October 8, 2026
To the Participants and Plan Administrator
Van Hook Service Co., Inc. 401(k) Profit Sharing Plan
Rochester, NY

We have audited the financial statements of Van Hook Service Co., Inc. 401(k) Profit Sharing Plan (the Plan) as of and for the year ended December 31, 2025, and have issued our report thereon dated October 8, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 22, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices[4]

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is:

- Management's estimate of the fair value of investment assets held is based on quoted market prices for identical securities, as well as the trustee's certification of completeness and accuracy. We evaluated the factors and assumptions used to develop the fair value of investment assets and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to:

- The disclosure of investments which represent 5% or more of total Plan net assets in Note 3 to the financial statements was derived by comparing the trustee's schedule of investments held at year end to the calculation of 5% of net assets available for benefits. It is considered to be a more sensitive disclosure as it is currently a specific disclosure required by the Department of Labor.
- The disclosure of information certified by the trustee in Note 3 to the financial statements was derived from the certification statement and its reports attached thereto. The information was considered in determining the necessary audit procedures to apply to the certified and non-certified elements of the financial statements.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. Identified material inconsistencies have been detailed in Note 7 to the financial statements.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Managementy has advised us that there are no uncorrected misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated October 8, 2026.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Administrator, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Van Hook Service Co., Inc. 401(k) Profit Sharing Plan
Rochester, NY

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Van Hook Service Co., Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

Allied CPAs, P.C.

Note 1 – Description of the Plan

The following description of the Van Hook Service Co., Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of Van Hook Service Co., Inc. (the Company). The Plan also provides certain benefits in the event of death, disability, or other termination of employment. The Plan became effective on January 1, 1988, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Company is the plan administrator. Fidelity Management Trust Company (Fidelity) is the trustee of the Plan's assets and also provides record-keeping and other administrative services to the Plan. Fidelity is also the Plan's financial advisor, primarily providing investment management services to the Plan.

Eligibility

Employees who have attained 18 years of age and have completed three months of service are eligible to participate in the Plan. Employer non-elective contributions cannot be made to an eligible employee until they have attained 21 years of age and have completed at least one year of employment with 1,000 hours of service.

Participant Contributions

Participants may make tax-deferred contributions or after-tax (Roth) contributions to the Plan of up to 100% of their compensation, subject to statutory limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan includes an automatic enrollment feature whereby all employees are automatically enrolled in the Plan with a deferral rate of 6%, unless they choose not to participate or elect a different deferral percentage. In addition, participants may make rollover contributions to the Plan.

Employer Contributions

The Company may make discretionary matching contributions on behalf of participants that have made contributions during the plan year and are employed on the last day of the plan year. For participants that are employed on the last day of the plan year and have completed at least 1,000 hours of service during the plan year, the employer can also make Non-Elective contributions at their discretion.

Participant Accounts

Participants direct the investment of their accounts into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, employer contributions, and actual earnings thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and actual earnings/losses thereon. Employer contributions and actual earnings/losses thereon vest 20% after each year of service starting with the second year of service and are fully vested after six years. Participants with a frozen money purchase account balance become fully vested with less than one year of service.

Forfeitures

Forfeitures of non-vested account balances are first used to pay administrative expenses, and then subsequently used to reduce future employer contributions. During both of the years ended December 31, 2025 and 2024, there were no forfeited amounts used to reduce the employer's matching contribution.

Note 1 – Description of the Plan, Continued

Notes Receivable from Participants
Participants may borrow funds from $1,000 up to the lesser of $50,000, or one-half of their vested account balance. Loans must be repaid within 5 years, unless the participant takes a loan out for the purchase of their principal residence, in which case this extends to 10 years. The repayment requirement can be waived for a qualified leave of absence. Amounts borrowed are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%, which is 7.75% at December 31, 2025. Principal and interest are paid through bi-weekly payroll deductions.

Distribution of Benefits
Upon disability, death, retirement, or separation of service from the Company, a participant may elect to receive a lump sum payment or to have their account rolled over to another qualifying investment. The Plan may also make involuntary lump-sum distributions to terminated participants with vested account balances of $1,000 or less. In-service withdrawals from the Plan are permitted from vested accounts by participants that have attained the age of 59 ½ or if the participant qualifies for a hardship withdrawal.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted under certain circumstances.

Administrative Expenses
The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of plan termination, all participant accounts would become fully vested.

Plan Amendments
The Company made modifications to the Plan that were effective in the Summary Plan Description on August 15, 2025. These amendments did not significantly affect benefits and net assets during 2025.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation
The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants
Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Risks and Uncertainties
Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the accompanying financial statements.

Benefit Payments
Benefits are recorded when paid.

Note 2 – Summary of Significant Accounting Policies, Continued

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments in registered investment companies are reported at fair value as reported by the custodian. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Subsequent Events
Subsequent events have been evaluated through October 8, 2026, which is the date the financial statements were available to be issued.

Note 3 – Certified Investment Information

The following information included in the accompanying financial statements and schedule was certified as complete and accurate by Fidelity as of and for the years ended December 31:

	2025	2024

Other investments, individually less than 5%	2,237,876	2,068,859
Total investments, at fair value	$ 24,556,574	$ 19,640,225

During 2025 and 2024, the Plan's investments (including investments bought, sold and held during the year) appreciated in value as follows:

	2025	2024
Net appreciation in value - mutual funds	$ 3,110,645	$ 1,623,663

Note 4 – Fair Value of Financial Instruments

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) *Fair Value Measurement Topic (Topic 820)* establishes a hierarchy for information and valuation used in measuring fair value that is broken down into three levels based on reliability. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities. Level 2 valuations are based on inputs, other than quoted market prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on information that is unobservable and significant to the overall fair value measurements.

Note 4 – Fair Value of Financial Instruments (Continued)

The Plan's assets fell within the ASC 820 hierarchy as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Money market funds	$ 51,690	$ -	$ -	$ 51,690
Mutual funds:				
Fixed Income	23,924,450	-	-	23,924,450
Long-Term Growth Model	283,077	-	-	283,077
Moderate Growth Model	370	-	-	370
Domestic Large-Cap Equity	232,977	-	-	232,977
Domestic Mid-Cap Equity	32,867	-	-	32,867
Domestic Small-Cap Equity	31,143	-	-	31,143
Total mutual funds	24,504,884	-	-	24,504,884
	$ 24,556,574	$ -	$ -	$ 24,556,574

The Plan's assets fell within the ASC 820 hierarchy as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market funds	$ 64,258	$ -	$ -	$ 64,258
Mutual funds:				
Fixed Income	19,122,698	-	-	19,122,698
Long-Term Growth Model	232,785	-	-	232,785
Moderate Growth Model	14,461	-	-	14,461
Domestic Large-Cap Equity	122,898	-	-	122,898
Domestic Mid-Cap Equity	27,665	-	-	27,665
Domestic Small-Cap Equity	55,460	-	-	55,460
Total mutual funds	19,575,967	-	-	19,575,967
	$ 19,640,225	$ -	$ -	$ 19,640,225

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Money Market Funds: Valued at cost or amortized cost, which approximates fair value.

Mutual Funds: Valued at fair value based on quoted market prices in active markets

Note 5 – Tax Status

The Plan adopted a prototype plan document sponsored by Fidelity. An opinion letter was received by Fidelity from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the prototype plan satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. However, although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the accompanying financial statements.

Note 6 – Party-In-Interest Transactions

The Company is the Plan sponsor. As such, transactions between the Company and the Plan qualify as party-in-interest transactions. Transactions involving various service providers as well as notes receivable from participants also qualify as party-in-interest transactions.

Note 7 – Reconciliation to Form 5500

The following is a reconciliation of the Plan's changes in net assets available for benefits per the financial statements to the changes in net assets available for benefits per Form 5500 for the years ended December 31:

	2025	2024
Change in Net Assets Available for Benefits, per the Financial Statements	$ 4,982,663	$ 1,392,219
Plus/(Less): Change in Employer Contributions Receivable	9,928	(7,950)
Change in Net Assets Available for Benefits per Form 5500	$ 4,992,591	$ 1,384,269
