INDEPENDENT AUDITORS' REPORT

To the Thunder Bay Community Health Service 401(k) Plan Participants

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Thunder Bay Community Health Service 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Thunder Bay Community Health Service 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Thunder Bay Community Health Service 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thunder Bay Community Health Service 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements and omitted disclosures are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thunder Bay Community Health Service 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thunder Bay Community Health Service 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

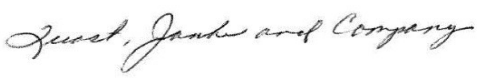

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF THE PLAN:

The following description of the Thunder Bay Community Health Service 401(k) Plan provides only general information. Participants should refer to the Plan adoption agreement, plan document and plan summary for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering all employees of the Organization who have met the eligibility requirements. This 401(k) plan requires employees to complete three consecutive full calendar months of employment during which the employee is credited with at least one hour of service. The plan also requires a minimum age of 21. Entry date after meeting eligibility requirements is the first day of the next month. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

A participant may make an election to defer his/her compensation and have it contributed to the Plan under a salary reduction agreement. The salary reduction agreement has specific maximum and minimum deferral limits. **Effective March 1, 2025, the Plan was amended to include an automatic enrollment provision for newly hired employees. Under this provision, eligible newly hired employees are automatically enrolled at a contribution rate of 3% of eligible compensation unless they affirmatively elect a different contribution percentage or elect not to participate.** Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up deferral contributions.

The employer safe harbor contribution is 3% of employee's compensation. Safe harbor contributions totaled $472,359 and $425,564 for the years ended December 31, 2025 and 2024. An employee does not have to defer contributions to receive the safe harbor contribution. The Organization will or may make discretionary additional matching contributions. The 2025 and 2024 additional matching contribution was 50% of elective deferral not exceeding 6% of participant's compensation. The employer additional match was $360,405 and $319,025 for 2025 and 2024, respectively. The Organization may contribute a discretionary contribution. The employer made no discretionary contributions for employees in 2025 or 2024.

Participants direct the investment of their elective deferrals and the employer contributions into various investment options offered by the Plan. The Plan currently offers numerous mutual fund investment options for participants.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution. Plan earnings (losses), are based on participant earnings and account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

A participant has a 100% vested interest at all times in his/her account attributable to elective deferrals and rollovers. Vesting in the Company's contribution portion of the safe harbor is immediately vested and discretionary contributions have a six year graded vesting period.

***Notes Receivable from Participant (Participant Loans)***

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate of 4.25 to 9.50%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

***Payment of Benefits***

On termination of service due to death, disability or retirement, a participant may elect to receive the value of the participant's vested interest in his or her account in the form of either a lump sum amount or installment payments. In-service withdrawal of the vested balances may be elected by participants who have reached 59 ½ years of age. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

***Plan expenses***

Certain costs of administering the Plan are paid by the Plan Sponsor and are therefore not reflected in the Plan's financial statements. Other costs such as loan fees paid by participants and recordkeeping fees are paid with Plan assets and are reflected in the financial statements.

***Forfeited Accounts***

Forfeited nonvested accounts are used to reduce employer contributions. At December 31, 2025 and 2024 the balances were $32,778 and $56,124, respectively. Employer contributions for 2025 and 2024 were reduced by $23,072 and $28,824, respectively from forfeited nonvested accounts.

## B. SUMMARY OF ACCOUNTING POLICIES:

***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

***Participant Loans***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits***

Benefits are recorded when paid.

***Operating Expenses***

All operating expenses of the Plan are paid by the Organization and are therefore excluded these financial statements.

***Date of Management Review***

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2025, the most recent statement of net assets available for benefits presented herein, through September 30, 2026 the date these financial statements were available to be issued. No such events or transactions were identified.

## C. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Capital Bank and Trust Company.

| | 2025 | 2024 |
|---|---|---|
| Investments, at fair value: | | |
| Mutual funds | $ 16,904,936 | $ 13,370,438 |
| Dividend/Interest income | 1,145,292 | 726,591 |
| Net appreciation (depreciation) | 1,497,045 | 990,300 |
| Participant notes | 38,508 | 21,626 |
| Participant note interest | 2,554 | 1,908 |

## D. FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the period presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Level 1 – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table is the Plan's investments at fair value as of December 31, 2025 and 2024. All investments held by the plan for both years used only Level 1 inputs.

**Fair value measurement at the end of the reporting period using quoted prices in active markets for identical assets (Level 1)**

| | December 31, | |
|---|---|---|
| | **2025** | **2024** |
| Mutual funds | $ 16,904,936 | $ 13,370,438 |

## E. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS:

The Plan invests in mutual funds managed by Capital Research and Management Company, an affiliate of Capital Bank and Trust Company, the qualified institution that holds and certifies the Plan's investments, and of Capital Group Retirement Plan Services, the Plan's recordkeeper. Accordingly, transactions in these funds qualify as party-in-interest transactions. Fees paid by the Plan to Capital Group Retirement Plan Services for recordkeeping services amounted to $28,497 and $24,742 for the years ended December 31, 2025 and 2024, respectively.

Edward Jones serves as investment advisor to the Plan and is therefore a party in interest. Fees paid by the Plan to Edward Jones amounted to $34,871 and $32,953 for the years ended December 31, 2025 and 2024, respectively.

Notes receivable from participants also qualify as party-in-interest transactions. In addition, the Organization, as Plan sponsor, pays certain administrative expenses of the Plan, which are not reflected in the financial statements. These transactions are exempt from the prohibited transaction rules of ERISA.

## F. PLAN TERMINATION:

Although it has not expressed any intent to do so, the organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## G. TAX STATUS:

The Plan has adopted a non-standardized pre-approved plan document sponsored by Capital Group Retirement Plan Services. The Internal Revenue Service has issued an opinion letter dated June 30, 2020, stating that the form of the pre-approved plan is acceptable under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan administrator and the Plan's third-party administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
