—Credit Losses, the Plan evaluates financial assets measured at amortized cost for expected credit losses. The Plan considers historical loss experience, current conditions, and reasonable and supportable forecasts, as applicable, in estimating expected credit losses over the contractual term of the financial assets. At December 31, 2025 and 2024, no allowance for credit losses was considered necessary.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Subsequent Events

Events that occurred subsequent to December 31, 2025 have been evaluated by the Plan's management for potential recognition or disclosure in the financial statements through the date of the independent auditor's report, which is the date the financial statements were available to be issued. The Plan determined there were no subsequent events that require recognition or disclosure.

NOTE 3 – TAX STATUS

The Plan is qualified pursuant to Section 401(a) of the Internal Revenue Code and, accordingly, the investment income is exempt from federal income taxes under Section 401(a) of the Internal Revenue Code. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving its latest determination letter. However, the Plan administrator and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and assets of the Plan will be distributed in accordance with the Plan's provisions.

NOTE 5 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per financial statements	$ 8,514,224	$ 7,522,199

Employer contribution receivable	(199,423)	(250,000)
Net assets available for benefits per Schedule H of Form 5500	$ 8,241,095	$ 7,234,385

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2025:

	Total Additions	Total Deductions	Net Increase
Per financial statements	$ 1,764,366	$ (772,341)	$ 992,025
Loan corrections related to distributed loans	-	(25,430)	(25,430)
Current year accrual of employer contribution	(199,423)	-	(199,423)
Prior period employer contribution receivable	250,000	-	250,000
Current year accrual of employee contribution	(10,462)	-	(10,462)
Per Schedule H of Form 5500	$ 1,804,481	$ (797,771)	$ 1,006,710

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The administrator of the Plan is Standard Insurance Company, which receives fees from Plan participants (see Note 1). The custodian of the Plan is Minnesota Life Insurance Company, which acts as the Plan's trustee and receives fees as a reduction of the return earned on each fund. The Plan loans funds to its participants in accordance with the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan measures its investments at fair value in accordance with ASC 820, Fair Value Measurement. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under this guidance are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2025.

NOTE 7 – FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Pooled separate accounts represent units in an insurance company separate account in which multiple plans may participate. The per-unit value is based on the accumulated value of underlying investments, less applicable liabilities, divided by units outstanding. Net asset value ("NAV") per unit reported by the issuer/administrator is used as a practical expedient to estimate fair value when the investment does not have a readily determinable fair value. Investments measured using NAV as a practical expedient are not categorized within Level 1, Level 2, or Level 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Uncategorized	Total
Pooled Separate Accounts	$ -	$ -	$ -	$ 8,126,715	$ 8,126,715

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Uncategorized	Total
Pooled Separate Accounts	$ -	$ -	$ -	$ 7,108,932	$ 7,108,932

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, a qualified institution certified the completeness and accuracy of the following information included in the accompanying financial statements as of December 31, 2025 and 2024 and for the year ended December 31, 2025:

- Investments, at fair value, and investment at contract value as shown on the statements of net assets available for benefits as of December 31, 2025 and 2024.

- Net appreciation in fair value of investments and interest and dividend income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025.

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited) (Continued)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian:
