# INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Kraemer Brothers Employee Retirement and Savings Plan
Plain, Wisconsin

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kraemer Brothers Employee Retirement and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kraemer Brothers Employee Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, is presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kraemer Brothers Employee Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kraemer Brothers Employee Retirement and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kraemer Brothers Employee Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kraemer Brothers Employee Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE A -- Description of plan and significant accounting policies

The following description of Kraemer Brothers Employee Retirement and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Kraemer Brothers, LLC ("the employer", also referred to as "the company") has adopted the Capital Group Retirement Plan Services Defined Contribution Pre-Approved Plan, effective April 13, 2021. The initial effective date of the Plan was July 1, 1987.

### General

The Plan is a defined contribution plan covering all employees of the company who are 18 years of age and have completed 6 months of service. Participants meeting eligibility requirements may enter the Plan on the first day of the first month or the seventh month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An individual appointed by the Plan Administrator oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan's federal identification number is 39-1889752, and the Plan's number is 001.

### Contributions

Each year, participants may contribute up to the maximum percentage of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of compensation and their contributions invested in a designated balanced fund until changed by the participant.

The employer may make a discretionary matching contribution. To be eligible to receive matching contributions, employees must be 18 years of age and have completed 6 months of service. Employees of the employer who are considered 5% of more owners are excluded from receiving matching contributions. For the plan year ended December 31, 2025, the employer made a matching contribution equal to 50% of each participant's elective deferrals, not to exceed 4% of eligible compensation, with a maximum matching contribution of $2,000 per employee.

The employer has the right to make discretionary nonelective contributions to be allocated to participants pro rata based on compensation. To be eligible for the purposes of nonelective contributions, employees must have completed one year of service, defined as at least 1,000 hours of service, and attained age 18. No discretionary nonelective contributions were made in 2025. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service (IRS).

**NOTE A -- Description of plan and significant accounting policies (Continued)**

**Participant accounts and "rollovers"**

Each participant's account is credited with the participant's contribution and allocations of (a) the employers' discretionary matching and nonelective contributions, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances, as defined, and allocation of nonelective contributions are based on participant compensation, as provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

**Vesting**

Participants are vested immediately in participant and employer nonelective contributions plus actual earnings thereon. Vesting in the employer's discretionary matching contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

**Participant loans**

Participants may not borrow from their fund accounts.

**Benefits**

On termination of service due to death, disability, retirement (age 59 ½) or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a specified period of time. The Plan permits hardship distributions if certain criteria are met. The minimum amount for hardship distributions is $1,000. The Plan permits in-service distributions at age 59 ½. A participant with an account valued at less than $7,000 shall receive a lump-sum distribution. For accounts exceeding $7,000, the participant may elect a lump-sum distribution or to receive installment payments over a specified period of time; or the participant may elect to rollover the distribution to another qualified plan.

**Forfeited accounts**

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $3,825 and $1,892, respectively. These accounts are used to pay plan expenses and/or reduce future matching or nonelective contributions. In 2025, no plan expenses or employer contributions were reduced from forfeited non-vested accounts.

A summary of significant accounting policies follows:

**Basis of accounting**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

**NOTE A -- Description of plan and significant accounting policies (Continued)**

**Use of estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition**

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. An individual appointed by the Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions**

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

**Payment of benefits**

Benefits are recorded when paid.

**Administrative expenses**

The company pays most of the administrative expenses of the Plan which are excluded from these financial statements. The major administrative expenses are recordkeeping fees.

**Subsequent events**

These financial statements have not been updated for subsequent events occurring after October 5, 2026, which is the date these financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances occurring after that date.

**NOTE B -- Information certified by the trustee and asset custodian**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and interest, dividends, net appreciation and other income for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company, the trustee and asset custodian of the Plan.

**NOTE C -- Party-in-interest transactions**

Certain Plan investments are managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee and asset custodian for the Plan, and therefore, these transactions qualify as party in interest transactions.

Capital Bank and Trust Company provides certain administrative services to the Plan pursuant to an agreement between the company and Capital Bank and Trust Company. Capital Bank and Trust Company receives revenue from mutual fund service providers for services Capital Bank and Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Capital Bank and Trust Company for its administrative services to the Plan.

If the revenue received by Capital Bank and Trust Company from such mutual fund service providers exceeds the amount owed, Capital Bank and Trust Company remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2025, there were excess amounts of $9,531, which are included in other income on the Statement of Changes in Net Assets Available for Benefits. The Plan or Plan Sponsor may make a payment to Capital Bank and Trust Company for administrative expenses not covered by revenue sharing.

Fees were also paid by the Plan during the year for recordkeeping services rendered to American Funds (under Capital Group). This transaction also qualifies as a party-in-interest transaction.

**NOTE D -- Fair value measurements**

The Plan’s investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

| | | Fair value measurements at reporting date using: | | |
|---|---|---|---|---|
| | Fair value | Quoted prices in active markets for identical assets (level 1) | Significant observable inputs (level 2) | Significant unobservable inputs (level 3) |

| Investments at fair value | $ 18,810,815 | $ 18,810,815 | $ 0 | $ 0 |

**NOTE D -- Fair value measurements (Continued)**

| | | Fair value measurements at reporting date using: | | |

| Investments at fair value | $ 18,816,338 | $ 18,816,338 | $ 0 | $ 0 |

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Money market fund. Valued based on quoted net asset values of the shares held by the Plan at year-end.

- Registered investment companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

**NOTE E -- Concentration of market risk**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE F -- Tax status**

The Capital Group Retirement Plan Services Defined Contribution Pre-Approved Plan that the Plan has adopted effective April 13, 2021, obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**NOTE G -- Plan termination**

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer matching contributions.

**NOTE H -- Plan amendments**

In 2024 and 2025, the plan was amended to implement various provisions of the SECURE 2.0 Act.

Effective January 1, 2025, the plan was amended. The following changes were made:

- The employer may make a discretionary matching contribution. To be eligible to receive matching contributions, employees must be 18 years of age and have completed 6 months of service. Employees of the employer who are considered 5% of more owners are excluded from receiving matching contributions.
- Vesting in the employer's discretionary matching contributions portion of their accounts is based on years of continuous service. A participant is 100% vested ratably after three years of credited service.
- Forfeited non-vested accounts can be used to reduce future matching contributions.
- The minimum amount for hardship distributions is $1,000.

**NOTE I -- Subsequent event**

Effective January 1, 2026, the plan was amended to exclude bonuses from eligible compensation in determining employer matching contributions.
