Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of NPR of America, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of NPR of America, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

-Continued-

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of NPR of America, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NPR of America, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NPR of America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

-Continued-

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NPR of America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Plan Description

The following description of the NPR of America, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined-contribution plan covering all eligible employees of NPR of America, Inc. (the "Company") The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective Date: January 1, 2009

Restatement Date: January 1, 2022

Anniversary Date: December 31

Valuation Date: Annually

Eligibility: All new employees, excluding union employees, non-resident aliens, and residents of Puerto Rico, become eligible to participate in the salary deferral benefit under the Plan, including discretionary employer matching contributions, when they have attained age 18 or older and completed three months of service.

Compensation: Compensation is defined as salary or wages, including any overtime, commissions, bonuses, or tips, but excluding compensation paid during the "determination period" while not a participant in the component of the Plan for which the definition applies, contributions by the employer to the Plan, post-severance compensation, leave cash outs, and payments from non-qualified unfunded deferred compensation plans.

Normal Retirement Date: The Plan defines the normal retirement date as the anniversary date coinciding with or next following the date of the participant's 65th birthday.

Early Retirement Date: The Plan defines the early retirement date as the anniversary date coinciding with or next following the date of the participant's 55th birthday

Disability Retirement Date: Disability retirement shall be upon total and permanent disability under the federal Social Security Act.

Retirement Benefits: At the applicable retirement date, each participant shall be entitled to receive the vested interest in their trust account.

Death Benefits: If a participant dies before their normal retirement date, their designated beneficiary vests 100% in the participant's account.

Participant Accounts: Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Plan Description - Continued

Notes Receivable from Participants: Participant loans are not permitted from the Plan.

Participant Contributions: Each year, participants may contribute up to 100% of pretax annual compensation, not to exceed contribution limits established by the Internal Revenue Service ("IRS"). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. Contributions are automatically invested in a designated balance fund until changed by the participant. Participants who are auto-enrolled will have an annual increase in their deferral rate of 1% up to a maximum of 6% of eligible compensation. A participant may make catch-up contributions of up to $7,500 if the participant has attained age 50 by the end of the calendar year. The Plan currently offers various mutual funds as investment options for participants. Participants may modify salary deferral elections at any time, to be effective as of the first day of the following payroll period. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions: The Company may elect to make discretionary matching contributions to the Plan. For the year ended December 31, 2025, the employer matched 50% of deferrals up to 6% of compensation, totaling $123,789.

Vesting: Participants are immediately 100% vested in all elective deferrals made to the Plan, and any investment earnings from these deferrals. Employer discretionary matching contributions shall vest on a graded schedule: 20% after 2 years, 40% after 3 years, 60% after 4 years, 80% after 5 years, and 100% after 6 years.

Forfeitures: As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $3,419 and $73,825, respectively. $95,000 in forfeitures were utilized during 2025 to reduce employer contributions.

Investment Options: Upon enrollment in the Plan, a participant may direct up to 100% of employee contributions in any of the available investment funds offered. Participants may change their investment options at any time.

Guaranteed Interest Accounts: Investments in these funds are through a group annuity contract with participant principal and interest fully guaranteed by the entire general account assets of Standard Insurance Company. Daily interest is credited to the account. The credited interest rate may change based on the investment portfolio of the account.

Hardship Distributions: Hardship distributions are permitted from participants' pre-tax elective deferrals, Roth elective deferrals, and Employer non-elective contributions. In order to qualify for a hardship withdrawal, the participant must satisfy the legal requirements of a financial hardship as defined by Internal Revenue Code ("IRC") regulations.

Payment of Benefits: Upon retirement, termination of service, disability, or attainment of age 65, a participant or their beneficiaries may elect to receive a lump-sum amount or annuity payments equal to the value of the participant's vested interest in their account. For vested balances of $5,000 or less, participant consent is not required for the distribution.

2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan have been prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value as determined by The Standard Insurance Company, except for the fully benefit-responsive investment contract, which is reported at contract value. The fair values of the mutual fund investment accounts are reported using a unit value giving consideration to the income, cost, and sales comparison approaches of estimating property value. Purchases and sales of units are recorded on valuation dates, as are the earnings on mutual funds. Interest income is recorded on an accrual basis and is shown as an addition in the statement of changes in net assets available for benefits. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company, as provided by the Plan document. The expenses paid using the Plan’s assets will generally be allocated among the accounts of participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balance or as an equal dollar amount based on the number of participants in the Plan. Expenses that are paid by the Company are excluded from these financial statements.

Evaluation of Subsequent Events: The Plan has evaluated subsequent events through September 30, 2026, which is the date the financial statements were available to be issued.

3. Information Certified to by Plan Custodian (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends, for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (trustee of the Plan) and Standard Insurance Company (insurance):

	2025	2024
Total investments	$ 5,931,759	$ 5,324,668
Net investment income	$ 763,137	$ 491,227
Dividend income	$ 154,508	$ 129,905
Other interest	$ 1,245	$ 1,898
Insurance contract value	$ 2,021	$ 74,964

4. Fair Value Measurements (Unaudited)

Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820-10, *"Fair Value Measurements and Disclosures,"* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or 2 inputs are not available.

Level 1 Inputs - The values of mutual fund investment accounts are reported using a unit value based on quoted market prices in active markets for identical assets that the Plan has the ability to access at year-end.

No Level 2 or 3 inputs were available to the Plan at December 31, 2025 or 2024.

Input Levels by Investment Category:

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2025				
Mutual Funds	$ 5,929,738	$ 5,929,738	$ -	$ -
Total	**$ 5,929,738**	**$ 5,929,738**	**$ -**	**$ -**
December 31, 2024				
Mutual Funds	$ 5,249,704	$ 5,249,704	$ -	$ -
Total	$ 5,249,704	$ 5,249,704	$ -	$ -

5. Fully Benefit-Responsive Investment Contract (Unaudited)

The Plan holds a traditional fully benefit-responsive investment contract, a group annuity contract with Standard Insurance Company (Standard). Standard maintains the contributions in its general account. The contract has no specific underlying assets assigned to it. Standard is contractually obligated to repay principal and interest credited to the Plan. Interest is credited to participant accounts daily at a rate set by Standard. The rate is based on the investment portfolio of the general account. It may change periodically at Standard's discretion and is not guaranteed through a specific maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value in the statements of net assets available for benefits, as required by FASB ASC 962-325-35-5. Contract value is the relevant measure for fully benefit-responsive investment contracts because it is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus interest credited, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025, and 2024 was $2,021 and $74,964, respectively.

The Plan's ability to receive amounts due depends on the issuer's ability to meet its financial obligations. Future economic and regulatory developments may affect the issuer's ability to meet its contractual obligations.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include (a) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan; (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (c) bankruptcy of the Plan sponsor, or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary), that cause a significant withdrawal from the Plan; (d) the failure of the trust to qualify for exemption from federal income taxes or for any required prohibited transaction exemption under ERISA; and (e) premature termination of the contract.

The Plan administrator does not believe that the occurrence of any event that would limit the Plan's ability to transact at contract value with participants is probable.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines; (b) a breach of a material obligation under the contract; (c) a material misrepresentation; and (d) a material amendment to the agreement without the issuer's consent.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. Plan Termination - continued

During the year ended December 31, 2025, the Plan Sponsor implemented a workforce reduction that resulted in the termination of employment of over 20% of the Plan's active participants. As the reduction rate exceeded the 20% threshold established under Revenue Ruling 2007-43, the Plan Sponsor determined that a partial plan termination occurred under Internal Revenue Code Section 411(d)(3) during the plan year.

As a result of the partial plan termination, all non-vested balances of participants affected by the workforce reduction became fully vested as of the respective dates of termination of the individuals. However, a number of affected individuals experienced forfeitures from their account distributions, and the related amounts totaling $4,144 have been accrued at year-end to be corrected in the subsequent year.

7. Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Parties-in-Interest

MMA Securities, LLC is an investment advisor to the Plan. MMA Securities, LLC is a service provider of the Plan; therefore, transactions with MMA Securities, LLC are party-in-interest transactions. Fees paid to MMA Securities, LLC by the Plan totaled $19,028 for the year ended December 31, 2025.

StanCorp Financial Group is an administrator for the Plan. StanCorp Financial Group is a service provider to the Plan; therefore, transactions with StanCorp Financial Group are party-in-interest transactions. Fees paid to StanCorp Financial Group by the Plan totaled $46,774 for the year ended December 31, 2025.

WellsColeman performed the audit for the year ended December 31, 2025. WellsColeman is a service provider of the Plan; therefore, transactions are party-in-interest transactions. Fees are paid by the Plan sponsor.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
