# INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Somerset Pediatric Group Profit Sharing Plan:

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Somerset Pediatric Group Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Somerset Pediatric Group Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"A.J. Santye & Co." is the brand name under which A.J. Santye & Co. P.A. ("AJ Santye CPA") and A.J. Santye Advisors, LLC ("AJS Advisors") provide professional services. AJ Santye CPA and AJS Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AJ Santye CPA is a licensed independent CPA firm that provides attest services to its clients, and AJS Advisors provides tax and business consulting services to their clients. AJS Advisors is not a licensed CPA firm.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Somerset Pediatric Group Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Somerset Pediatric Group Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Somerset Pediatric Group Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Somerset Pediatric Group Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets Held For Investment Purposes at December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## (1) Description of plan:

The following description of the Somerset Pediatric Group Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

### General -

The Plan is a defined contribution plan established on January 1, 1970 for all eligible employees of Somerset Pediatric Group, LLC. (the "Company"). An employee may enter the Plan on the first day of the plan year and the first day of the seventh month of the plan year subsequent to attaining age 20 and completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### Contributions -

Eligible participants may elect to contribute from 1 to 25 percent of pretax annual compensation as defined by the plan in addition to after tax Roth contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. In 2025, the Company made safe harbor contributions of an amount equal to 3% of participant plan compensation for the plan year. In 2021, the plan was amended so that only non-highly compensated employees are eligible for the non-elective safe harbor contribution. During the years 2025 and 2024, the total safe harbor match contributions were $150,710 and $112,079, respectively.

The Plan also allows, at the discretion of the Company, a profit-sharing contribution to be made each year. For the plan years ending December 31, 2025 and 2024, profit-sharing contributions were $164,290 and $202,921, respectively, were made based on standards set forth in the Plan documents.

Rollover contributions (contributions from participants' prior plans) are permitted. During the years 2025 and 2024, rollover contributions were $2,422,811 and $93,956, respectively.

### Participant accounts -

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution (b) Plan earnings (losses) (c) the Company's profit-sharing contribution and (d) forfeitures of terminated participants' nonvested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting -

Participants are vested immediately in their own contributions, safe harbor contribution and actual earnings thereon. Vesting in the profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 6 years of credited service. All years of service will be counted except those with less than 1,000 hours.

## (1) Description of plan (continued):

### Payments of benefits -

On termination of service due to death, disability, retirement or due to other reasons, the participant may elect to receive a lump-sum amount equal to the vested portion of his or her account. Alternatively, the plan does allow installment payments.

### Forfeited accounts -

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $2,534 and $4,337, respectively. These accounts will be used to reduce future employer contributions. In 2025 and 2024, employer contributions were reduced by $2,500 and $0 respectively, from forfeited non-vested accounts.

## (2) Summary of significant accounting policies:

### Basis of accounting -

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

### Use of estimates -

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

### Investment valuation and income recognition -

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses, unrealized appreciation and depreciation have been combined and shown as net appreciation (depreciation) by the record keeper. Interest and dividends are recorded on the date received by the custodian.

## (2) Summary of significant accounting policies (continued):

### Excess contributions payable -

Amounts payable to participants for contributions in excess of the amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions in 2025 or 2024.

### Payment of benefits -

Benefits are recorded when paid.

### Expenses -

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in the net appreciation in fair value of investments.

## (3) Fair value measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical or similar assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and 3 inputs for the periods presented.

*Level 1 Inputs* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

*Level 2 Inputs* - Market inputs, other than Level 1 quoted prices, for identical or similar assets or liabilities that are observable either directly or indirectly.

*Level 3 Inputs* – Unobservable inputs, that are derived from predictable assumptions that cannot be corroborated by observable market data - normally internally-generated management assumptions developed from the perspective of market participants.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual funds*: Valued at quoted market prices which represents the net asset value ("NAV") of shares held by the plan at year end.

## (3) Fair value measurements (continued):

*Common/Collective Trust:* Contract value of the common/collective trust represents contributions made under the contract, plus earnings, less Plan withdrawals and administrative expenses. Contract value approximates fair value. Fair value represents the NAV of the trust as a practical expedient. Investments in wrapper contracts are reported at fair value as determined using a discounted cash flow model, which considers recent fee bids as determined by recognized dealers, discount rate, and the duration of underlying portfolio securities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024 –

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $ 23,014,560 | - | - | $ 23,014,560 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $ 18,709,799 | - | - | $ 18,709,799 |

**Investments Measured Using the NAV per Share Practical Expedient**
In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The following table sets forth a summary of the Plan's investments for which fair value is estimated using NAV per share practical expedient as of December 31, 2025 and 2024 -

| | Fair Value | | | | |
|---|---|---|---|---|---|
| | **December 31, 2025** | **December 31, 2024** | **Unfunded Commitments** | **Redemption Frequency (if Currently Eligible)** | **Redemption Notice Period** |
| Invesco Stable Value Ret CL 5 | $ 3,349,306 | $ 1,807,204 | N/A | Daily | None |
| Invesco Stable Val Ret CL 5 GM | 847,995 | 463,316 | N/A | Daily | None |
| Total common/collective trusts | $ 4,197,301 | $ 2,270,520 | | | |

## (3) Fair value measurements (continued):

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2, and in and out of Level 3, as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no transfers between Level 1 and 2 and no transfers into or out of Level 3.

## (4) Certified investments:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Bank of America, N.A.:

| | 2025 | 2024 |
|---|---|---|
| Investments, at fair value: | | |
| - Mutual Funds | $ 23,014,560 | $ 18,709,799 |
| - Common/Collective Trusts | $ 4,197,301 | $ 2,270,520 |
| Net appreciation in fair value of investments | $ 2,431,395 | |
| Interest and dividend income | $ 778,601 | |

## (5) Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become fully vested in their accounts and employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

## (6) Tax status:

The Plan has adopted a prototype "non-standardized" plan and the prototype sponsor (Somerset Pediatric Group, LLC.) has received a determination letter from the Internal Revenue Service dated March 31, 2014, indicating that the prototype Plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code. Although the plan has been amended since the formation, the Plan administrator believes that the Plan is designed, and currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt. A plan restatement and new adoption agreement was completed in 2021, effective January 1, 2022.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that are more likely than not to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## (7) Risk and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## (8) Reconciliation of Financial Statements to Schedule H of Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Schedule H of Form 5500:

| | 2025 | 2024 |
|---|---|---|
| Net Assets available for benefits, financial statements | $ 27,526,861 | $ 21,295,319 |
| Employer contributions receivable | (315,000) | (315,000) |
| Net assets available for benefits, Form 5500 | $ 27,211,861 | $ 20,980,319 |

The following is a reconciliation of change in net assets available for benefits per the financial statements for the year ended December, 2025 to Form 5500:

| | 2025 |
|---|---|
| Change in net assets available for benefits, financial statements | $ 6,231,542 |
| Change in employer contributions | - |
| Change in net assets available for benefits, Form 5500 | $ 6,231,542 |

Employer contributions are recorded as income on the Form 5500 when received.

## (9) Subsequent Events:

The Plan management has evaluated subsequent events through September 30, 2026, the date the financial statements were available to be issued.
