Independent Auditors' Report

To the Plan Administrator of the
Loth Holdings, LLC Profit Sharing and 401(k) Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Loth Holdings, LLC Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Loth Holdings, LLC Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report
(Continued)

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Loth Holdings, LLC Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Loth Holdings, LLC Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Loth Holdings, LLC Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Independent Auditors' Report
(Continued)

Auditors' Responsibilities for the Audits of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Loth Holdings, LLC Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

LOTH HOLDINGS, LLC PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Loth Holdings, LLC Profit Sharing and 401(k) (the "Plan") have been prepared on an accrual basis of accounting using accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

Notes Receivable

Notes receivable from participants shall be measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Single Employer Plan

Loth Holdings, LLC Profit Sharing and 401(k) is classified as a single employer plan covering related employers. The related employers covered by the Plan are Loth Holdings, LLC, Loth, Inc., and OptiVia Solutions, LLC, collectively the Company.

Related Party Transactions

Plan investments are held in a Trust exclusively managed by Empower Trust Company. Empower Trust Company is the trustee and record keeper as defined by the Plan, and therefore these transactions qualify as party-in-interest.

Several employees of the Company provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Management believes that the estimates utilized in preparing its financial statements are reasonable and prudent.

Benefit Payments

Benefit payments are recorded when paid.

Subsequent Events

In preparing its financial statements, the Plan Sponsor has evaluated subsequent events through October 13, 2026 which is the date the financial statements were available to be issued.

NOTE 2 PLAN DESCRIPTION

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The original effective date of the Plan was January 1, 1984. The Plan is a defined contribution plan. The Plan is available to all full-time employees of the Company, who are not covered by collective bargaining agreements and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective June 1, 2024 the Plan changed its name from Loth, Inc. Profit Sharing and 401(k) Plan to Loth Holdings, LLC Profit Sharing and 401(k) Plan.

Contributions

A participant may contribute up to 50 percent of pretax annual compensation, as defined in the Plan. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year. Contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended, IRC, ($23,500 at December 31, 2025). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to $7,500. Participants who have attained ages 60 through 63 by the end of the Plan year are eligible to make super catch-up contributions up to $11,250.

The Plan also includes a Roth feature whereby participants are able to make qualifying after-tax contributions.

NOTE 2 PLAN DESCRIPTION (CONTINUED)

Contributions (Continued)

The Plan has adopted provisions to allow for automatic enrollment into the Plan. When new participants become eligible to participate in the Plan, deferrals will be made on their behalf at 6%, unless the participant elects a different deferral percentage or not to participate in the Plan. The Plan has also adopted provisions to allow for automatic deferral escalation. When participants become eligible to participate in the Plan, deferrals made on their behalf will increase by 1% each Plan Year until the amount withheld from their paycheck reaches 10% of their compensation, unless the participant elects a different deferral percentage or not to participate in the Plan.

The Plan allows for the Company to make discretionary employer matching contributions throughout the Plan year and discretionary profit sharing contributions at the end of each Plan year. The Company made discretionary matching contributions of 25% of each participant's elective deferrals, up to a maximum of 6% of eligible annual contributions subject to certain limits required by the IRC for the Plan years ending December 31, 2025 and 2024. The Company did not make a discretionary profit sharing contribution in 2025.

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Participants vest in the Company's matching and discretionary contributions based on years of continuous service. Participants become partially vested in Company contributions after two years with 100% vesting being attained after six years.

Forfeitures

Forfeitures of the Plan are to be used to reduce administrative fees of the Plan or to reduce employer contributions. As of December 31, 2025 the balance of unallocated forfeitures was $199,205. In 2025, $-0- of forfeitures were used to pay Plan expenses.

NOTE 2 PLAN DESCRIPTION (CONTINUED)

Payment of Benefits

Upon a participant's termination of service, participants may receive benefits in accordance with the Plan's provisions and existing laws and regulations.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2.

In conditions of "financial hardship" a participant may apply to the Plan Administrator for approval to withdraw that portion of his 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

Notes Receivable from Participants

Notes receivable from participants are available on amounts in the participant's account. The minimum note receivable amount is $1,000 and the maximum is the lesser of one-half of the participant's vested account balance or $50,000. A participant is permitted to have up to two outstanding notes at any given time. All notes bear interest at a fixed rate as determined by the Plan Administrator. Note receivable terms range from one to five years or beyond five years, as agreed upon by the Participant and Loan Administrator, for the purchase of a primary residence. Outstanding note receivable balances are $158,120 and $208,508 at December 31, 2025 and 2024, respectively.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 TAX STATUS

The Plan Sponsor has adopted a prototype plan. The IRS has determined and informed the prototype plan by letter dated on November 14, 2022, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the prototype provider received the advisory opinion, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

NOTE 4 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The following information provided by Empower Trust Company for the years ended December 31, 2025 and 2024 was certified by them to be accurate and complete:

(a) The assets held at December 31, 2025 and 2024, as well as the transactions involving these assets for the year ended December 31, 2025.

(b) The amount of investment income for the year ended December 31, 2025.

(c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2025.

NOTE 5 FAIR VALUE MEASUREMENTS

GAAP provisions for Fair Value Measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP provisions for Fair Value Measurements are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation approaches used for assets measured at fair value.

Mutual funds: Value at the net asset value ("NAV") of shares held by the Plan at year end.

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Collective investment trust: Valued based on the NAV of units of a collective trust as published by the trustee. The existence of certain conditions can limit the trust's ability of the Plan to transact with participants at fair value of the collective trust. Specifically, any event outside the normal operation of the trust which causes a withdrawal from the investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, layoffs, bankruptcy, plant closings, plan termination, mergers, early retirement incentives, communications designed to induce participants to transfer from the fund, competing fund transfer or violation of equity wash or equivalent rules in the plan, and changes in qualification status of employer or plan. As of December 31, 2025, the occurrence of an event outside the normal operation of the trust which would cause a withdrawal from the investment contract is not considered probable.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at fair value as of December 31, 2025

Total assets at fair value	$ 12,549,077	$ 11,885,111	$ 663,966	$ -

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.
