Independent Auditor's Report

To the Plan Administrator
Whirlpool 401(k) Retirement Plan
Benton Harbor, Michigan

Opinion

We have audited the financial statements of Whirlpool 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

To the Plan Administrator
Whirlpool 401(k) Retirement Plan
Benton Harbor, Michigan

Opinion

We have audited the financial statements of Whirlpool 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1) DESCRIPTION OF PLAN

The Whirlpool 401(k) Retirement Plan (the Plan) is a defined-contribution plan sponsored by Whirlpool Corporation (referred to herein as the Employer, Company, Plan Sponsor, or Whirlpool). The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility and Participant Contributions

U.S.-based full-time and part-time employees of Whirlpool and certain affiliates are eligible to participate in the Plan upon employment. Participation in the Plan is voluntary. The Plan allows each participant to make tax-deferred and/or Roth after-tax contributions to the Plan by payroll deduction, each payroll period, in any whole percentage of eligible earnings up to 75%. Additionally, certain employees may make tax-deferred and/or Roth after-tax contributions to the Plan by directing a portion of any annual incentive bonus due to the participant (up to 75% of such bonus) to the Plan.

New employees are automatically enrolled in the Plan at 5% unless they affirmatively opt out of the Plan or make a different deferral election. Employees who are not participating, or are participating at less than 5%, are automatically re-enrolled in the Plan on an annual basis at 5%, unless they affirmatively opt out of re-enrollment or make a different deferral election. If a participant has been automatically enrolled or affirmatively elects to defer a portion of eligible earnings less than 15%, the participant's deferral percentage will automatically be increased by 1% each January 1 until reaching 15%, unless the participant opts out of such increases.

The Plan limits participant contributions to the maximum allowable annual contribution as determined by the Internal Revenue Code (the IRC).

Participants who have attained age 50 by the end of the plan year are eligible to make standard catch-up contributions, subject to the maximum limitations of Section 414(v) of the IRC.

Participant contribution elections are made and can be adjusted on a daily basis by giving notice to the custodian via the voice response system, website, or customer service representative, to be effective, in most cases, as of the beginning of the next payroll period.

Employer Contributions, Vesting and Investment Options

The Plan's provisions for the Employer's discretionary matching contribution are to provide up to a 100% match of the first 3% of employee contributions and 50% of the next 2% of employee contributions. Employees are also eligible to receive an automatic contribution equal to 3% of the employee's eligible compensation. Employer discretionary matching and automatic contributions and tax-deferred contributions are 100% vested at all times.

Company contributions may be made in the form of cash or Whirlpool common stock. In 2025, the discretionary matching contributions and automatic contributions were made to the Plan in common stock only. In March 2024, Whirlpool announced that discretionary matching and automatic contributions for the Plan, equaling up to 7% of participants' eligible compensation, covering substantially all U.S. employees, will be contributed in common stock. In the 2025 plan year, the Company made $78,768,187 in total contributions to the Plan. In the 2024 plan year, the Company made $80,082,717 in total contributions to the Plan, consisting of $18,321,890 in cash contributions and $61,760,826 in stock contributions.

The Whirlpool Corporation Stock Fund within the Plan is an employee stock ownership plan (the Whirlpool Stock Fund). Employer contributions made in Company stock will be initially invested in the Whirlpool Stock Fund. Participants may also direct the investment of their accounts into the Whirlpool Stock Fund. Participants have the option to reinvest dividends in additional shares of Whirlpool stock in the Whirlpool Stock Fund or to receive a cash payout quarterly. All dividends are 100% vested. The Plan does not restrict the participant's ability to transfer amounts out of the Whirlpool Stock Fund, subject to the Company's insider trading policy.

The participants' contributions and the Employer's discretionary matching and automatic contributions made in the form of cash are invested in funds selected by the applicable participant. If a participant does not make an affirmative investment election, any contributions will be invested in the applicable target retirement fund with a target year closest to the year in which the participant will reach age 65.

A self-directed brokerage account is offered whereby participants can choose to invest a portion of their respective account in investments outside the Plan's fund lineup. The self-directed brokerage account has certain trading and contribution restrictions.

Benefit Payments

Distributions Upon Termination

Upon termination, a participant with an account balance of $1,000 or less will receive a single lump-sum cash distribution equal to the value of his or her account. Participants with an account balance that exceeds $1,000 but does not exceed $7,000 will have their balance rolled over to an individual retirement account unless they elect to receive a distribution in cash. Participants with account balances in excess of $7,000 may elect to receive a lump-sum distribution, a monthly, quarterly, or annual installment option over a period of up to 10 years, partial withdrawal of at least $7,000 for participants over age 55, roll over their account balances to an eligible retirement plan, or leave their account balances in the Plan.

In-Service and Hardship Withdrawals

Active participants who experience an immediate and heavy financial hardship may request a hardship withdrawal from their vested accounts. Additionally, active participants may elect to take an in-service withdrawal of all or a portion of their rollover accounts, historical voluntary after-tax accounts, or upon attaining age 59 1/2, their elective deferrals and vested employer matching and discretionary contributions. In-service distributions are also available under certain conditions in the event of a total disability or extended active military service.

Participant Accounts

Deposits and withdrawals from each investment fund and transfers among investment funds are made at the direction of the participants. The plan administrator is responsible for determining that such transactions are in accordance with the Plan.

Income, including market value adjustments, under each of these funds is allocated to the participants' accounts daily based on each participant's equity in the fund. Self-directed brokerage accounts are segregated accounts within the trust fund and are treated for investment purposes as an investment of the account of the participant who has the self-directed brokerage account.

The benefit to which a participant is entitled is equal to the value of the participant's account.

Notes Receivable

The Plan provides for loans to participants in amounts up to the lesser of 50% of the eligible portion of a participant's account balance or $50,000 reduced by the highest balance of all plan loans within the preceding 12 months, with a minimum loan amount of $500. Such loans are allocated to a separate loan account and treated for investment purposes as an investment of the account of the participant who received the loan. Participants may only borrow from the balance of their account resulting from elective deferrals and rollover contributions. In no event can a participant borrow more than $50,000. The loans are secured by the balance in the participant's account and bear interest based on reasonable borrowing rates, which range from 4.25% to 9.5% on notes outstanding at December 31, 2025. The notes are repaid ratably through payroll deductions over a period of 15 years or less. The term of the loan repayments ranges up to 5 years for general purpose loans and up to 15 years for the purchase of a primary residence. Only one non-residential and one residential loan may be outstanding to a loan recipient at any time.

Plan Termination

The Employer has not expressed any intent to terminate the Plan; however, it is free to do so at any time subject to the provisions of the IRC and ERISA.

(2) SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Payment of Benefits

Benefits are recorded when paid, except for loans in default which are accounted for as distributions and included in benefit payments at that time.

Investments Held by the Trust

All the investments of the Plan are held by the trust. The custodian invests assets of the trust according to the participants' directions. Contributions, loan distributions and repayments, and benefit payments are specifically identified to the fund or funds within the trust to which assets of the Plan are credited. Except with respect to self-directed brokerage accounts and participant loans, which are segregated accounts, investment income and related expenses of the trust are allocated daily to the investment funds based on each investment fund's proportionate share of the current value of the trust assets.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Whirlpool Corporation common stock is valued at the last reported sales price on an active national securities exchange on the last business day of the plan year. Mutual funds are valued at quoted market prices, which represent the net asset values of shares at year-end. The fair value of the participation units and shares owned by the Plan in the common and collective trust funds are based on the net asset values at year-end which are based on the fair value of the funds' underlying assets. As of December 31, 2025, the Plan had no unfunded commitments related to these investments, and there are no restrictions or conditions that would prevent the Plan from transacting at net asset value as of the reporting date. Self-directed brokerage accounts primarily consist of mutual funds that are valued at quoted market prices, which represent the net asset values of shares at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments consists of gains (losses) on investments bought and sold as well as held during the year.

Within the common and collective trust funds, the Vanguard Retirement Savings Trust II is designed to deliver safety and stability by preserving principal and accumulated earnings. Participant-directed redemptions have no restrictions; however, the Plan may be required to provide a one-year redemption notice to liquidate its entire share in Vanguard Retirement Savings Trust II.

All other trusts within the common and collective trust funds use an asset allocation strategy that is designed for investors planning to retire and leave the workforce in or within a few years of the target year. The common and collective trusts' asset allocation will become more conservative over time. There are currently no redemption restrictions on these investments.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

In general, the Plan's expenses, except for broker commissions, self-directed brokerage account fees, portfolio transaction fees, record keeping fees, and investment management fees (all of which are paid by participants) are paid by Whirlpool, to the extent not paid out of forfeitures.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements, accompanying notes and supplemental schedule. Actual results may differ materially from those estimates.

(3) FAIR VALUE MEASUREMENTS

Investments held by the Plan are stated at fair value. Fair value is measured based on an exit price, representing the amount that would be received upon selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. As such, fair value is a market-based measurement that should be based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, a three-tiered fair value hierarchy is established, which prioritizes the inputs to valuation techniques used in measuring fair values as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted price in active markets, that are observable either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

See Note 2 for a description of the valuation techniques and inputs used for each general type of assets measured at fair value. There have been no changes in the techniques and inputs used to measure fair values at December 31, 2025. The Plan had no Level 2 or 3 assets or liabilities at December 31, 2025 and 2024.

Assets measured at fair value are as follows:

December 31, 2025	Quoted Prices (Level 1)	Total
Mutual funds	$ 894,039,462	$ 894,039,462
Self-directed brokerage accounts	39,101,912	39,101,912
Whirlpool Corporation common stock	174,390,816	174,390,816
	$ 1,107,532,190	$ 1,107,532,190
Common/collective trust funds measured at net asset value:*		
Target retirement		$ 2,337,561,863
Fixed income		187,936,390
Total common/collective trust funds		2,525,498,253
Total investments at fair value		$ 3,633,030,443

December 31, 2024	Quoted Prices (Level 1)	Total
Mutual funds	$ 1,015,878,839	$ 1,015,878,839
Self-directed brokerage accounts	38,773,473	38,773,473
Whirlpool Corporation common stock	187,585,224	187,585,224
	$ 1,242,237,536	$ 1,242,237,536
Common/collective trust funds measured at net asset value:*		
Target retirement		$ 1,952,592,938
Fixed income		212,912,410
Total common/collective trust funds		2,165,505,348
Total investments at fair value		$ 3,407,742,884

*The investments in common/collective trust funds are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the date of the event of change in circumstances that caused the transfer. There were no significant transfers between levels of the fair value hierarchy during 2025 or 2024.

(4) INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (the IRS) dated September 8, 2014, stating that the Plan, as then designed, is qualified under Section 401(a) of the IRC and that the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated, and is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor believes the Plan is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan, as amended, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

(5) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Of the Plan assets invested in such securities, 4.7% for 2025 and 5.4% for 2024 was invested in the Whirlpool Stock Fund, which primarily holds Whirlpool publicly traded stock.

(6) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds units of common and collective trust funds and shares of mutual funds managed by Vanguard Fiduciary Trust Company, the custodian of the Plan. The Plan also invests in the common stock of the Company. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Certain Plan investments throughout the year represented shares of various types of investments that were managed by the trustee. The Plan also pays certain professional fees for administrative, investment consulting and audit services for the Plan. The Plan paid $2,291,855 and $2,390,278 in administrative fees to the custodian and recordkeeper during the years ended December 31, 2025 and 2024, respectively.

The Plan investments include shares of common stock of the Company, which is considered a party-in-interest. During the years ended December 31, 2025 and 2024, the plan recorded income related to dividends from shares of Company common stock of $10,389,381 and $9,756,749, respectively. As of December 31, 2025 and 2024, the Plan owned 2,417,394 and 1,638,585 shares of Company common stock, respectively. Notes receivable from participants are also considered party-in-interest transactions.

(7) SUBSEQUENT EVENTS

The Company evaluated subsequent events through June 25, 2026, the date the financial statements were issued, and determined that there were no subsequent events to report.
