INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Sumitomo Rubber USA, LLC Employee Savings Plan for
Bargaining Unit Employees
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sumitomo Rubber USA, LLC Employee Savings Plan for Bargaining Unit Employees ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 (in liquidation), and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 (in liquidation), and the statement of net assets available for benefits as of December 31, 2024 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to

meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of Sumitomo Rubber USA, LLC Employee Savings Plan for Bargaining Unit Employees approved a plan of liquidation as of June 30, 2025, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess

whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As a result of the decision to terminate the Sumitomo Rubber USA, LLC Employee Savings Plan for Bargaining Unit Employees (the "Plan") effective June 30, 2025, and in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), the Plan's financial statements as of and for the year ended December 31, 2025 are presented using the liquidation basis of accounting. For periods prior to the decision to terminate the Plan, the financial statements were prepared using the ongoing basis of accounting.

Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts.

Plan Year

The Plan Year is a calendar year.

Trust Assets

The Plan's investments are held directly in a trust by Empower Trust Company, LLC (the "Trustee"), except for the Plan's investment in the Stable Value Fund, which is accounted for as an individual master trust investment account, referred to as the Stable Value Fund Trust. The Stable Value Fund provides information to the Trustee who records the Plan's portion of the balance daily and has included the investment in their certified statements.

Recordkeeper

Empower Retirement is the recordkeeper of the Plan.

Investment Valuation and Income Recognition

The investments of the Plan, except for the Plan's interest in the Stable Value Fund Trust (the "Master Trust"), are reported at fair value. The fair value of investments held by the Plan, except for its interest in the Master Trust, is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (see Note 7). Under the liquidation basis of accounting, management believes that the reported fair value of these investments approximates the amounts expected to be realized upon liquidation.

The value of the Plan's interest in the Master Trust is based on the beginning of the year value in the trust, plus actual contributions and allocated investment income (loss), less actual distributions and allocated administrative expenses. Investment income and expenses of the Master Trust are allocated on a monthly basis to the Plan based on the Plan's interest in the Master Trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the respective periods.

Notes Receivable from Participants

The Plan allows notes from participants in accordance with the Plan document. These notes are reported at the unpaid principal balance plus accrued interest less an estimated provision for uncollectible loans. Notes are deemed distributions by the Plan when they are determined to be in default.

Concentration of Credit Risk

The Stable Value Fund invests part of the fund in investment contracts of financial institutions with strong credit ratings and has established guidelines relative to diversification and maturities that are intended to maintain safety and liquidity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the basic financial statements and related notes to financial statements. Changes in such estimates may affect amounts reported in future years.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.

NOTE 2 – GENERAL DESCRIPTION AND OPERATION OF THE PLAN

General

The Plan is a defined contribution plan covering all eligible hourly employees of Sumitomo Rubber USA, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Termination

In November 2024, the Company announced the closure of the plant. Substantially all hourly employees covered by the Plan ceased employment on November 11, 2024. During 2025, the Company's board of directors approved an action to terminate the Plan effective June 30, 2025. The Plan was formally amended to terminate the Plan with an effective date of June 30, 2025.

Effective with the Plan's termination, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of status or years of vested service. With the formal amendment to terminate the Plan, the Company provided special nonelective contributions to the two remaining employees of the Plan who remained employed for wind down activities through January 31, 2026. The special nonelective contributions were for employer contributions for June 2025 through January 2026 so that the Plan could cease all employee and employer contributions into the Plan effective June 30, 2025.

Following the Plan's termination, the Plan Administrator began the process of liquidating Plan assets and distributing participant account balances. During the period from the effective date of termination through December 31, 2025, participant communications and termination elections with the recordkeeper and Trustee occurred. Subsequent to year-end, the Plan completed the distribution of all remaining participant account balances, and the Plan assets were fully distributed by June 8, 2026. The remaining activities of the Plan are limited to completion of final administrative and regulatory requirements associated with the Plan's termination.

Eligibility

Prior to the termination, all employees who were members of a bargaining unit, which had adopted the Plan, were eligible to participate in the Plan as of the first enrollment date after completing ninety days of continuous service with the Company. Newly eligible employees were automatically enrolled at 3% of compensation for the employee deferral.

Contributions

Prior to the termination, eligible employees could elect to contribute from 1% to 50% of earnings, including wages, certain bonuses, commissions, overtime and vacation pay into the Plan, subject to certain limitations under the Internal Revenue Code. In addition, the Plan permitted catch-up contributions by participants who had attained age 50 by December 31 of each year.

Participating employees could elect to have their contributions invested in any of the funds available for employees at the time of their contributions. The Company calculated and deducted employee contributions from eligible compensation each pay period based on the percent elected by the employee. Employees could change their contribution percent at any time. The change became effective as soon as administratively possible after it is submitted. Employees could suspend their contributions at any time.

All participants were entitled to elect employee contributions to be on a pre-tax or as a Roth 401(k) contribution, subject to certain limitations under the Internal Revenue Code.

The Plan has been established under Section 401 of the Internal Revenue Code. Therefore, employee contributions, except for Roth 401(k) contributions, were not subject to Federal income withholding tax, but are taxable when withdrawn from the Plan.

All Participants of the Plan were eligible for Company Retirement Contributions ranging from $2,200 to $8,100 per year, based on age. The employee could elect to invest Company contributions in any of the investment options available for employee contributions.

Participants could transfer amounts attributable to employee or employer contributions from one fund to the other on a daily basis subject to compliance with applicable trading policies of the Plan.

Participant Accounts

A variety of funds have been established for each participant in the Plan. All accounts are valued by the Trustee at the close of business following each business day.

Interest and dividends are automatically reinvested in each participant's respective accounts and reflected in the unit value of the fund which affects the value of the participants' accounts.

Plan Withdrawals and Distributions

Participants may take in-service distributions of vested amounts from their accounts if they:

- Attain the age of 59½, or
- Qualify for a financial hardship.

The Internal Revenue Service (“IRS”) issued guidelines governing financial hardship. Under the IRS guidelines, withdrawals are permitted for severe financial hardship.

Participant vested amounts can remain in the Plan or are eligible to be paid upon retirement, death or other termination of employment. As part of the plan termination, the Plan sponsor required participants to direct their vested amounts out of the Plan by April 29, 2026, or their vested amounts would be moved to an IRA at Empower.

All withdrawals and distributions are valued as of the end of the day they are processed, and may be subject to income tax upon receipt. Prior to the termination, any non-vested Company contributions were forfeited and applied to reduce future Plan expenses and contributions by the Company. As of December 31, 2025 and 2024, the Plan had forfeiture credits of $58,079 and $46,255, respectively. As part of the Plan

termination, the outstanding forfeiture balance was used to pay final recordkeeping fees and the residual balance was distributed on a per capita basis to the plan participants.

Notes Receivable from Participants

Eligible employees may borrow money from their participant accounts. The minimum amount to be borrowed is $1,000. The maximum amount to be borrowed is the lesser of $50,000 reduced by the highest outstanding balance of any notes during the preceding twelve month period, or 50% of the participant's vested account balance. Participants may have up to two notes outstanding at any time. The interest rate charged is a fixed rate established at the time of the application based on prime plus one percent (7.75% and 8.75% at December 31, 2025 and 2024, respectively).

Repayments, with interest, are made through payroll deductions. If a note is not repaid when due, the outstanding balance is treated as a taxable distribution from the Plan. An allowance for credit losses of approximately $569,000 and $3,666,000 was recorded at December 31, 2025 and 2024, respectively, related to the loan balances that are in default and are believed to be uncollectible.

Rollovers

Employees, Plan participants, or former Plan participants may transfer eligible cash distributions from any other employer sponsored plan qualified under Section 401 of the Internal Revenue Code into the Plan by a direct transfer from such other plan.

Expenses

Expenses of administering the Plan are paid partly by the Company and partly by the Plan's trust. The Trustee's fees and investment advisory fees are paid by the Company. Expenses related to the asset management of the investment funds were paid from such funds which reduce the investment return reported and credited to participant accounts. Recordkeeping fees are paid from funds in which a participant invests. The Professional Management Program offered by Advised Assets Group, LLC., an affiliate of Great-West Financial, is available to all participants. This program provides personalized portfolio management for participants who elect to delegate their investment decisions about fund choices within the Plan to a professional manager. Participation in the program is paid solely by enrolled participants. The expense reduces the investment return reported and credited to participant accounts.

NOTE 3 – FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all investment information as of December 31, 2025 and 2024 and for the year ended December 31, 2025 is certified complete and accurate or derived from information certified complete and accurate by Empower Trust Company, LLC, the Trustee of the Plan.

NOTE 4 – TAX STATUS OF PLAN

The IRS has determined and informed the Company by a letter dated February 12, 2014 that the Plan is qualified, and the trust established for the Plan is exempt from Federal Income Tax under the appropriate Sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Company and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. On August 13, 2026, the IRS issued a favorable determination letter for the termination of the Plan.

NOTE 5 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Expenses not accrued per the Form 5500		11
Net Appreciation in Fair Value of Investments per the Form 5500	$	7,579

NOTE 6 – FINANCIAL DATA OF THE MASTER TRUSTS

The Plan's investment in the Stable Value Fund is accounted for as an individual master trust investment account. Each participating plan has a divided interest in the Master Trust. At December 31, 2025 and 2024, the Plan's interest in the Stable Value Fund Trust is approximately 31% and 51%, respectively.

The Statement of Net Assets Available for Benefits of the Stable Value Fund Trust as of December 31, 2025 and 2024 is as follows:

(Dollars in Thousands)

	2025		2024	
	Master Trust Balance	Plan's Interest in Master Trust Balance	Master Trust Balance	Plan's Interest in Master Trust Balance
Invesco Stable Value Fund Trust	$ 5,766	$ 1,774	$ 10,643	$ 5,477
Pending Sales	(4)	(1)	-	-
Net Assets Available for Benefits	$ 5,762	$ 1,773	$ 10,643	$ 5,477

Net investment gain for the Stable Value Fund Trust for the period from January 1, 2025 through December 31, 2025 is as follows:

(Dollars in Thousands)		
Dividends	$	223
Administrative Expenses		(5)
Net Investment Gain	$	218

NOTE 7 – FAIR VALUE MEASUREMENTS

Assets and liabilities measured at fair value are classified using the following hierarchy, which is based upon the transparency of inputs to the valuation as of the measurement date:

- Level 1 – Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 – Valuation is based upon quoted prices for similar assets and liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 – Valuation is based upon other unobservable inputs that are significant to the fair value measurement.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value ("NAV") per share are not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to total investments at fair value of the Plan.

Valuation methodologies used for assets measured at fair value are as follows:

Mutual funds: Valued at the NAV of shares held by the Plan at year end, as determined by the closing price reported on the active market on which the individual securities are traded.

Common collective trusts: Valued at the NAV of units held by the Plan or Stable Value Fund at year end, as determined by a pricing vendor or the fund family. The common/collective trusts are invested to earn returns that match or exceed U.S. or international equity and fixed income indexes. The NAV, as provided by the trustee of each common/collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for

an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of any common/collective trust, each investment advisor reserves the right to temporarily delay withdrawal to ensure that securities liquidation will be carried out in an orderly business manner. The common/collective trusts had no unfunded commitments, daily pricing frequency, and full redemption notice periods that extend no greater than 30 days.

Self-directed accounts: The self-directed accounts are invested in various mutual funds and cash and cash equivalents. The mutual funds are valued at the NAV of shares held by the Plan at year end, as determined by the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

(Dollars in Thousands)

	December 31, 2025

Total Investments, excluding Plan's Interest in Master Trust, at Fair Value				$ 130,700

The Invesco Stable Value Fund held by the Stable Value Fund Trust at December 31, 2025 and 2024 is measured at NAV as a practical expedient. Participants are able to transact within the Stable Value Fund Trust on a daily basis. Each participating trust is required to give the Invesco Stable Value Fund trustee 12 month written notice of its intention to withdraw all or a portion of its participation in the Invesco Stable Value Fund. There are no unfunded commitments related to this investment.
