INDEPENDENT AUDITOR'S REPORT

To the Participants, the Administrative Committee
and Plan Administrator of
Home Federal Bank of Tennessee Medical Insurance Plan
Knoxville, Tennessee

Opinion

We have audited the financial statements of Home Federal Bank of Tennessee Medical Insurance Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at year end and reportable transactions as of or for the year December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HOME FEDERAL BANK OF TENNESSEE
MEDICAL INSURANCE PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Home Federal Bank of Tennessee Medical Insurance Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan provides for illness, injury, and other health care benefits for all eligible employees and covered dependents of Home Federal Bank of Tennessee (the Bank). Certain Plan assets are held in a voluntary employees' benefit association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits - The Plan provides health benefits (medical, vision, dental, and prescription drugs) covering full-time employees and permanent part-time employees of the Bank. The Plan also provides continuing coverage benefits to "qualified beneficiaries" in accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits - The Plan fully insures vision and dental benefits. The Plan purchases annual insurance contracts for the insured benefits. Premiums for the insured benefits are paid to the insurance company from the assets of the VEBA trust and recorded as insurance premiums in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Self-Insured Benefits - All other Plan benefits are self-insured. The claims for the self-insured benefits (medical and prescription drugs) are processed by BlueCross BlueShield of Tennessee, the Plan's third-party claims processor under an administrative services only (ASO) arrangement. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop Loss Coverage - The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims) for medical claims, including prescription drugs, regarding individual participant claims over $225,000.

Administrative Expenses - The Plan pays administrative expenses that consist primarily of administrative fees paid to a third-party claims administrator. These expenses are reported on the statement of changes in benefit obligations and net assets available for benefits. Certain administrative expenses are paid by the Bank on behalf of the Plan.

Contributions - Coverage premiums are set by the Bank based on its determination of expected claims for the current period. In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Bank makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Bank on a pay-as-you-go basis. Participants pay 100% of the costs for dental and vision benefits.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting and Use of Estimates - The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements is in accordance with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Assets - The Plan's assets are held by Home Federal Bank of Tennessee Trust Department which serves as the asset manager and handles all distributions for the trust.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by investment advisers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis.

Payment of Benefits - Premiums paid by the VEBA trust are recorded as insurance premiums in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Claim payments are recorded when paid. Amounts due that have yet to be reimbursed by the Plan are recorded as a payable in the accompanying statements of net assets available for benefits. These payments are recorded as claims reported and approved for payment and claims incurred but not reported in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Stop Loss - Premiums for stop loss insurance are included in excess loss insurance premiums in the accompanying statement of changes in net assets available for benefits. The Plan did not have any stop loss refunds to net against claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025.

Refunds - Refunds due from the Plan’s PBM are recorded when earned. Pharmacy rebates totaling $412,215 (including the receivable of $117,549) have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025.

Benefit Obligations - Plan benefit obligations as of December 31, 2025 for medical and prescription drug claims incurred by active participants, but not reported at that date, are estimated by the Bank based on claims data provided by the Plan’s third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. Such amounts are reported at an undiscounted amount because amounts are payable within one year. Any differences in the amounts estimated and actual amounts paid will be reported in future years.

Subsequent Events - The Plan’s management has evaluated subsequent events through October 6, 2026, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for the Plan's assets measured at estimated fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Fund: Valued at the daily closing price as reported by the fund. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
As of December 31, 2025				
Money Market Fund	$ 806,721	$ 0	$ 0	$ 806,721
As of December 31, 2024				
Money Market Fund	$ 863,509	$ 0	$ 0	$ 863,509

NOTE 4 - ADMINISTRATIVE CONTRACT

Medical and pharmacy claims of the Plan are administered by BlueCross BlueShield of Tennessee, the Plan's third-party administrator, under the terms of an administrative contract. The contract requires performance of services necessary for the operation and conduct of the day-to-day business of the Plan. As compensation for its services, the third party receives a monthly fee based upon the number of participants in the Plan. During 2025, the fees paid related to this contract were $157,256.

NOTE 5 - TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Bank has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Bank or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of claims paid per the financial statements to the Form 5500 as of December 31, 2025:

Claims Paid Per the Financial Statements	$	2,522,356
Add: 2025 Health Claims Payable		105,509
Less: 2024 Health Claims Payable		(98,472)
Claims Paid to Participants Per Form 5500	$	2,529,393

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held in trust by the Bank's trust department. The Bank provides the Plan with certain accounting and administrative services for which no fees are charged. As described in Notes 1 and 4, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The estimated current benefit obligations incurred but not reported are based on certain assumptions pertaining to interest rates, healthcare inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in these estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.
