Independent Auditor's Report

To the Plan Administrators
ProPetro Services, Inc. 401(k) Plan
Midland, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ProPetro Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ProPetro Services, Inc. 401(k) Plan's (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOLINGER, SEGARS, GILBERT & MOSS, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and schedule of reportable transactions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROPETRO SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the ProPetro Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of ProPetro Services, Inc. (the Employer) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was established and began operations in 2005. The Employer acquired and merged assets of Silvertip's 401(k) Plan into the Plan. Silvertip's employees began participating in the Plan as of January 1, 2023, and Silvertip's 401(k) Plan's assets were mapped into the Plan on April 3, 2023.

Northwest Plan Services, Inc. (NWPS) serves as custodian and manages the investments. NWPS has an explicit agreement with Matrix Trust Company to administer all ministerial duties regarding fund and plan administration. Therefore, NWPS acts and signs on behalf of Matrix Trust Company. As a passive trustee, Matrix Trust Company has specific fiduciary responsibilities, most of which are delegated to NWPS with a passive trustee arrangement. Matrix Trust Company and NWPS act as agents on behalf of the individual officer trustee previously referenced.

Eligibility – Employees are eligible for participation in the Plan after completing one month of service and attainment of age 18. The Plan entry dates are the first day of each month upon which eligibility requirements are met.

Contributions – Under the Plan, the participant and the Employer are both allowed to make contributions. The participants are allowed to contribute a portion of their salary in pre-tax and Roth contributions to the Plan subject to those limitations provided for in Section 402(g) of the Internal Revenue Code. The Plan permits rollover contributions.

As determined annually, the Employer has the option to make discretionary matching contributions, profit sharing contributions, and qualified non-elective contributions.

In addition, effective January 1, 2023, the Employer makes safe harbor matching contributions equal to 100% of salary deferrals that do not exceed 6% of the participant's plan compensation.

Forfeitures – Forfeitures are the non-vested portion of the Employer matching contributions of a terminated participant's account balance. These may be used to reduce matching contributions or to pay administrative expenses of the Plan. Forfeitures totaled $0 and $0 during the years ended December 31, 2025 and 2024, respectively. Forfeiture account balances totaled $163 and $157 as of December 31, 2025 and 2024, respectively.

NOTES TO FINANCIAL STATEMENTS

Participant Accounts – Each participant has one account that is credited with the participant's contributions, Employer matching contributions, and the earnings of the specific investment vehicles selected. Participants may self-direct their contributions to several investment options.

Vesting – Participants are immediately vested in their voluntary contributions, employer contributions, and rollovers, plus actual earnings thereon.

Payment of Benefits – Upon normal retirement age, a participant may receive a lump-sum distribution or partial withdrawals equal to the vested balance of the participant's account. Upon death, a beneficiary may receive payments in accordance with Sections 7.02(b)(1)(A), (B) and (C) and 7.02(b)(2)(A) and (B). Participants may receive in-service distributions, including hardships, from their vested account balances. Distributions to terminated participants will be made as soon as administratively feasible, and an automatic distribution will be made to those participants with a vested balance below $5,000.

2. Summary of Accounting Policies

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Benefits are recorded when incurred.

Investments are required reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

3. Administration of Plan Assets

The Plan assets are held by the Trustees of the Plan. Employer and participant contributions are invested by the Trustees as directed by the participants. The administrative expenses associated with the third-party administrator for the Plan are paid directly by the employer. Other expenses associated with the Trustees of the Plan are paid by the participants. Net investment returns reflect certain fees paid by the investment funds to their affiliated investment advisors, transfer agents, and recordkeeper as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity.

4. Notes Receivable from Participants

Effective July 1, 2024, participants are allowed to borrow from their fund accounts in an amount no less than $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans must be paid in equal payments over a period not extending beyond five years from the date of the loan. The notes are secured by the balance in the Participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates range from 7.75% to 9.50%. All notes must have a definite repayment period which provides for payments to be made through payroll deductions. Participants may not have more than one outstanding note at one time.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

5. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified to as complete and accurate by Matrix Trust Company, the Trustee. The following table represents certified assets at December 31, 2025 and 2024.

	December 31, 2025	December 31, 2024
Cash and Equivalents	$ 29,690	$ 181,812
Investments at Fair Value as Determined by Quoted Fair Market Price:		
Mutual Funds	65,474,620	54,180,798
Common Collective Trusts	2,849,372	1,704,066
	$ 68,353,682	$ 56,066,676

During the years ended December 31, 2025 and 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

	December 31, 2025	December 31, 2024
Interest and Dividend Income	$ 1,407,044	$ 1,108,890
Net Appreciation in Collective Trusts	270,659	126,053
Net Appreciation in Fair Value of Investments	9,501,344	5,336,618
	$ 11,179,047	$ 6,571,561

6. Fair Value Measurements

Financial Accounting Standards Board (FASB), *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

NOTES TO FINANCIAL STATEMENTS

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Common Collective Trusts: Valued at the NAV of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 65,474,620	$	$	$ 65,474,620
Common Collective Trusts		2,849,372		2,849,372
	$ 65,474,620	$ 2,849,372	$ 0	$ 68,323,992

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 54,180,798	$	$	$ 54,180,798
Common Collective Trusts		1,704,066		1,704,066
	$ 54,180,798	$ 1,704,066	$ 0	$ 55,884,864

Concentrations of credit risk exist if a number of investments are engaged in similar activities and have similar economic characteristics that could cause their ability to meet contractual obligations to be similarly affected by changes in economic or other conditions. The Plan has invested in a variety of financial instruments and investments involving diverse industries and geographic areas to mitigate exposure to credit risk.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter dated June 30, 2020, that by adopting a prototype standardized profit-sharing plan, the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code and are not subject to tax under present regulations. The Employer itself has not applied for tax exemption status for the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and Plan's tax counsel believe that by adopting the prototype standardized plan referenced above, that the Plan is being operated in compliance with applicable requirements of the Internal Revenue Code.

The Plan adopted the "uncertain tax positions" provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax exempt entity. The Plan determined that it is more likely than not, that its tax positions would be sustained upon examination by the Internal Revenue Service (IRS), or other state taxing authorities. There were no penalties or interest recognized during the years ended December 31, 2025 and 2024. The Plan is no longer subject to U.S. federal income tax examinations by federal taxing authorities for years before 2022.

10. Related Party Transactions

Certain Plan investments are managed by NWPS and Matrix Trust Company. Matrix Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2025 and 2024, fees that were paid by the Plan for recordkeeping and administrative services amounted to $138,623 and $125,099, respectively.

NOTES TO FINANCIAL STATEMENTS

11. Subsequent Events

The Plan's management has evaluated subsequent events through October 7, 2026, the date which the financial statements were available for issue.
