This Form is Open to Public Inspection

For calendar plan year 2025 or fiscal plan year beginning 01/01/2025 and ending 12/31/2025

A Name of plan
BOSTON INSURANCE EMPLOYEE BENEFIT TRUST - DFE

B Three-digit plan number (PN) ▶ 501

C Plan sponsor's name as shown on line 2a of Form 5500
BOSTON INSURANCE EMPLOYEE BENEFIT TRUST - DFE

D Employer Identification Number (EIN)
04-2782032

Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To Professional Pensions, Inc.
Administrative Consultant for the
Boston Insurance Employee Benefit Trust
Wallingford, Connecticut

Opinion

We have audited the accompanying financial statements of the Boston Insurance Employee Benefit Trust (Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Boston Insurance Employee Benefit Trust (Trust) as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Insurance Employee Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Insurance Employee Benefit Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Insurance Employee Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Insurance Employee Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - TRUST DESCRIPTION

Trust Description

Boston Insurance Employee Benefit Trust (Trust) was created in 1966, and was most recently amended and restated in October 2004, to provide insurance benefits to participants, using fully insured contracts, where the employer is the contract holder.

The Trust is a welfare benefit fund within the meaning of section 419(e) of the Internal Revenue Code (Code). A welfare benefit fund includes any trust which is not exempt from tax under Chapter 1 of Subtitle A of the Code, which is part of a plan of an employer, and through which the employer provides welfare benefits to employees or their beneficiaries.

The Trust is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), and is classified as a group insurance arrangement. A group insurance arrangement provides benefits to the employees of two or more unaffiliated employers, fully insures one or more welfare plans of each participating employer, and uses a trust as the holder of the insurance contracts and the conduit for payment of premiums to the insurance company.

Trustee

For the year ended December 31, 2024, the Trustee was Delaware Charter Guarantee & Trust Company, conducting business as Principal Trust Company. Principal Trust Company was a related party, described in Note 3. Principal Trust Company resigned as Trustee in March of 2025, and a new Trustee, Risk Strategies Consulting was appointed as trustee. Pursuant to the trust document, the trustee cannot take any action or exercise its powers without the written direction of Professional Pensions, Inc. (see Note 3) who is appointed by the Trustee.

Trust Benefits

The Trust provides group insurance benefits to employees of unaffiliated employers. The Trust has contracted with several insurance companies to provide medical, dental, disability, accident and life insurance benefits to employees of participating employers. Participating employers select the benefits they wish to provide to their employees. All of the risks associated with benefit payments or claims have been borne by the insurance companies through fully insured contracts.

Termination

If the Trust were to terminate, its net assets would be used for the exclusive benefit of the participants or the administrative expenses of the Trust. No part of the corpus or income of the Trust would be paid to the employers.

Trust Taxation

Each year, the Trust is liable for paying income tax on the amount by which its realized investment income exceeds its administrative expenses paid, if any. The Trust was not liable for any income taxes for the years ended December 31, 2025 and 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method
The financial statements of the Trust have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition
The Trust's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Trust management determines the Trust's valuation policy utilizing information provided by the investment advisers, custodians and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net (depreciation) appreciation includes the Trust gains and losses on investments bought and sold as well as held during the year.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Subsequent Events
The Trust has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.

NOTE 3 - RELATED PARTY TRANSACTIONS

Professional Pensions, Inc. (PPI), the designated administrator of the Trust, provides all administrative services to the Trust and has been delegated substantial authority to direct all activities of the Trust including operational and managerial functions.

PPI earned fees for services in 2025 and 2024 of $649,736 and $213,993, respectively. The fees are comprised of a flat monthly underwriting fee, which changes from time to time, and an administrative fee which is computed by applying an approved rate to monthly premiums paid by selected employers. The underwriting fee for December 31, 2025 and 2024 was $0. The administrative fee for 2025 and 2024 was $649,736 and $213,993, respectively. In addition, PPI pays certain operating expenses of the Trust and invoices the Trust for the reimbursement. The balance due to PPI at December 31, 2025 was $216,345 and the balance due from PPI at December 31, 2024 was and $104,733.

PPI earns commissions from various insurance carriers on premiums paid to those carriers by the Trust. These commissions are paid directly to PPI by the respective insurance companies.

NOTE 3 - RELATED PARTY TRANSACTIONS – (CONTINUED)

The Trust contracted with PFG to provide participants with life, disability, and dental coverage. The total premium for this coverage for 2025 and 2024 was $1,053,227 and $1,485,728, respectively. There was no amount due to PFG at December 31, 2025 and 2024, respectively.

The Trust is related to another trust administered by PPI, the Association of Community Service Agencies Employee Benefit Trust (ACSA). From time to time, the Trust has a receivable or payable balance with ACSA. The balance due to ACSA at December 31, 2025 and 2024 was $14,567.

NOTE 4 - CASH DEPOSITS IN EXCESS OF FEDERALLY INSURED LIMIT

As of December 31, 2025 and 2024, the Trust's cash deposits were in excess of the maximum amount insured by the Federal Deposit Insurance Corporation by $7,216,332 and $7,413,554, respectively.

NOTE 1 - TRUST DESCRIPTION

Trust Description

Boston Insurance Employee Benefit Trust (Trust) was created in 1966, and was most recently amended and restated in October 2004, to provide insurance benefits to participants, using fully insured contracts, where the employer is the contract holder.

The Trust is a welfare benefit fund within the meaning of section 419(e) of the Internal Revenue Code (Code). A welfare benefit fund includes any trust which is not exempt from tax under Chapter 1 of Subtitle A of the Code, which is part of a plan of an employer, and through which the employer provides welfare benefits to employees or their beneficiaries.

The Trust is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), and is classified as a group insurance arrangement. A group insurance arrangement provides benefits to the employees of two or more unaffiliated employers, fully insures one or more welfare plans of each participating employer, and uses a trust as the holder of the insurance contracts and the conduit for payment of premiums to the insurance company.

Trustee

For the year ended December 31, 2024, the Trustee was Delaware Charter Guarantee & Trust Company, conducting business as Principal Trust Company. Principal Trust Company was a related party, described in Note 3. Principal Trust Company resigned as Trustee in March of 2025, and a new Trustee, Risk Strategies Consulting was appointed as trustee. Pursuant to the trust document, the trustee cannot take any action or exercise its powers without the written direction of Professional Pensions, Inc. (see Note 3) who is appointed by the Trustee.

Trust Benefits

The Trust provides group insurance benefits to employees of unaffiliated employers. The Trust has contracted with several insurance companies to provide medical, dental, disability, accident and life insurance benefits to employees of participating employers. Participating employers select the benefits they wish to provide to their employees. All of the risks associated with benefit payments or claims have been borne by the insurance companies through fully insured contracts.

Termination

If the Trust were to terminate, its net assets would be used for the exclusive benefit of the participants or the administrative expenses of the Trust. No part of the corpus or income of the Trust would be paid to the employers.

Trust Taxation

Each year, the Trust is liable for paying income tax on the amount by which its realized investment income exceeds its administrative expenses paid, if any. The Trust was not liable for any income taxes for the years ended December 31, 2025 and 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method
The financial statements of the Trust have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition
The Trust's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Trust management determines the Trust's valuation policy utilizing information provided by the investment advisers, custodians and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net (depreciation) appreciation includes the Trust gains and losses on investments bought and sold as well as held during the year.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Subsequent Events
The Trust has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.

NOTE 3 - RELATED PARTY TRANSACTIONS

Professional Pensions, Inc. (PPI), the designated administrator of the Trust, provides all administrative services to the Trust and has been delegated substantial authority to direct all activities of the Trust including operational and managerial functions.

PPI earned fees for services in 2025 and 2024 of $649,736 and $213,993, respectively. The fees are comprised of a flat monthly underwriting fee, which changes from time to time, and an administrative fee which is computed by applying an approved rate to monthly premiums paid by selected employers. The underwriting fee for December 31, 2025 and 2024 was $0. The administrative fee for 2025 and 2024 was $649,736 and $213,993, respectively. In addition, PPI pays certain operating expenses of the Trust and invoices the Trust for the reimbursement. The balance due to PPI at December 31, 2025 was $216,345 and the balance due from PPI at December 31, 2024 was and $104,733.

PPI earns commissions from various insurance carriers on premiums paid to those carriers by the Trust. These commissions are paid directly to PPI by the respective insurance companies.

NOTE 3 - RELATED PARTY TRANSACTIONS – (CONTINUED)

The Trust contracted with PFG to provide participants with life, disability, and dental coverage. The total premium for this coverage for 2025 and 2024 was $1,053,227 and $1,485,728, respectively. There was no amount due to PFG at December 31, 2025 and 2024, respectively.

The Trust is related to another trust administered by PPI, the Association of Community Service Agencies Employee Benefit Trust (ACSA). From time to time, the Trust has a receivable or payable balance with ACSA. The balance due to ACSA at December 31, 2025 and 2024 was $14,567.

NOTE 4 - CASH DEPOSITS IN EXCESS OF FEDERALLY INSURED LIMIT

As of December 31, 2025 and 2024, the Trust's cash deposits were in excess of the maximum amount insured by the Federal Deposit Insurance Corporation by $7,216,332 and $7,413,554, respectively.

INDEPENDENT AUDITOR'S REPORT

To Professional Pensions, Inc.
Administrative Consultant for the
Boston Insurance Employee Benefit Trust
Wallingford, Connecticut

Opinion

We have audited the accompanying financial statements of the Boston Insurance Employee Benefit Trust (Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Boston Insurance Employee Benefit Trust (Trust) as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Insurance Employee Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Insurance Employee Benefit Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Insurance Employee Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Insurance Employee Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

To Professional Pensions, Inc.
Administrative Consultant for the
Boston Insurance Employee Benefit Trust
Wallingford, Connecticut

Opinion

We have audited the accompanying financial statements of the Boston Insurance Employee Benefit Trust (Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Boston Insurance Employee Benefit Trust (Trust) as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boston Insurance Employee Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Insurance Employee Benefit Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Insurance Employee Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Insurance Employee Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
