INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
403(B) Thrift Plan of Southeastern North Dakota Community Action
Fargo, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **403(B) Thrift Plan of Southeastern North Dakota Community Action**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **403(B) Thrift Plan of Southeastern North Dakota Community Action's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **403(B) Thrift Plan of Southeastern North Dakota Community Action** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **403(B) Thrift Plan of Southeastern North Dakota Community Action's** ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **403(B) Thrift Plan of Southeastern North Dakota Community Action's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **403(B) Thrift Plan of Southeastern North Dakota Community Action's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H line 4a – Schedule of Delinquent Participant Contributions as of the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the 403(B) Thrift Plan of Southeastern North Dakota Community Action (the "Plan") provides only general information. Participants should refer to the Plan Document and Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Southeastern North Dakota Community Action Agency (the "Company"). Full-time employees are eligible to participate in the Plan immediately upon starting employment. Part-time employees working 20 hours or more per week are eligible to participate in the plan. Part-time employees normally working less than 20 hours per week need to have 1,000 or more hours of service in a 12-month period to become eligible. The Plan excludes certain classes of employees from participating in the plan as referenced in the Plan Document and Adoption Agreement. The Plan provides for certain eligible participants to receive employer base contributions upon meeting three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Amendments

During the year, the Plan was amended to increase the involuntary distribution threshold for terminated participants from $5,000 to $7,000, as permitted under the SECURE 2.0 Act.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, limited to the maximum allowed under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions, limited to the maximum amount allowed under the IRC. Participants may also contribute amounts representing contributions from other qualified defined contribution plans. The Company contributes an employer base contribution equal to a fixed percentage outlined in the plan adoption agreement. Contributions are subject to certain limitations.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited with the participant's contribution and the Company's base contribution and plan earnings and losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer contributions plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the offered investment options. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed, as determined quarterly by the Plan's administrator. Payments are to be made outside of payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant's primary residence, in which case the note will not exceed 10 years.

Participants investing through Mutual of America may use their vested account balance to collateralize loans directly from Mutual of America outside of the Plan. The balances of these loans are not paid through payroll deductions and are not included in the Plan, thus, are not reported on the statements of net assets available for benefits. There were no loan balances as of December 31, 2025 and 2024.

Payment of Benefits

In the event a participant terminates employment due to separation of service, retirement, disability, or death, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over the participant's life expectancy. For termination of service due to other reasons, a participant may receive a distribution of all or any part of the value of the vested interest in his or her account. For participants whose age exceeds 73 years, the Internal Revenue Service required minimum distribution rules may apply.

If, upon termination of employment due to separation of service, retirement, or disability, if the account balance is less than $7,000, the participant may elect to receive either a lump sum distribution of the entire account balance or rollover the account into an IRA or to another qualified account. If no election is made and the balance is less than $7,000 but greater than $1,000, the funds will be rolled over into an IRA in the participant's name with a provider selected by the Plan administrator. If the funds are less than $1,000, they will receive a lump-sum distribution.

Administrative Fees

The Plan's Trustee assesses a per-transaction fee for loans and certain types of distributions. The fees were deducted from the individual participant account balance and recorded as a plan administrative expense. The Plan Trustee also assesses a fee for the administration of the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the Money Market Account and the Guaranteed Interest Accounts valued at net asset value, as disclosed in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Participant Contributions

Participant contributions are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Reclassification

Certain prior year amounts have been reclassified to conform to the current-year presentation. These reclassifications had no effect on net assets available for benefits or changes in net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through the date of the auditor's report, which is the date the financial statements were available to be issued. Management has determined there were no subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIANS

The Plan administrator has elected the method of compliance permitted by the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by Mutual of America Life Insurance Company, Equitable Financial Life Insurance Company of America, and Equitable Financial Life Insurance Company (custodians).

The Plan custodians have certified their statements of accounts as of December 31, 2025 and 2024, and for the year ended December 31, 2025. The statements of accounts include beginning and the ending balances of investments held, notes receivable from participants, and detail of all transactions during the period, including interest income on notes receivable from participants and investment earnings.

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy in accordance with ASC 820 *Fair Value Measurements* are described below:

Level 1 **-** Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets and inputs other than quoted prices that are observable for the asset or liability.

Level 3 **-** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds **-** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV of shares held by the plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts – Valued at fair value based on the net asset value (NAV) of units as determined by the insurance company. The NAV is based on the observable market prices of the underlying assets within the account less liabilities. The NAV for the underlying assets of the account is a readily determinable measure of their fair value and is the basis for current transactions.

Guaranteed Interest Accounts – Valuation methodology consists of units and uses NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the account will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Money Market Account – Valued at the NAV of interest held by the Plan at year-end. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 11,033,102	$ 11,033,102	$ -	$ -

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

Investment Type	Fair Value 2025	Fair Value 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Mutual of America Interest Accumulation Account	$ 455,902	$ 422,197	n/a	See below	See below
Equitable Guaranteed Interest Fund	45,405	44,168	n/a	See below	See below
Mutual of America Money Market Fund	43,062	44,698	None	Daily	Daily
Total	$ 544,369	$ 511,063			

The Guaranteed Interest Accounts are measured at NAV are a result of insurance contracts entered into with the Mutual of America Life Insurance Company and Equitable Financial Life Insurance Company. The investments seek to achieve investment income consistent with the preservation of principal. Participants may redeem units of any account daily for the purpose of a bona fide benefit payment and employee-directed transfer of the participant's interest in the Plan to another investment election that is not a Guaranteed Interest Account.

An exchange is defined as the full rebalance of a participant's account, or single or multiple fund-to-fund transfers that involve multiple investment options.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status for plan participants under Section 403(b). No provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken.

NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Certain Plan investments are pooled separate accounts and guaranteed interest accounts managed by Mutual of America and Equitable, the custodians, as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Fees incurred by the Plan to the custodians for trustee fees, and distribution fees totaled $13,838 for the year ended December 31, 2025.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2025 and 2024, the Plan had investments of $3,275,348 and $2,784,186 concentrated in two funds, respectively.

NOTE 9 – NON-EXEMPT TRANSACTIONS

During the years ended December 31, 2025 and 2024, employee deferrals of $29 and $16,418, respectively, were not remitted to the Plan on a timely basis as required by Department of Labor regulations. These transactions constitute prohibited transactions as defined by ERISA.

The Plan Sponsor has confirmed that the employee deferrals related to the 2024 plan year have been deposited to the Plan and any applicable lost earnings have been remitted. The employee deferrals related to the 2025 plan year have not yet been remitted to the Plan. The Company is in the process of calculating lost earnings and correcting the 2025 late remittances.
