## Independent Auditors' Report

**The Plan Administrator and Participants of**
**DeVal Lifecycle Support, LLC 401(k) Profit Sharing Plan**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DeVal Lifecycle Support, LLC 401(k) Profit Sharing Plan(the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on these supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DeVal Lifecycle Support, LLC 401(k) Profit Sharing Plan**

Notes to Financial Statements
December 31, 2025

## 1. Description of Plan

The following description of DeVal Lifecycle Support, LLC 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan covering all eligible employees of DeVal Lifecycle Support, LLC (the "Company" or "Employer") or any affiliate who has adopted the Plan. Union employees, leased employees, and non-resident aliens are excluded from participation in the Plan. The Plan is intended to satisfy the applicable sections of the Internal Revenue Code ("IRC"). An employee becomes eligible to make elective contributions and start receiving the Employer matching contribution along with Employer non elective and safe harbor match upon attainment of age 20.5 years. There is no minimum service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

### *Contributions*

Each year, eligible employees may elect to have a percentage or specified dollar amount deducted from their eligible compensation, as defined by the Plan document. Participant's contributions may be deducted on a pre-tax basis. After-tax contributions, also known as "Roth Contributions" are also permitted under the Plan. Participants who are age 50 years or older may also make catch up contributions as allowed by the IRC. Participants may make a rollover contribution of amounts distributed from another tax-qualified pension or profit-sharing plan.

The Company makes matching contributions and non-elective Employer match at its discretion to the Plan on behalf of eligible participants. Non-elective contributions are allocated to eligible participants who complete at least 1,000 hours of service and remains employed as of the last day of the plan year. In 2025 and 2024, the Company elected not to make additional Employer contributions. Also, safe harbor matching contributions are made at 100% of "matched employee contributions" not in excess of 3% of the participants eligible compensation and 50% of the participant's "matched employee contributions" that exceed 3% of the participant's eligible compensation but that do not exceed 5% of the participants eligible compensation. "Matched employee contributions" are any elective deferral contribution or catch up contribution that is made during the year.

### *Participant Accounts*

Each participant's account is credited for participant and Employer matching contributions, investment earnings and charged for allocated administrative expenses. The contributions are allocated among the investment options according to the participant's instructions. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## 1. Description of Plan *(continued)*

### *Vesting*

Participants are fully vested in that portion of their account which represents their contributions, safe harbor matching contributions and the income earned thereon. Participants vest in the Employer matching contributions and non-elective contributions plus actual earnings thereon as per the following schedule:

| Years of Service | Vested percentage |
|---|---|
| Less than 3 years | 0% |
| 3 or more years | 100% |

### *Forfeitures*

In the event that a participant terminates before becoming fully vested in his or her account balance, the non-vested portion of the participants' account balances will be forfeited as of the termination date. Forfeitures of terminated non-vested accounts will be used to reduce future Employer contributions made to the Plan or used to pay any administrative expenses of the Plan. At December 31, 2025 and 2024, forfeited nonvested amounts totaled $4,161 and $4,007. During 2025 and 2024, no forfeitures were used to offset Employer matching contributions or administrative expenses.

### *Notes Receivable from Participants*

Participants may borrow from their vested fund accounts a minimum amount of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the participant's vested account balance and bear interest at the prime rate plus one percent. Loans generally are repaid through payroll deductions over terms of up to five years, or up to fifteen years for a qualifying principal-residence loan. The loan policy also permits certain partial repayments and early payoffs by other methods.

### *Withdrawals and Benefit Payments*

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Participants may elect a lump sum distribution, cash or in kind or partial withdrawals. A participant may also request a withdrawal upon attainment of age 59 ½ or upon demonstration by the participant to the plan administrator that the participant is suffering from a hardship. A force -out provision for amount not exceeding $5,000 applies.

## 2. Summary of Significant Accounting Policies

### *Basis of Accounting and Use of Estimates*

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Fair Value Measurements*

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. All investments at December 31, 2025 and 2024 were level 1 inputs under the fair value hierarchy.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Mutual funds and the money market fund are valued at the daily closing price as reported by the fund. These funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission and are deemed actively traded. These funds are required to publish their Net Asset Value ("NAV") and to transact at that price. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. A loan that remains in default after the Plan's applicable grace period is treated as a deemed distribution. An outstanding loan may instead be offset against a participant's account when a permissible distributable event occurs.

### *Payment of Benefits*

Benefits are recorded when paid.

## 2. Summary of Significant Accounting Policies *(continued)*

### *Administrative Expenses*

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Expenses that are paid by the Company are excluded from these financial statements. Investment related fees are included in the net appreciation in fair value of investments.

### *Subsequent Events Evaluation by Management*

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 12, 2026.

## 3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, a qualified institution.

## 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer matching contributions.

## 5. Tax Status

The Plan was formed using a prototype plan which the IRS has determined and informed the applicant by letter dated June 30, 2020 that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Plan management believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions however, there are currently no examinations for any tax periods in progress.

## 6. Party-in-Interest

Certain investments of the Plan are managed by American Funds which is related to Capital Bank and Trust Company, and, therefore these transactions qualify as exempt parties-in-interest transactions under ERISA.

Certain employees of the Company may also be participants in the Plan and perform administrative services to the Plan at no cost to the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

## 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
