# INDEPENDENT AUDITOR'S REPORT

October 7, 2026

To the Plan Administrator of William F. Ryan Community Health Center, Inc. Pension Plan:

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed the audits of the accompanying financial statements of William F. Ryan Community Health Center, Inc. Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from qualified institutions as of and for the years then ended December 31, 2025 and 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

***Auditors' Responsibilities for the Audit of the Financial Statements (Continued)***

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Other Matter - Supplemental Schedule Required by ERISA (Continued)***
In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## 1. DESCRIPTION OF PLAN

The following description of the William F. Ryan Community Health Center, Inc. Pension Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan covering all eligible employees of William F. Ryan Community Health Center, Inc., Ryan-NENA Community Health Center, and Ryan/Chelsea-Clinton Community Health Center (collectively, the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Administration

The Organization is the plan sponsor and is responsible for administration of the Plan. Mutual of America Life Insurance Company contracts with Mid Atlantic Trust Company (MATC) for trade agent and custodial services. The Plan assets are held by MATC, the trustee and custodian of the Plan. MATC maintains separate records with respect to employer contributions, including any earnings thereon credited to a participant's account. Mutual of America Life Insurance Company is the record keeper of the Plan and also holds a portion of the Plan assets as well.

### Eligibility

All employees, except employees covered by a collective bargaining agreement, leased employees, peer educators and independent contractors are eligible to participate in the Plan. Employees who have one year of service, have provided a minimum of 1,000 hours of service in the last year, and are employed on the last day of the Plan year are considered eligible.

An employee becomes a participant in the Plan on the first day of the Plan's year (January 1) or the first day of the seventh month of the Plan's year (July 1) coinciding with or next following, achievement of the eligibility requirements. The employee must be employed by the Plan Sponsor on the last day of the Plan Year (December 31) in order to be eligible for the contribution for that Plan year.

### Contributions

The Plan is non-contributory that only allows for employer contributions. The Organization contributes 2% of the compensation paid to such eligible employees for the contribution period. Employer contributions are allocable to a participant upon completion of at least 910 hours. Contributions are subject to certain limitations. Participants may elect to rollover qualified distributions to the Plan, regardless of whether they have satisfied any age or service requirements to participate in the Plan.

### Vesting

The Organization's contributions vest 20% per year beginning after two years of service. Participants are fully vested after six years of credited service or upon normal retirement age.

Notwithstanding the foregoing, if a participant is employed by the Organization on their normal retirement age, the date they become disabled, or the date they die, their vested interest in the Employer contributions shall be 100%. A participant is 100% vested in their rollover contributions at all times.

## 1. DESCRIPTION OF PLAN (Continued)

### Participant Accounts

Each participant's account is credited with allocations of (a) the Organization's contribution and (b) Plan earnings. Allocations are based on a participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. In addition, the participant account may be charged for the cost of administrative expenses that are directly attributable to each account or as determined by the Plan administrator.

Participants direct the investment of the Organization's contributions into various investment options offered by the Plan.

### Forfeitures

If a participant terminates employment and is less than 100% vested in their Organization contributions, the participant will forfeit the non-vested portion of their account. The Organization uses forfeited non-vested amounts to pay Plan expenses or reduce the Organization's contributions. At December 31, 2025, and 2024, forfeited non-vested accounts totaled approximately $23,900 and $24,200, respectively. During 2025 and 2024, forfeitures of $34,296 and $5,097, respectively, were used to reduce the Organization's contributions and pay administrative expenses of the Plan.

### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of 50% of a participant's vested account balance or $50,000, subject to the approval of a loan application. Participants may not have more than two loans outstanding at any time. The interest rate will be at the prime rate plus 1%. Loans are repaid through payroll deductions within a five-year period, unless the loan was made to acquire a primary residence, in which case the loan can be repaid over a ten-year period.

### Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a lump-sum amount or annuity payments in substantially equal installments equal to the value of the participant's vested interest in their account.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

### Employer Contributions Receivable

Employer contributions receivable represent amounts due to the Plan but not yet received as of year-end. Contributions are recorded on the accrual basis of accounting. Employer contributions are accrued in accordance with the terms of the Plan and are generally funded subsequent to year-end but prior to the filing of the Plan's Form 5500. All contributions receivable are expected to be collected within a reasonable period and, therefore, no allowance for credit losses has been recorded. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Investment Valuation and Income Recognition (Continued)**
The Plan's investments are reported at fair value as reported by the Trustee, except for fully-benefit responsive investment contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Fair Value Measurements**
Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair value Measurements and Disclosures, provides a framework for measuring fair value. The Plan uses various valuation techniques in determining fair value. GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances.

The fair value hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly, or indirectly.

- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

*Mutual funds*: Valued at fair value based on quoted prices in active markets.

*Pooled Separate Accounts*: The funds are valued at the net asset value (NAV) per unit by dividing the total assets of the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the funds and included in the determination of unit values. These contracts contain certain restrictions on the Plan participants' ability to cash out their contracts and thus are not fully-benefit responsive contracts.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Fair Value Measurements (Continued)

The Plan's investments in pooled separate accounts is comprised of guaranteed insurance contracts established between the Plan's participants and the Plan's custodian. These contracts guarantee the participants' principal and a minimum interest rate. In addition, participants have the opportunity to earn amounts in excess of the guaranteed rate. The contract returns are backed by investment contracts which invest in a broadly diversified portfolio of private placement bonds, commercial mortgages, and publicly traded securities. Since the agreement or funding agency has the ability to restrict certain transfers and withdrawals.

Redemptions are generally restricted to processing on a valuation date at the NAV per unit computed on that date. Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the trust. The Fund does not have any unfunded commitments.

There were no changes in the valuation methodologies used during 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

### Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the financial statements.

### Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued unpaid interest. If a participant ceased to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

### Payment of Benefits

Benefits are recorded when paid.

### Expenses

Administrative expenses of maintaining the Plan may be paid by the Organization or the Plan, at the Organization's discretion. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation on fair value of investments.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Estimates**
The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

**Reclassifications**
Certain reclassifications have been made to the financial statements for the year ended December 31, 2024 to conform to the current year presentation.

## 3. CERTIFIED INVESTMENT INFORMATION

MATC and Mutual of America Life Insurance Company have certified to the completeness and accuracy of information included in the financial statements and accompanying supplemental schedule as of and for the years ended December 31, as follows:

| | 2025 | 2024 |
|---|---|---|
| Investments, at fair value | $ 9,554,574 | $ 8,923,522 |
| Investments, at contract value | $ 985,377 | $ 801,126 |
| Net appreciation in fair value of investments | $ 1,024,018 | $ 1,151,409 |
| Interest and dividends | $ 159,241 | $ 130,438 |
| Interest income on notes receivable from participants | $ 5,988 | $ 2,939 |
| Schedule of Assets (Held at End of Year) | Schedule I | |

## 4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2025:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 9,084,297 | $ - | $ - | $ 9,084,297 |
| Pooled separate account NAV *(a)* | | | | 470,277 |
| | | | | $ 9,554,574 |

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2024:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 8,228,735 | $ - | $ - | $ 8,228,735 |
| Pooled separate account, NAV *(a)* | | | | 694,787 |
| | | | | $ 8,923,522 |

## 4. FAIR VALUE MEASUREMENTS (Continued)

*(a)* Certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

During the year ended December 31, 2025, the Plan reevaluated the accounting presentation of the Invesco Stable Value Trust - Class A1 and determined that the investment qualifies as a fully-benefit responsive investment contract. Accordingly, the investment was reclassified from an investment reported at fair value to an investment reported at contract value in accordance with ASC 962. This reclassification had no effect on net assets available for benefits, changes in net assets available for benefits, or participant account balances.

## 5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in the Invesco Stable Value Trust - Class A1, a bank collective trust fund that seeks preservation of principal and the generation of stable returns through investments in fixed income securities and benefit-responsive wrap contracts. The investment is reported at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value is the relevant measure to plan participants because it represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan receives a crediting rate established by the fund. The crediting rate was approximately 3.33% at December 31, 2025. The Plan administrator believes that the occurrence of events that would limit the Plan's ability to transact at contract value is not probable.

## 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets are held by MATC, the custodian of the Plan and Mutual of America Life Insurance Company is the record keeper of the Plan. As such transactions between MATC, Mutual of America Life Insurance Company, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants were party-in-interest transactions.

## 7. TAX STATUS

The Plan adopted a pre-approved plan offered by Mutual of America Financial Group (now known as Mutual of America Life Insurance Company). The pre-approved plan received an IRS Opinion Letter dated November 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

## 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions. All distributions would be made in accordance with any applicable requirements of ERISA and the Internal Revenue Code.

## 9. RECONCILIATION OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:
