Report of Independent Auditors

To the Participants and Trustees of
Teamsters Local 346 Savings & 401(k) Plan

Opinion

We have audited the financial statements of Teamsters Local 346 Savings & 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Teamsters Local 346 Savings & 401(k) Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

6800 France Avenue So. I Suite 550 I Edina, MN 55435 I 952.841.3950 I 952.841.3951 Fax I www.legacycpas.com

Responsibilities of Management for the Financial Statements (continued)
Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Teamsters Local 346 Savings & 401(k) Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1. Description of the Plan

Teamsters Local 346 Savings & 401(k) Plan (the Plan) was established in 1997 as a result of collective bargaining agreements between Teamsters General Local Union No. 346 and participating signatory employers to provide benefits for eligible participants upon retirement, disability or death. The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Under current provisions of the Plan, a participant becomes eligible on the date the employer first makes a contribution on the participant's behalf, or when a participant is eligible to make participant deferral contributions under the Plan. A participant is immediately 100% vested in all contributions made.

Participants direct the investment of their account balances and future contributions into various investment options offered by the Plan. In the absence of participant direction, contributions are invested in a target date mutual fund based upon their age, until changed by the participant. Participants must evaluate their own investment goals and objectives and make a decision best suited to achieve those goals and objectives. Poor investment performance may cause their vested balance to be lower than the amounts contributed to the Plan on their behalf.

Employer and participant contributions are credited to an individual account created on the participant's behalf and are adjusted for an allocation of Plan earnings or losses less administrative and related expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant accounts are charged an annual administrative fee of $138, which is collected quarterly, and an annual fee of 29 basis points on the investment balance, which is collected monthly. Amounts collected are available to pay administrative expenses of the Plan. The Plan collected fees of $158,078 and $143,782 for the years ended December 31, 2025 and 2024, respectively. Net assets available for benefits include unallocated account balances of $61,691 and $68,927 at December 31, 2025 and 2024, respectively, which are available to pay administrative expenses of the Plan.

Participants are entitled to receive 100% of their account balance after reaching normal retirement age. Distributions are also available under the hardship provisions of the Plan. In the event of a participant's total and permanent disability prior to retirement date or termination of employment, the participant's account balance will be distributed as though they had retired. Upon the death of a participant, the value of the participant's account will be distributed to the participant's beneficiary.

Note 1. Description of the Plan (continued)

The Plan also allows for the following distributions:

- Emergency expense distribution - a participant may apply for a personal expense distribution of up to $1,000 or the non-forfeitable interest in their account, whichever is less;
- Federally declared disaster distribution - if the President of the United States declares a federal disaster in the area in which a participant lives and the participant suffers an economic loss in connection with the disaster, the participant may make a withdrawal of up to $22,000 or the non-forfeitable interest in their account, whichever is less;
- Terminal illness distribution - a participant may apply for a distribution if a physician certifies in writing that the participant has an illness or physical condition reasonably expected to result in death within 84 months;
- Domestic abuse distribution - a participant may apply for a distribution of up to $10,000 indexed for inflation or 50% of the nonforfeitable interest in the participant's account, whichever is less, if the participant self-certifies that they have experienced domestic abuse by a spouse or a domestic partner within the previous one-year period.

Participants should refer to the summary plan description for more complete information.

Note 2. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date.

Contributions Receivable - Contributions due and not paid at year end are recorded as contributions receivable. Employer contributions owed as a result of payroll compliance audits are recorded upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Note 2. Summary of Significant Accounting Policies (continued)

Employer Contribution Income - Employer contributions are recognized in the period in which covered employment is performed. Covered employment is primarily derived in the construction, transportation, distribution and manufacturing industries. Employer contributions are based on the number of hours or weeks worked in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in northern Minnesota.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2025 or 2024.

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 9, 2026 which is the date the financial statements were available to be issued.

Note 3. Tax Status

The Plan's latest determination letter is dated September 22, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Priorities upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries. In the event of termination, participants will remain fully vested in their accounts, and the Trustees shall first satisfy the obligations of the Plan. Any remaining assets, to the extent available, shall be allocated among participants and beneficiaries in accordance with the provisions of the Plan.

Note 5. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted asset or liabilities.
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

The Plan's investments in mutual funds are classified within Level 1 of the fair value measurements hierarchy. The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Note 6. Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Funding Policy

The Plan is primarily funded by participant deferrals and by employer contributions as specified under negotiated collective bargaining agreements. The hourly employer contribution rate ranged from $0.10 to $24.70 during the years ended December 31, 2025 and 2024. The weekly employer contribution rate ranged from $19.38 to $105.00 during the years ended December 31, 2025 and 2024.

A participant may make contributions in $.05 hourly increments, with a minimum of $.10 per hour, on a pre-tax basis, subject to Internal Revenue Code limitations. At no time may the combined participant deferral amount plus employer contributions exceed 100% of gross wages.

Note 8. Major Employers

Contributions from three employers accounted for approximately 44%, and contributions from four employers accounted for approximately 50%, of total contributions for the years ended December 31, 2025 and 2024, respectively. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting fixed administrative expenses until appropriate adjustments were made.

Note 9. Participant Contributions

Employers withhold participants' contributions from their payroll. During the years ended December 31, 2025 and 2024, instances were noted where certain employers remitted contributions to the Plan later than the 15th business day of the month following the month in which the amounts were otherwise payable to the participant, as required by the requirements prescribed by U.S. Department of Labor regulations. Therefore, these late deferrals constitute a prohibited transaction with a party-in-interest. Contributing employers failed to timely remit participant contributions of $26,790 and $40,816 during the years ended December 31, 2025 and 2024, respectively.

The Plan has a collection program in which the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions and interest collected are credited to the participants' account to compensate the participant for lost earnings resulting from the delay in contributions.

Note 10. Related Organization

The Plan is related to a tax-exempt labor union.

Note 11. Party-in-Interest Transactions

The Plan pays fees under several arrangements with service providers and receives contributions from employers under the terms of collective bargaining agreements. These transactions are considered exempt party-in-interest transactions under ERISA.

Report of Independent Auditors on Supplemental Schedules

To the Participants and Trustees of
Teamsters Local 346 Savings & 401(k) Plan

We have audited the financial statements of Teamsters Local 346 Savings & 401(k) Plan (the Plan) as of and for the years ended December 31, 2025 and 2024, and our report thereon dated October 9, 2026, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedule 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
