INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Berks New Homes, LLC Group Medical Plan
Mohnton, Pennsylvania

Opinion

We have audited the accompanying financial statements of the Berks New Homes, LLC Group Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Berks New Homes, LLC Group Medical Plan as of December 31, 2025, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Berks New Homes, LLC Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Berks New Homes, LLC Group Medical Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Berks New Homes, LLC Group Medical Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Berks New Homes, LLC Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

Note 1 – Plan Description

The following description of the Berks New Homes, LLC Group Medical Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General – The Plan, established as of January 1, 2025 provides health benefits covering eligible employees of Berks New Homes, LLC and Berks Home Realty, LLC (the "Companies") and covered dependents. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits – The Plan provides health benefits to eligible employees, including medical and prescription. The Plan covers full-time employees working at least 30 hours per week and their dependents following completion of 30 days of employment. The health benefits are substantially self-insured and self-funded by the Companies.

Stop Loss Insurance – The Plan had a stop loss insurance policy under which medical and prescription claims were covered in excess of $50,000 for 2025, per covered person, and provides a maximum aggregate benefit of $1,000,000 in excess of the deductible. The minimum aggregate deductible for the year ended December 31, 2025 was $613,897.

Stop loss reimbursements netted against health claims totaled $752,376 for the year ended December 31, 2025. Stop loss reimbursement receivables for paid claims but not reimbursed at December 31, 2025 was $118,110.

Contributions – The Plan is contributory. Employees pay a flat rate toward their coverage and that of their dependents through pre-tax payroll deductions, which vary depending upon the benefit plan options selected. Employees can utilize Health Savings Account and Health Reimbursement Accounts to fund their contributions.

The Companies fund the health benefits using a trust established by the Veris Benefits Consortium, LLC (the "Consortium") for the Plan. Monthly contributions are made to the trust in an amount sufficient to cover expected claims, administrative expenses, and stop loss insurance premiums.

Plan Administration – The Plan provides health benefits through the Consortium developed in 2011 for private sector employers. The Companies are a participating member of the Consortium and executed an agreement to pay its health benefits through the Consortium. The Consortium performs administrative services on behalf of the Companies, including development of the program with respect to eligibility, underwriting standards, placing stop loss insurance, coordination of regulatory compliance, and document preparation.

Additionally, the Plan entered into an agreement with an insurance provider to administer the health benefits under the Plan in accordance with its policies and procedures. The insurance company invoices the Plan for claims paid on a weekly basis. The payment of claims and administrative expenses is processed by the Consortium.

Notes to Financial Statements

Note 1 – Plan Description – Continued

COBRA – The Plan offers continuation of benefits through the Consolidated Omnibus Budget Reconciliation Act (COBRA) for a specified period to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a qualifying life changing event.

Note 2 – Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Cash Overdraft – At times throughout the year, the Plan may owe the Consortium amounts for outstanding checks that have not cleared the Consortium's operating cash account. These amounts owed at year end are reported as a cash overdraft on the statements of net assets available for benefits.

Estimated Claims Incurred but Not Reported – Estimated claims incurred but not reported are claims, which have service dates prior to year end but are reported to the Plan subsequent to year end. Those amounts are estimated based on actual claims experience. See Note 4 for benefit obligations.

Payment of Benefits – Claim and premium payments paid by the Consortium are recorded when paid.

Administrative Expenses – Certain administrative fees are paid by the Plan. These expenses include broker fees.

Subsequent Events – Events that occurred subsequent to December 31, 2025 have been evaluated by the Plan's management through October 12, which is the date the financial statements were available to be issued.

Note 3 – New Accounting Standards

Pronouncements issued by the Financial Accounting Standards Board (FASB) with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

Notes to Financial Statements

Note 4 – Benefit Obligations

FASB Accounting Standards Codification (ASC) 965, *Accounting and Reporting by Health and Welfare Benefit Plans*, requires disclosures of the following plan obligations at December 31, 2025:

	$
Plan's benefit obligations:	
Claims payable and currently due for active participants	59,154
Claims incurred but not reported to the Plan for active participants	124,186
Total Benefit Obligations	183,340
Claims payable and currently due and claims incurred but not reported:	
Balance at beginning of the Plan year	0
Claims incurred	1,493,453
Claims paid	(1,310,113)
Balance at end of the Plan year	183,340

Plan obligations at December 31, 2025 for claims incurred by participants but not reported at that date are measured at the present value, as applicable, of the estimated ultimate cost to the Plan of settling the claims. Estimated ultimate cost reflects the Plan's obligation to pay claims to or for participants, regardless of the status of employment beyond December 31, 2025, pursuant to the provisions of the Plan. The liability is computed by the Plan's actuary. The method used to derive the estimated unpaid claims liability applies the reserve factor to a monthly average of the past several months of medical and drug claims, which is then adjusted as needed based on actual subsequent period claims paid.

Note 5 – Tax Status

The Plan is intended to qualify as an employee welfare benefit plan as defined in ERISA. The Plan benefits are funded out of the general assets of the Companies and employee contributions. The health benefits are paid in part of the trust established by the Consortium. The trust established under the Plan to hold the Plan's assets is a taxable trust.

Note 6 – Transactions with Parties-In-Interest

USI Greater Philadelphia, who provides brokerage services on behalf of the Plan is a party-in-interest and was paid $86,385 for the year ended December 31, 2025.

The Benecon Group, who provides brokerage and administrative services on behalf of the Plan is a party-in-interest and was paid $21,543 for the year ended December 31, 2025.

Note 6 – Transactions with Parties-In-Interest – Continued

ConnectCare 3, LLC, who provides patient advocate services to the Plan's participants on behalf of the Plan is a party-in-interest and was paid $7,469 for the year ended December 31, 2025.

Note 7 – Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

Note 8 – Plan Termination

Although they have not expressed any intention to do so, the Companies have the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, the Companies must pay the claims incurred and expenses of the Plan due up to the date of termination plus extended benefits, if any, provided under the Plan.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31:

	$
Net assets available for benefits per financial statements	125,998
