INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **Rusty Lantern Markets LLC 401(k) Profit Sharing Plan & Trust,** an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2025, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Rusty Lantern Markets LLC 401(k) Profit Sharing Plan & Trust** performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Rusty Lantern Markets LLC 401(k) Profit Sharing Plan & Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Rusty Lantern Markets LLC 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Continued--

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

1. Description of the Plan

The following description of the Rusty Lantern Markets LLC 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Rusty Lantern Markets LLC (the "Company") following satisfaction of eligibility requirements and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company has appointed an executive as trustee of the Plan. They are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Effective May 1, 2025, the Plan changed its third-party administrator and custodian from Paychex and Mid Atlantic Trust Company to ADP and Reliance Trust Company. In connection with this transition, the Plan adopted a restated Plan document. The restated Plan document incorporated applicable required amendments and administrative provisions and did not materially change the Plan's eligibility, participant contribution, employer contribution, vesting, distribution, or investment provisions.

In connection with the transition, Plan records and substantially all Plan assets were transferred to the new custodian. Management reconciled the Plan-level and participant account balances transferred between the former and new service providers. The change in service providers and adoption of the restated Plan document did not have a material effect on the Plan's net assets available for benefits or the accompanying financial statements

Eligibility

All employees of the Company, who have reached the age of 18 years old are eligible to participate in the Plan and receive matching contributions on the first of the month following the completion of 3 months of service. After completing one year of service and being employed on the last day of the year, an employee is eligible for a profit-sharing contribution.

Participant Contributions

Each year participants may elect to contribute to the Plan on a pre or post tax basis, up to 92% of eligible compensation. Participants may also rollover amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

1. Description of the Plan (Continued)

Employer Contributions

The Company will make safe harbor matching contributions to the account of each eligible participant in an amount equal to the sum of 100% of the amount of the participants' elective deferrals that do not exceed 3% of the participants' compensation, plus 50% of the amount of the participants' elective deferrals that exceed 3% of the participants' compensation but do not exceed 5% of eligible participants' compensation per pay period. The Plan also allows the Company to make a discretionary profit-sharing contribution on an annual basis. For the year ending December 31, 2025 and 2024, there was no discretionary profit-sharing contributions.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, and an allocation of the Company's discretionary contributions, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the Company's safe harbor matching contributions. Participants vest 20% per year after the second year in the Company's discretionary profit-sharing contributions. The participants are 100% vested in the Company's discretionary profit-sharing contributions after six years.

Investment Elections

Participants direct the investment of their contributions, any Company matching contributions and any profit-sharing contributions into investment options offered by the Plan. Each participant has the ability to change his or her investment allocations at any time.

Notes Receivable from Participants

The Plan allows participants to borrow amounts from $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are collateralized by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed. Principal and interest is paid ratably through payroll deductions. The Plan allows a maximum of one loan outstanding per participant.

Benefit Payments and Plan Withdrawals

Upon termination of employment, retirement, disability, or death, the participant or his or her beneficiary, is entitled to receive a distribution of the participant's entire vested balance. Participants who have attained age 59 1/2 may withdraw any portion of the vested balance in their account to the extent the balance is not required to secure the outstanding balance of a loan to the participant.

Continued --

1. Description of the Plan (Continued)

Forfeited Accounts

Forfeitures represent the non-vested portion of terminated participants' account balances or an amount attributable to an employer matching contribution previously allocated to an owner-participant that was subsequently determined not to be allowable under the terms of the Plan. Forfeitures occur in the Plan year that participants receive distributions of their entire vested accounts or after five consecutive breaks (years) in vesting service. Forfeitures may be used to restore any participants account balance that was forfeited and for which the participant has repaid his or her vested distribution or has made a valid claim. Any remaining forfeitures may be used to offset plan expenses and any remaining forfeitures may be used to reduce future employer contributions. The Plan recorded forfeitures of $14,514 and $0 in plan years 2025 and 2024, respectively. At December 31, 2025 and 2024, $14,524 and $0, respectively, were used to reduce employer contributions. At December 31, 2025 and 2024, there were $11 and $0, respectively, of unallocated forfeitures.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the cash basis of accounting modified to allow for investments to be valued at fair value, unrealized gains and losses to be recorded and to record other liabilities, which consists of distribution stale checks returned to the Plan as the Plan Sponsor searches for the participant. Under this basis, contributions are recognized when received rather than when withheld or determined, interest and dividends are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred. This basis differs from accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine valuation policies using information provided by the investment advisors, Mid Atlantic Trust Company and Reliance Trust Company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Continued --

2. Summary of Significant Accounting Policies (Continued)

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in the Plan's investments. Management believes that the Trustee maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payments of Benefits

The Plan records benefit payments to withdrawing participants when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at period end, if any. There were no unpaid distributions at December 31, 2025 and 2024.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative expenses incurred by the Plan include loan and distribution fees charged directly to the participants' accounts and investment management fees that are netted against investment returns.

Subsequent events

The Plan Administrator has evaluated subsequent events through September 30, 2026, the date which the financial statements were available to be issued.

3. Information Prepared and Certified by the Custodian (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025, and net appreciation in fair value of investments, dividend income, and interest income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company and Reliance Trust Company (the trustees of the Plan).

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

When more than one level of input is used to determine fair value, the financial instrument is classified as level 1, 2 or 3 accordingly to the lowest level input that has a significant impact on the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the SEC. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2025 and 2024.

	Fair Value	Level 1
December 31, 2025		
Mutual funds	$ 2,325,390	$ 2,325,390
December 31, 2024		
Mutual funds	$ 1,586,126	$ 1,586,126

Continued --

4. Fair Value Measurements (Continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and2024, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

5. Tax Status of the Plan

The Plan has received an opinion letter from the Internal Revenue Service dated October 6, 2020, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended since receiving the opinion letter. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Termination

Although it is the Company's intention that the Plan will be continued indefinitely, the Company may terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Risks and Uncertainties

The Plan utilizes various investment instruments, including mutual funds. Investment securities are exposed to various risks, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.
