INDEPENDENT AUDITORS' REPORT

To the Trustees of
Richard Design Services, Inc. Field & Craft Regular 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Richard Design Services, Inc. Field & Craft Regular 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Richard Design Services, Inc. Field & Craft Regular 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Richard Design Services, Inc. Field & Craft Regular 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements under the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Richard Design Services, Inc. Field & Craft Regular 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Richard Design Services, Inc. Field & Craft Regular 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Richard Design Services, Inc. Field & Craft Regular 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions – modified cash basis and assets held the end of year – modified cash basis are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RICHARD DESIGN SERVICES, INC. FIELD & CRAFT REGULAR 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025

NOTE 1: DESCRIPTION OF PLAN

The following description of the Richard Design Services, Inc. Field & Craft Regular 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. A copy of the Plan Document is available at the Company's office.

General: The Plan is a defined contribution plan covering all employees of the Company, as defined in the plan document, who have reached the age of twenty-one except for collective bargaining employees, non-resident aliens and all employees who are not in Full-Time Departments. The Plan is a type of qualified retirement plan commonly referred to as a 401(k) Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute as little as one percent of pretax and after-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan or self-directed accounts. The company, at the discretion of the Company's board of directors, may contribute amounts based on the percentage of each contributing participant's elective deferral.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts, plus actual earnings thereon are based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Notes Receivable from Participants: Participants may borrow from their individual accounts, a minimum of $1,000 to a maximum of $50,000 or the individual's vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates of 4.25 to 9.5 percent, which is commensurate with local prevailing rates as determined by the Plan administrator. Participants are permitted to have only one outstanding loan at any time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: All distributions from the Plan will be in one lump-sum payment in cash. If the vested benefit under the Plan exceeds $5,000, then the participant must consent to the distribution before it may be made. If the vested benefit under the Plan does not exceed $5,000, then the benefit will be distributed as a direct rollover to an individual retirement account.

Forfeited Accounts: At December 31, 2025 and 2024, forfeited non-vested accounts totaled $111 and $5,416 respectively. These accounts can be used to reduce future employer contributions or applied to fees incurred by the plan. For the year ended December 31, 2025, employer contributions were reduced by $18,110 from forfeited nonvested accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Thus, asset amounts are generally reflected on the cash basis of accounting, except for contributions. The contributions are reported on a plan-year accrual basis.

Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the modified cash basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition: Investments are reported at fair value. The value of the account is determined at the close of each business day based on market value. The value of the account is expressed in "units". The "unit value" is the dollar value of one unit and is determined at the close of each business day by dividing the value of the entire account by the total number of units in the account. See Note 9 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held at year end.

The Plan's investments in the John Hancock Stable Value Fund and John Hancock Lifetime Blend CIT R2 series are structured as collective investment trusts (CITs). In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement,* the Plan utilizes the Net Asset Value (NAV) per unit provided by the fund administrator, John Hancock Trust Company LLC, as a practical expedient to estimate the fair value of these investments. The NAV is based on the fair value of the underlying assets held by each fund, less its liabilities, divided by the number of outstanding units. These investments are valued and traded daily.

Payment of Benefits: Benefits are recorded when paid.

Costs of the Plan: Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Administrative expenses of the plan are allocated to participant accounts. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE 3: PLAN INVESTMENTS

During the plan year ended December 31, 2025, the Plan's investments (including gains and losses in investments bought and sold, as well as held during the year) appreciated $565,086.

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5: INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION (UNAUDITED)

Certain information related to cash, investments and notes receivable from participants included in the accompanying financial statements and ERISA-required supplemental schedules, including the amounts held as of December 31, 2025 and 2024 and the related investment income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), a qualified institution.

The following information included in the accompanying financial statements and ERISA-required supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), a qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as of December 31, 2025 and 2024:

	2025	2024
Cash account	$ 111	$ 5,416
Investments at fair value	3,767,754	3,763,931
Notes Receivable from participants	144,172	175,761
	$ 3,912,037	$ 3,945,108

NOTE 6: TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been restated to incorporate prior amendments, and legislation enacted. Although the Plan has been amended since adoption of the pre-approved plan document, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, they believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7: RELATED PARTY TRANSACTIONS

Certain Plan investments are interests in collective investment trusts and other investment funds managed or sponsored by John Hancock – affiliated entities. John Hancock Retirement Plan Services, LLC provides administrative and/or record-keeping services to the Plan. Fees paid to John Hancock Life Insurance Company (U.S.A.) for investment management services amounted to $18,316 for the year ended December 31, 2025, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the third-party administrators, Economic Group Pension Services, $4,220 and Nova Associates $2,616, for administrative services was $6,836 for the year ended December 31, 2025. These transactions also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8: AMOUNTS ALLOCATED TO WITHDRAWN PARTICIPANTS WITH BALANCES

As of December 31, 2025 and 2024, net assets available for plan benefits included $429,084 and $700,524 respectively, for distributions to participants who have terminated employment from the Plan sponsor prior to the end of the Plan year, but had not received or requested a distribution as of year-end.

NOTE 9: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices included within Level 1. Level 3 inputs are unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence for fair value. In accordance with FASB Accounting Standards Update (ASU) 2015-07, investments measured at fair value using the NAV per share (or its equivalent) practical expedient are explicitly excluded from classification within the three-level fair value hierarchy table. The fair value amounts presented below are structured to permit a direct reconciliation of the fair value hierarchy to the total investment line reported on the Statement of Net Assets Available for Benefits.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the units held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

NOTE 9: FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables provide, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Fair Value	Fair Value Measurements at the End of the Reporting Period Using: Quoted Prices in Active Markets for Identical Assets (Level 1)	NAV Practical Expedient
December 31, 2025			
Mutual Funds	$ 2,135,189	$ 2,135,189	$ -
Total assets in the fair value hierarchy	2,135,189	2,135,189	-
Common Collective Trust at NAV	1,632,565	-	1,632,565
Total investments measured at fair value	$ 3,767,754	$ 2,135,189	$ 1,632,565
December 31, 2024			
Mutual Funds	$ 3,763,764	$ 3,763,764	$ -
Total assets in the fair value hierarchy	3,763,764	3,763,764	-
Common Collective Trust at NAV	167	-	167
Total investments measured at fair value	$ 3,763,931	$ 3,763,764	$ 167

Investments in Collective Investment Trusts – The Plan invests in several investment vehicles managed by John Hancock Trust and these investment vehicles are common investment trusts (CITs).

The underlying assets of John Hancock Stable Value Fund - which is valued using the Net Asset Value (NAV) per unit as the practical expedient - consist primarily of fixed-income instruments and fully benefit-responsive investment contracts. These underlying contracts are wrapped by financial institutions and are valued at contract value (representing principal plus accumulated interest).

The Plan also invests in the John Hancock Lifetime Blend CIT R2 funds, which are structured as CITs and operate as diversified, multi-asset class "fund-of-funds" designed to achieve an optimal total return relative to the chosen retirement horizon. The strategic allocation automatically downshifts risk exposure over time along a predetermined asset-allocation glide path as the targeted maturity year approaches.

NOTE 9: FAIR VALUE MEASUREMENTS (CONTINUED)

These investments are also valued at NAV per unit provided by the fund administrator as a practical expedient. The NAV is based on the fair value of the underlying assets held by each fund, less its liabilities, divided by the number of outstanding units. The NAV is updated and available on a daily trading basis. There are no participant-directed redemption restrictions or unfunded commitments matching this investment.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation/(depreciation) in fair value of investments.

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statement	$ 3,926,261	$ 3,970,518
Less employer match for true-up	(14,224)	-
Net assets available for benefits per Schedule H to Form 5500	$ 3,912,037	$ 3,970,518

The following is a reconciliation of changes in net assets per the financial statements to changes in net assets reported on Schedule H of Form 5500:

Changes in net assets per the financial statements	$ 139,036
Less: amounts for employer true up receivable	(14,224)
Changes in net assets per Schedule H of Form 5500	$ 124,812

NOTE 11: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 12: PLAN RESTATEMENT AND AMENDMENTS

On January 1, 2022, the Plan was restated to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The IRS opinion letter dated June 30, 2020 stated the form of the plan document is acceptable by employers for the benefit of their employees under Internal Revenue Code (IRC) Section 401. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 13: SUBSEQUENT EVENTS

Subsequent events were evaluated through October 6, 2026, which is the date the financial statements were available to be issued.

NOTE 14: EXCESS CONTRIBUTIONS

At December 31, 2025, amounts refunded by the Plan to participants and the employer for contributions made in excess of amounts allowed by the Internal Revenue Service regulations were $35,286.

NOTE 15: NONDISCRIMINATION TESTING

The required nondiscrimination testing for the year 2025 plan year was not completed by the required deadline of March 15, 2026. The Plan did not pass the average deferral percentage (ADP) test. As of the date the financial statements were available to be issued, the required corrective distributions remained outstanding. The amounts of the required corrective distributions were determined by the third-party administrator, and the Plan sponsor is working with the third-party administrator to distribute the amounts to the affected participants. The third-party administrator will prepare Form 5330, Return of Excise Taxes Related to Employee Benefit Plans, and the Plan sponsor will remit the applicable excise tax.

NOTE 16: DELINQUENT CONTRIBUTIONS

The Plan sponsor did not timely remit participant contributions and participant loan repayments for one payroll period. The late remittance constituted a violation of the applicable provisions of ERISA. The Plan sponsor and Plan administrator have remitted all delinquent contributions and loan repayments for the period. The Plan sponsor calculated the related lost earnings, which were remitted to the affected participants' accounts. The Plan sponsor will also prepare Form 5330, Return of Excise Taxes Related to Employee Benefit Plans, and will remit the applicable excise tax due with respect to the prohibited transaction.

NOTE 17: TRANSFER OF ASSETS

The Plan was amended in 2020 which resulted in participants no longer considered a covered class of employees for the Richard Design Services, Inc. Field & Craft, Inc. Regular 401(k) Plan but were in the covered class of Richard Design Services, Inc. Full-Time Regular 401(k) Plan. During the year ended December 31, 2025, there were participants that were considered in the covered class for Richard Design Services, Inc. Full-Time Regular 401(k) Plan but had accounts in the Richard Design Services Field & Craft, Inc. Regular 401(k) Plan; therefore, the full balance of the accounts for these participants was transferred to the Richard Design Services, Inc. Full-Time Regular 401(k) Plan. The total amount that was transferred to the Richard Design Services Full-Time Regular 401(k) Plan was $183,293.
