Independent Auditor's Report

To the Plan Administrator and Plan Benefits Committee of
Bozeman Deaconess Health Services
Comprehensive Health and Welfare Benefit Plan
Bozeman, Montana

Opinion

We have audited the financial statements of Bozeman Deaconess Health Services Comprehensive Health and Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i – schedule of assets held at end of year, and schedule H, line 4j – schedule of reportable transactions as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of Plan

The following description of the Bozeman Deaconess Health Services Comprehensive Health and Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Generally, the Plan provides health and welfare benefits to employees who work on a continuing and regular basis of at least 16 hours per week. Employees are eligible on the first day of the month following the completion of 30 days of work.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participating Employers

The following Bozeman Health and affiliate companies participate in the Plan:

- Bozeman Deaconess Health Services DBA Bozeman Health
- Bozeman Health Medical Group, LLC
- Bozeman Health Big Sky Medical Center, LLC
- Bozeman Health Foundation
- Bozeman Health Urgent Care, LLC
- Bozeman Health Deaconess Hospital
- Bozeman Health Convenience Care, LLC

Bozeman Health and affiliates, listed above, are collectively referred to a Plan Sponsor/Company.

Benefits

The Plan provides medical, pharmacy, dental, vision, life insurance, accidental death and dismemberment, and long-term disability benefits to eligible employees of the Plan Sponsor and their covered dependents as defined by the Plan document. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan fully insures the vision, life insurance, accidental death, and dismemberment, and long-term disability benefits through insurance contracts. Prior to January 1, 2025, the Plan fully insured the dental benefits through an insurance contract. Premiums for the fully insured benefits are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The Plan is responsible for individual claims up to $250,000 per year.

Self-Insured Benefits

The Plan is "self-insured" for medical and pharmacy benefits up to stop-loss limits. Beginning January 1, 2025 the Plan is "self-insured" for dental benefits. The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Plan's 419(e) Trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan has flexible spending account (FSA) arrangements for health care and dependent care reimbursements that are funded solely by active employee contributions. The FSA's allow eligible participants to be reimbursed tax free for qualified health care and dependent care expenses subject to annual limitations established under the Plan. The employer is not permitted to refund any part of the FSA balances to the employee; the accounts cannot be used for anything other than qualified health care and dependent care expenses; remaining amounts are not portable upon termination once the employee leaves the employer; and any unused amount is forfeited back to the Plan Sponsor. Residual FSA amounts unused at the end of the year can be carried over for three months into the next year to allow qualified expenses incurred during that period to be reimbursed from the account. Any residual FSA amounts remaining after the three-month extension are immediately forfeited.

Active employees enrolled in the high-deductible health plan (HDHP) are eligible to enroll in a health savings account (HSA), subject to Internal Revenue Service (IRS) eligibility requirements. Employees can elect to make contributions to their account subject to IRS limits. The contributions made to the HSA can be used on a tax-free basis to pay or reimburse for qualifying health care expenses. The participant owns the account and is responsible for substantiating distributions from the HSA account.

HSAs are not considered Plan assets as they belong to the individual participants; therefore, there is no reporting in the accompanying financial statements as there is no obligation of the Plan to pay the benefits.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of dental, vision, supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs, based on the current group rate premium cost. The Sponsor pays the full cost of basic life insurance, basic accidental death, and dismemberment insurance, and stop loss insurance.

The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

Experience-Rated Contracts

Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total claims paid and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit. However, the Sponsor's insurance contract provides for fixed premiums over the period of the insurance contract with no annual adjustment for premium surplus or deficit.

Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2 - Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations, and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payments for Benefits

Premiums paid by either the Sponsor or the 419(e) Trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan, are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Experience-rated Contracts

For experience-rated contracts, premium surpluses are recorded as receivables from the insurance company. To the extent that premium surpluses are attributable to premiums paid the Company, a payable to the Company is recorded for surplus amounts attributable to Sponsor-paid coverage.

If the insurance company requires payment of additional premiums due to a premium deficit, an obligation for the additional premiums is included in benefit obligations. If the deficit relates to Sponsor-paid coverage, a receivable from the Sponsor is also recorded. Periodically, a premium deficit is due related to participant-funded coverage, but the trust is unable to pay the entire amount. In this case, the Sponsor pays the difference to the insurance company and a receivable from the Sponsor is recorded.

Stop Loss

Premiums for stop loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits.

Stop loss refunds totaling $2,157,726 and $1,031,981 for the years ended December 31, 2025 and 2024, respectively, have been netted with claims paid in the accompanying statements of changes in net assets. Stop loss refunds that the Plan has not received as of December 31, 2025 and 2024 totaling $373,634 and $1,011,160, respectively, have been recognized as a receivable in the accompanying statements of net assets available for benefits.

Rebates

Rebates due from the Plan's PBM are recorded when earned. Pharmacy rebates totaling $3,302,638 and $2,087,953 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively. Refunds of $282,502 and $156,693 due as of the financial statement date have been reported as a receivable as of December 31, 2025 and 2024, respectively, with the offset netted against claims paid.

Flexible Spending Accounts

Employee contributions totaling $421,663 and $365,816 were received during the plan years ended December 31, 2025 and 2024, respectively, for the health care reimbursement spending accounts and are reflected in participant contributions in the accompanying statements of changes in net assets. Claims submitted under the health care reimbursement accounts before year end or during the subsequent extension period totaled $421,663 and $365,816 for the years ended December 31, 2025 and 2024, respectively, and are included in claims paid in the statements of changes in net assets available for benefits.

Receivables and Allowance for Credit Losses

The Plan has tracked historical loss information for its receivables and determined that all receivables are fully collectible and no allowance for credit losses is needed.

Management believes that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for receivables held at December 31, 2025 and 2024, because the composition of the receivables at those dates is consistent with that used in developing the historical credit expectations (i.e. the similar risk characteristics of its receivables). Additionally, management has determined that the current and reasonable and supportable forecasted economic conditions are consistent with the economic conditions included in the historical information. As a result, the historical loss rates have not been adjusted for differences in current conditions or forecasted changes. Accordingly, the allowance for credit losses at December 31, 2025 and 2024, is $-0-.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies and procedures utilizing information provided by investment advisors and custodians. See Note 3 for discussion on fair value measurements.

Interest income is recorded on the accrual basis.

The classification of investment earnings reported in the statements of changes in the net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Expenses

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include medical and dental administrative fees, professional service fees, and other administrative fees. These expenses are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Expenses that are paid by the Sponsor are excluded from these financial statements.

Benefit Obligations

Plan obligations at December 31, 2025 and 2024, for medical, pharmacy and dental claims incurred by participants, but not reported at that date are estimated based on an analysis of claims paid subsequent to the Plan year-end. Such estimated amounts are included in the accompanying statements of benefit obligations in the amounts currently payable.

Subsequent Events

The Sponsor has evaluated subsequent events through October 9, 2026, the date which the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Overnight repurchase accounts − Valued at the carrying value, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	2025			
	Level 1	Level 2	Level 3	Total
Overnight repurchase accounts	$ -	$ 3,073,934	$ -	$ 3,073,934

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	2024			
	Level 1	Level 2	Level 3	Total
Overnight repurchase accounts	$ -	$ 434,702	$ -	$ 434,702

Note 4 - Tax Status

The Trust established under the Bozeman Deaconess Health Services Comprehensive Health and Welfare Benefit Plan to hold the Plan's assets, is a non-qualified holding trust defined under Section 419 (e) of the Internal Revenue Code and is subject to income tax as a complex trust. The Plan administration does not intend to change this status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. No federal or state income taxes have been recorded in the years ended December 31, 2025 and 2024, for unrelated business taxable income.

Note 5 - Other Income

During the year ended December 31, 2025, the plan received a drug legal settlement in the amount of $298,642 from the PBM. Amount was indeterminable until received, as such the income was not recorded until received. No such activity or other income received or recorded during the year ended December 31, 2024.

Note 6 - Related Party and Party-in-Interest Transactions

As described in Note 1, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

Note 7 - Plan Amendment

Effective January 1, 2025, the Plan's dental benefit became a self-insured benefit.

Note 8 - Risks and Uncertainties

The estimated liability for claims payable and claims incurred but not reported is based on historical trend information, which is subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term could materially affect the amounts reported in the financial statements.

Note 9 - Concentration of Credit Risk

The Plan maintains its cash and overnight repurchase accounts in bank deposit accounts which exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 per depositor, per insured bank, for each account ownership category. At December 31, 2025 and 2024, the Plan had approximately $2,874,000 and $235,000, respectively, in excess of FDIC-insured limits.

Note 10 - Reconciliation of Financial Statements with Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

Claims payable and claims incurred but not reported	(2,286,939)	(2,015,262)
Premiums due to insurers	(140,298)	(84,928)
Net assets (deficit) available for benefits per the Form 5500	$ 3,221,087	$ 1,627,862

The following is a reconciliation of payments for benefits per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Benefits paid to participants per the financial statements	$ 31,016,630	$ 26,724,968
Add claims payable and claims incurred but not reported at end of current year	2,286,939	2,015,262
Deduct claims payable and claims incurred but not reported at end of prior year	(2,015,262)	(2,456,320)
Benefits paid to participants per the Form 5500	$ 31,288,307	$ 26,283,910

The following is a reconciliation of premiums paid to insurance companies per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Premiums paid to insurance companies per the financial statements	$ 2,760,479	$ 4,205,534
Add premiums due to insurers at end of current year	140,298	84,928
Less premiums due to carriers at end of prior year	(84,928)	-
Premiums paid to insurance companies per the Form 5500	$ 2,815,849	$ 4,290,462

Claims and premiums that have been processed and approved for payment at year end but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements, but are recorded on the Form 5500 as a liability.
