INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Electra Link, Inc. 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Electra Link, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier which is regulated, supervised and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are performed and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 for the year ended December 31, 2025, stating the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining the Plan's transactions which are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report which includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures which are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters which we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules which agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule which agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Electra Link, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan document is controlling at all times. The Plan is sponsored by Electra Link, Inc. (the "Company"), and the Plan's trustee is Empower Trust Company (the "Trustee"). The Plan's custodian is Empower Annuity Insurance Company of America (the "Custodian").

GENERAL

The Plan is a defined contribution plan covering substantially all employees of the Company, other than leased employees, who have completed six months of service and attained the minimum age requirement of 21. Six months of service will have been completed at the end of the sixth consecutive month of employment. The Plan is subject to the provision of the Employment Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Participants may make an elective deferral, for each Plan year, in amount equal to the maximum percentage allowable under law of pretax annual compensation, as defined in the Plan. Upon attaining the eligibility requirements, an employee will be automatically enrolled in the Plan with a deferral amount of 3%, unless otherwise indicated by the employee. The auto deferral will increase 1% up to 6% cap, with the first increase to occur on the second change anniversary. Participants may also contribute amounts representing distributions from other qualified retirement defined benefit or defined contribution plans. During any calendar year ending or after the participant obtains the age of 50, participants may make catch-up contributions exceeding the annual elective deferral limit. These additional amounts are subject to an annual limit imposed by law.

The Company contributes 50% of the participant's contribution up to 3% of the participant's compensation, up to a maximum of 1.5% of the participant's compensation. For the year ended December 31, 2025, the Company made matching contributions of $255,396, which were reduced by forfeitures used of $22,078, resulting in net Company matching contribution of $233,318.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Separate accounts are maintained for each participant. Participant accounts are credited with participant contributions, rollover contributions, allocations of Company contributions and investment earnings and losses, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct the investment of their individual accounts among alternative investment funds provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds. On December 31, 2025, the Plan's investments consist of 23 mutual funds, 3 collective trust funds, 3 pooled separate accounts and a fixed asset annuity.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may only have one outstanding note receivable at a time. The note is secured by the balance in the participant's account and bears a reasonable rate of interest as determined by the Plan, based on reviewing the interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions. On December 31, 2025, interest rates on outstanding notes receivable ranged from 4.25% to 9.50%. As of December 31, 2025 and 2024, the outstanding balances on the notes receivable from participants were $570,624 and $410,344, respectively.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may also elect to receive a pre-retirement distribution from their fully vested accounts once they attain the age of 50. For termination of service due to other reasons, a participant with an account balance exceeding $5,000 may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. Vested account balances of $1,000 or less are distributed to participants as a lump sum distribution without the participants consent. For balances between $1,000 to $5,000, the invested balance will be automatically rolled over with

Millennium Trust. Hardship withdrawals are permitted from participant deferrals and rollovers, within limitations and conditions as defined by the Plan.

VESTING

Participants are immediately vested in salary deferrals and distributions from other qualified retirement defined benefit or defined contribution plans, along with any earnings thereon.

Prior to normal retirement age, the participant becomes vested in the Company matching and non-elective contributions as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants become 100% vested in the event of disability or death. Years of service is defined as any year in which the participant works 1,000 hours.

FORFEITURES

Forfeited non-vested accounts are available to be used to reduce administrative expenses, to reduce any non-elective contributions or reduce any employer matching contributions. For the year ended December 31, 2025, the Plan applied $14,500 of forfeited non-vested accounts to reduce administrative expenses and $22,078 to reduce employer matching contributions. As of December 31, 2025 and 2024, the forfeited non-vested accounts totaled $15,004 and $21,581, respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions which affect the amounts reported in the financial statements and accompanying notes and schedules. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments in mutual funds are stated at fair value, as determined by the Custodian. Fair value for mutual funds equals the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of change. The Plan's investments in common/collective trust funds are valued at their net asset value ("NAV") per share as a practical expedient.

The Guaranteed Portfolio Fund is a general account product of the insurance company and is reported at contract value. According to the Custodian's Fair Value Information Notice, fair value determined using a discounted cash flow methodology equals the reported contract value prior to contract termination. The interest crediting rate is based on earnings of the underlying medium-long term portfolio, the contractual minimum interest crediting rate, and prevailing market conditions. The rate is reset quarterly. The fund is benefit responsive for participant-initiated transactions. Plan-initiated transactions are subject to a contractual provision that prevents immediate and full payout of contract value. See *Note 10* regarding the subsequent contract termination election and put period.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document; thus, no allowance for doubtful accounts has been recorded at December 31, 2025 and 2024.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain fees for services charged by the Custodian may be directly charged to a participant. Investment management and advisory fees are charged to the Plan. Other administrative costs of the Plan charged by the Custodian are generally paid by the Company.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan measures and reports certain assets and liabilities at fair value within a hierarchical disclosure framework which prioritizes and ranks the level of observable inputs used in measuring fair value. Level one inputs include inputs which are unadjusted, quoted prices for identical assets or liabilities in active markets. Level two measurements include inputs which are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets or liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date. Level three inputs are unobservable inputs which are significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input significant to the fair value measurement.

The fair value of mutual funds is based on quoted net asset values of shares held by the Plan at year-end. Investments in common/collective trusts are valued at the net asset value ("NAV") as determined by using estimated fair value of the underlying assets held in the fund as reported by the investment manager of the trust. Investments measured using NAV per share (or its equivalent) practical expedient for fair value have not been categorized in the fair value hierarchy. There have been no changes in methodologies used as of December 31, 2025.

***NOTE 3* – FAIR VALUE MEASUREMENTS (CONTINUED)**

The fair value of pooled separate accounts is based on the prices/unit values of the underlying variable annuity investment options, which are calculated daily by the annuity provider according to the methods described in the annuity contract. The accounting unit value is determined in a manner similar to a mutual fund net asset value calculation.

The Guaranteed Portfolio Fund is reported at contract value, as described in *Note 2*, and is excluded from the fair value hierarchy tables. Its reported value is determined using the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

There have been no changes in methodologies used as of December 31, 2025. The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values.

Although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Quoted Market Prices in Active Markets (Level One)	Other Observable Inputs (Level Two)	Unobservable Inputs (Level Three)
Mutual Funds	$ 9,451,172	$ -	$ -
Pooled Separate Accounts	-	2,231,799	-
	$ 9,451,172	$ 2,231,799	$ -

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Quoted Market Prices in Active Markets (Level One)	Other Observable Inputs (Level Two)	Unobservable Inputs (Level Three)
Mutual Funds	$ 7,914,353	$ -	$ -
Pooled Separate Accounts	-	2,042,962	-
	$ 7,914,353	$ 2,042,962	$ -

The following table permits a reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024:

	2025	2024
Investments at Fair Value within Hierarchy	$ 11,682,971	$ 9,957,315
Investments at NAV as a Practical Expedient for Fair Value		
Common/Collective Trusts	812,239	758,088
Total Investments, at Fair Value	$ 12,495,210	$ 10,715,403

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's financial information included in the financial statements and supplemental schedule is based on the information certified by the Custodian as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The certified information includes assets of $13,664,058 and $11,701,451 at December 31, 2025 and 2024, respectively.

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the Custodian. Accordingly, the Custodian has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

> Investments in mutual funds, common collective trust funds, pooled separate accounts and general insurance funds, as shown in the statements of net assets available for Plan benefits on December 31, 2025 and 2024.

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN (CONTINUED)

Notes receivable from participants, as shown in the statements of net assets available for benefits at December 31, 2025 and 2024.

Investment activity, as shown in the statement of net changes in net assets available for Plan benefits for the year ended December 31, 2025.

The information in the supplemental schedule of assets (held at year end) as of December 31, 2025.

The Plan's independent public accountant did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – INCOME TAXES

The prototype plan and trust agreement established by the Custodian to hold the Plan's assets is qualified pursuant to section 401(a) of the Internal Revenue Code by a letter dated March 31, 2014; and accordingly, the Plan's net investment income is exempt from income taxes. The prototype has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held, and certain administrative functions are performed by the Custodian of the Plan. The Company provides certain administrative functions and absorbs certain administrative costs on behalf of the Plan.

NOTE 7 – PARTY-IN-INTEREST

Net assets available for benefits include investments managed by the Custodian on December 31, 2025 and 2024. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA. Fees paid directly by the Plan to the Custodian amounted to $67,375 for the year ended December 31, 2025.

NOTE 7 – PARTY-IN-INTEREST (CONTINUED)

Additionally, the plan auditors are considered parties-in-interest. For the year ended December 31, 2025, fees paid by the Plan to the plan auditors totaled $14,500. The Plan also paid $15,662 for investment advisor and management, for the year ended December 31, 2025. These transactions are exempt from being prohibited transactions by ERISA.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible change in values of investment securities will occur in the near term and such change could materially affect participant's account balances and the amount reported in the statement of net assets available for benefits.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of Plan termination, including partial Plan termination, active participants will become 100% vested in their accounts and the Custodian will distribute all assets remaining after payment of any expenses chargeable to the Plan to participants or their beneficiaries in accordance with the Plan's provisions.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the date of the independent auditors' report, the date which the financial statements were available to be issued.

On August 26, 2026, the Company notified Empower of its decision to transfer the Plan's recordkeeping and investment services to Principal Life Insurance Company, a member of Principal Financial Group. The transition schedule provides for a blackout period beginning November 10, 2026, deconversion on November 17, 2026, and the transfer of available assets and final records on November 18, 2026. Certain participant transactions will be temporarily restricted during the blackout period.

On September 24, 2026, the Plan notified Empower of its irrevocable election to terminate the Guaranteed Portfolio Fund contract and requested commencement of the contractual put period.

***NOTE 10* – SUBSEQUENT EVENTS (CONTINUED)**

The notice requested payment on September 24, 2027, or the next applicable business day. Accordingly, the assets invested in this fund will remain with Empower during the put period rather than transfer with the Plan's other investments in November 2026. The Plan's investment in the fund totaled $598,224 at December 31, 2025.

No termination-related fees are known as of the date the financial statements were available to be issued. The final amount payable from the Guaranteed Portfolio Fund has not yet been determined. These subsequent events do not result in adjustments to the accompanying financial statements.
