Independent Auditors' Report

To the Committee of Trustees
Viking Yacht Company Retirement Savings Plan
Cherry Hill, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Viking Yacht Company Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Viking Yacht Company Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Committee of Trustees
Viking Yacht Company Retirement Savings Plan
Cherry Hill, New Jersey

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Viking Yacht Company Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Viking Yacht Company Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Viking Yacht Company Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Viking Yacht Company Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document and/or the Summary Plan Description for a more complete description of the Plan's provisions.

General

Effective February 1, 1987, the Viking Yacht Company ("Company") established a defined contribution savings plan for its employees. The Plan meets the requirements of Internal Revenue Code Section 401(k) which permits employees to exclude contributions to the Plan from their current taxable income, subject to certain limits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees who are 18 years of age and complete six months of service are eligible to participate. For purposes of elective deferral contributions and employer matching contributions, employees are able to enter the Plan the first day of the calendar month coinciding with or next following the date on which the employee meets the eligibility requirements. For all other purposes, employee participation beings as of the first of the quarter coincident with or next following the date on which the employee meets the eligibility requirements.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company contributions and an allocation of the Plan's gains or losses and charged with an allocation of investment expenses. The Plan's earnings and investment expenses are allocated according to participants' relative account balances in the investment options. Certain participant and loan fees, if applicable, are also charged to participant accounts.

Participation, Vesting and Withdrawals

Employees may elect to contribute from 1% to a maximum of 15% of their base or gross salary, not to exceed $23,500 ($31,000 for employees age 50 through 59 and older than 64) ($34,750 for employees age 60 through 63) in 2025 ("basic contribution"). For every dollar an employee invests up to 10% of compensation, the Company will provide a 50% "matching contribution". In addition, effective for Plan years beginning January 1, 2005, the Company will match 50% of any "catch-up" contributions. The Company's Board of Directors, at its sole discretion, may make a "supplemental contribution". No "supplemental contributions" were authorized or made during 2025.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Participants are immediately vested in their voluntary contributions. In addition, Company matching contributions to participants' accounts and rollover contributions from the Company's terminated defined benefit plan, as well as the related earnings thereon, are fully vested at all times. Company discretionary contributions to participants fixed and supplemental contribution accounts, if any, as well as related earnings thereon, vest as follows:

Years of Service	Vested Percentage
Less than 2 years	0%
After 2 years but less than 3	20%
After 3 years but less than 4	40%
After 4 years but less than 5	60%
After 5 years but less than 6	80%
After 6 years or more	100%

The opportunity to withdraw contributions originally excluded from taxable income is limited by the Internal Revenue Code contingent upon attaining age 59-1/2 or for certain situations involving hardship.

Notes Receivable from Participants

Participants may borrow the lesser of one-half of their vested account balance or $50,000. The minimum loan is $1,000. Loans are repaid through bi-weekly payroll deductions over a period not to exceed five years, unless the loan is used to acquire a dwelling unit which is the borrower's principal residence, then repayment within a reasonable period of time. Interest on loans is charged at the prime rate. Loans are secured by the pledge of the participant's interest in the Plan.

Benefits

Participants are entitled to a benefit payment equal to the amount credited to their account, valued in accordance with Plan provisions described above, upon retirement, age of 59-1/2, permanent disability, termination of employment or death. Payments are generally distributed in a lump sum subject to certain restrictions as defined in the Plan.

Forfeitures

Forfeitures of terminated participants' nonvested accounts may be used to reduce the amount of future contributions required to be made to the Plan by the Company or to pay plan expenses.

As of December 31, 2025 and 2024, there were no forfeited accounts.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Administrative Costs

Administrative expenses of the Plan are paid or reimbursed by the Company.

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act; however, plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

Effective 1/1/2025, the plan amended the loan policy to allow participants to maintain up to three outstanding loans at one time. There is no limitation on the number of loans permitted during any twelve (12) month Plan Year so long as the number of loans does not exceed the limit allowed per the adoption agreement.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Viking Yacht Company Retirement Savings Plan (the Plan) are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies (mutual funds) are stated at fair value as reported by the Investment Manager using quoted market prices available in active markets. The investment in the common collective trust is stated at fair value using net asset value as a practical expedient.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date.

The value of the assets of the Plan will be determined as of the last day of each Plan year quarter.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document. Loan interest is recognized as accrued.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Distributions to Participants

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Date of Management's Review

Management has evaluated subsequent events through October 6, 2026, the date which the financial statements were available to be issued.

NOTE C - RELIANCE ON CUSTODIAN'S REPORT

The administrator of the Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by Fidelity Personal Trust Company, the custodian of the Plan, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedules. The information certified by the custodian, which was relied upon in the preparation of these financial statements and schedules, includes:

	2025	2024
Interest bearing cash	$ 102,228	$ 104,369
Mutual funds	91,158,304	81,117,432
Common/collective trust	30,694,936	31,354,947
Investment income		
Interest and dividends	6,703,310	*
Net appreciation in value of common/collective trust	2,447,422	*
Net appreciation in value of mutual funds	2,519,476	*

*2024 investment income was not presented in the financial statements.

See the independent auditors' report

NOTE D - FAIR VALUE OF FINANCIAL INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds

Mutual funds have quoted market prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

Common/Collective Trust

Common collective trust is stated at net asset value per share as a practical expedient.

NOTE D - FAIR VALUE OF FINANCIAL INVESTMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	2025	
	Quoted Prices in Active Markets (Level 1)	Net Asset Value (a)
Mutual funds	$ 91,158,304	$ -
Common/collective trust	-	30,694,936
	$ 91,158,304	$ 30,694,936

	2024	
	Quoted Prices in Active Markets (Level 1)	Net Asset Value (a)
Mutual funds	$ 81,117,432	$ -
Common/collective trust	-	31,354,947
	$ 81,117,432	$ 31,354,947

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

	Fair Value		Unfunded	Redemption	Redemption Notice
Investment Type	2025	2024	Commitments	Frequency	Period
Common/collective trust	$ 30,694,936	$ 31,354,947	None	Daily	None

See the independent auditors' report

NOTE E - TAX STATUS

The prototype plan has received an opinion letter dated June 30, 2020 from the IRS that the prototype plan sponsored by Fox Rothschild LLP and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan, as amended, is currently designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Investment fees that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. The total amount of fees deducted was $61,792 for the year ended December 31, 2025.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note G, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Certain operating expenses are paid by the Plan sponsor on behalf of the Plan. Notes receivable from participants qualify as party-in-interest transactions. Certain investments of the Plan are managed by the custodian.

NOTE I - PLAN TERMINATION

Although it has not expressed any interest to do so, the Company, as Plan administrator, may amend or terminate the Plan. However, in the event of Plan termination, the accounts of all participants affected shall become fully vested and non-forfeitable. Assets remaining in the trust fund will be distributed to the participants, former participants and beneficiaries in proportion to their respective account balances.

NOTE J - LATE REMITTANCES

When participant payroll deferrals are not remitted within the appropriate time period by the Company, these transactions constitute prohibited transactions as defined by ERISA.

During the year ended December 31, 2025, employee contributions aggregating $8,848 were not remitted timely by the Company. Lost earnings will be calculated, and the Company plans to remit the lost earnings to the Plan.

During the year ended December 31, 2024, employee contributions aggregating $14,824 were not remitted timely by the Company; however the necessary corrections were made by the Company. Lost earnings were determined, and the Company remitted the lost earnings to the Plan.

NOTE K - SUBSEQUENT EVENT

Effective January 1, 2026, the plan was amended to allow in-plan transfers in which a participant's pre-tax account balance may be transferred to a Roth account.
