To the Plan Administrator of the
Campus Construction Management Group Inc. 401(k) Plan

Thank you for using Bonadio & Co., LLP as your independent auditor.

We have completed an Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) audit, pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, of the financial statements of Campus Construction Management Group Inc. (the Plan) as of and for the years ended December 31, 2025 and 2024, and have issued our report thereon dated October 9, 2026. This letter presents communications required by our professional standards.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

As communicated in our engagement letter dated July 22, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Other than for the certified investment information, the financial statements and supplemental schedule were audited by us in accordance with GAAS and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter dated on July 22, 2026.

Significant Findings

Qualitative Aspect of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Campus Construction Management Group Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2025.

We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus. In addition, we did not identify any significant findings or issues during the audit in connection with the Plan's related parties.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Management’s estimate of the fair value of the Plan’s investments in (i) mutual funds is valued at the quoted market price on an active market (Level 1); (ii) common collective trusts are stated at fair value using net asset value which is derived from the fair values of the its underlying investments (Level 1); and (iii) pooled separate accounts are stated at fair value using net asset value which is derived from the fair values of the underlying investments (Level 1).

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Significant Unusual Transactions Identified During the Audit

We identified no significant unusual transactions during the audit.

Difficult, Contentious or Other Matters Encountered During the Audit

We encountered no difficult, contentious, or other matters for which we consulted outside the engagement team that were, in our professional judgment, significant and relevant to those charged with governance regarding the responsibility to oversee the financial reporting process.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

Review of Benefit Payments

During our audit, we identified one instance in which an incorrect vesting percentage was applied in the calculation of a participant forfeiture and one instance in which a terminated participant requested and received an in-service distribution. While benefit payments are initiated and processed by Principal, complementary user entity controls over the review of distribution requests and distribution reports are important to ensure distributions are made in accordance with Plan provisions and that benefit payments are accurate.

We recommend that the Company implement and document a review of benefit payment requests and related distribution reports for accuracy and compliance with Plan provisions prior to approval by the third-party administrator (TPA).

Documentation of SOC report review

During our audit, we noted that there was no evidence that Plan management documented its review of the SOC 1 reports obtained from service organizations utilized by the Plan during the year under audit.

We recommend that the Plan establishes and maintains documentation evidencing its review of SOC 1 reports for all significant service organizations. The review should include consideration of the service auditor's opinion, complementary user entity controls, and any exceptions noted within the reports. Documentation of this review should be retained to support Plan operations and management's monitoring of outsourced processes.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report no such disagreements arose over the course of the audit.

Circumstance Affecting the Form and Content of the Auditor's Report

We encountered no circumstances that affect the form and content of the auditor's report.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the Plan's financial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to

determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Management Representations

We have requested certain representations from management that are included in the management representation letter. This letter has been provided to you.

Form 5500

In performing our audit, in accordance with GAAS, we are responsible for obtaining and reading the draft Form 5500 in order to identify material inconsistencies, if any, with the audited ERISA plan financial statements. During our audit we obtained and read the draft Form 5500 from management and did not identify any material inconsistencies.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Finance Committee and management of the Campus Construction Management Group Inc. 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

October 9, 2026

To the Plan Administrator of the
Campus Construction Management Group Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of the Campus Construction Management Group Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)
In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedule Required by ERISA
The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedule Required by ERISA (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of Campus Construction Management Group Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers substantially all employees of Campus Construction Management Group Inc. (the Company) who have completed six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible participants are entitled to defer up to the maximum annual dollar contribution allowed by ERISA and the Internal Revenue Service of $23,500 and $23,000 for the years ended December 31, 2025 and 2024, respectively, into the Plan as a qualified pre-tax contribution. If a participant is age 50 or over, the ceiling was $31,000 and $30,500 for the years ended December 31, 2025 and 2024, respectively.

Employees are automatically enrolled to make tax-deferred contributions of 6% unless the employee opts out of the Plan.

The Company may make a discretionary matching contribution. The Company matched a tiered percentage, up to 4%, based on eligible participants' contribution percentage for the years ended December 31, 2025 and 2024. Additionally, the Company has the option of making annual qualified nonelective contributions to the Plan. There were no nonelective contributions for the years ended December 31, 2025 and 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) plan earnings (losses), and charged with allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of $1,000 and up to a maximum equal to the lessor of $50,000 or 50% of their vested account balance. Loan transactions are limited to one outstanding at any given time. The loans are payable in their entirety upon the occurrence of a distributable event and bear interest at a rate to be determined by the loan administrator. Principal and interest is paid ratably through monthly payroll deductions. Terms of the loans shall be up to five years, unless for the purchase of principal residence, in which case the term is ten years.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately vested in their contributions plus actual earnings/losses thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 20% vested after two years of services and continues to vest in increments of 20% until 100% vested after six years of credited service.

Payment of Benefits
On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments for a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may withdraw any part of their vested account which does not result from discretionary contributions after reaching the age of 59½. Rollover contributions may be withdrawn at any time.

Forfeitures
Forfeited balances of terminated participants' non-vested accounts are used to reduce administrative fees, with any remaining forfeitures used to reduce employer contributions. Forfeitures that have not been used to reduce administrative fees or employer contributions shall be allocated as soon as administratively feasible but in no event later than the end of the Plan Year following the Plan Year in which such forfeitures are determined. In 2025 and 2024, there were forfeitures of non-vested Company contributions and earnings on unused amounts totaling $35,778 and $24,086, respectively. For the year ended December 31, 2025, employer contributions were reduced by $21,466 and plan administrative expenses were reduced by $14,312. For the year ended December 31, 2024, employer contributions were reduced by $12,893 and plan administrative expenses were reduced by $11,193. At December 31, 2025 and 2024, there were no remaining forfeited nonvested accounts.

Diversification Transfers from Employee Stock Ownership Plan (ESOP)
During the years ended December 31, 2025 and 2024, the Plan accepted diversification transfers from the Campus Holdings, Inc. Employee Stock Ownership Plan, an employee stock ownership plan sponsored by Campus Holdings, Inc. The total value of the diversification transfers received during the years ended December 31, 2025 and 2024 was $43,165 and $287,259, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Finance Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balance and the amounts reported in the statements of net assets available for benefits.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 excess contributions to the applicable participants prior to the end of the quarter following notification of the contributions in excess during 2026.

Payment of Benefits
Benefit payments to participants are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions in accordance with the terms of the Plan document.

Expenses
Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Use of Estimates
The preparation of financial statements in accordance with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

Principal Trust Company, the custodian, has certified to the completeness and accuracy of the following information which is included in the financial statements and supplemental schedule as of and for the years ended December 31:

	2025	2024
Total investments	$ 13,032,204	$ 11,320,535
Notes receivable from participants	$ 150,170	$ 77,849
Net appreciation in the fair value of investments	$ 1,599,749	$ 999,677
Interest and dividend income	$ 99,386	$ 83,668
Interest income on notes receivable from participants	$ 11,850	$ 6,120

Schedule of Assets (Held at End of Year) Schedule I

4. FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds - Valued at the quoted market price on an active market. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 for fair value hierarchy purposes.

Common Collective Trusts – Stated at fair value using net asset value (NAV), which is derived from the fair values of its underlying investments, including mutual funds, separate accounts and another collective trust fund. The mutual funds are valued using Level 1 inputs, as they have publicly quoted prices. While the separate accounts and the underlying collective trust do not have publicly quoted pricing inputs, their fair values contribute to the overall NAV. Although the common collective trust itself is not publicly traded, its NAV is available to current investors through the employer's website or when plan participants access their account values. Given that the common collective trusts are valued similarly to mutual funds and have a readily determinable fair value, they are classified as Level 1 for fair value hierarchy purposes.

Pooled separate accounts – Stated at fair value using NAV, which is derived from the fair values of the underlying investments, which are primarily stocks or mutual funds. The majority of the underlying securities are valued using Level 1 inputs, as they have observable quoted prices. Although the NAV of the pooled separate account is not publicly quoted, it is available to current investors through the employer's website of when plan participants access their account values. The NAV is the basis for current transactions, and the account can be redeemed at NAV as of the measurement date. Given that the pooled separate accounts are valued similarly to mutual funds and have a readily determinable fair value, they are classified as Level 1 for fair value hierarchy purposes.

The following sets forth investments within the fair value hierarchy as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,497,877	$ -	$ -	$ 1,497,877
Common collective trusts	9,569,013	-	-	9,569,013
Pooled separate accounts	1,965,314	-	-	1,965,314
Total investments	$ 13,032,204	$ -	$ -	$ 13,032,204

4. FAIR VALUE MEASUREMENTS (Continued)

The following sets forth investments within the fair value hierarchy as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,400,102	$ -	$ -	$ 1,400,102
Common collective trusts	8,117,322	-	-	8,117,322
Pooled separate accounts	1,803,111	-	-	1,803,111
Total investments	$ 11,320,535	$ -	$ -	$ 11,320,535

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the valuation methodologies used during 2025 or 2024.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

6. INCOME TAX STATUS

The Company has adopted a pre-approved plan document offered by Principal Life Insurance Company that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

7. PARTIES-IN-INTEREST TRANSACTIONS

Principal Trust Company is the custodian as defined by the Plan and the Company is the Plan sponsor. As such, transactions between Principal Trust Company, the Company and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

8. 5500 RECONCILIATION

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 for the year ended December 31:

	2025	2024

Excess contributions payable	46,391	-
Net assets available for benefits per Form 5500	$ 13,182,374	$ 11,398,384

The following is a reconciliation of changes in net assets available for benefits per the financial statements to changes in net assets available for benefits per Form 5500 for the year ended December 31:

	2025	2024
Change in net assets available for benefits, per the financial statements	$ 1,737,599	$ 2,428,238
Excess contributions payable	46,391	-
Transfers from ESOP reported separately on Form 5500 Line 2l	(43,165)	(287,259)
Net income per Form 5500 (Line 2k)	$ 1,740,825	$ 2,140,979

Certain items have been classified differently between the financial statements and Form 5500.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 9, 2026, which is the date the financial statements were available to be issued.
