Independent Auditor's Report

To the Lincoln National Corporation Benefits Committee
The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan's ability to continue as a going concern for one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) and schedule H, line 4j - schedule of reportable transactions as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

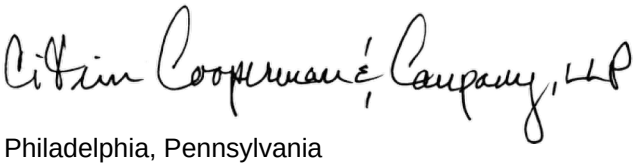

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan

Notes to the Financial Statements

December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of The Lincoln National Life Insurance Company Retired Agents' Life and Medical Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is administered in accordance with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan may be amended periodically in order to comply with changes in applicable laws and to make changes in Plan administration. The Plan is administered by the Lincoln National Corporation Benefits Committee (the Plan Administrator). Principal Bank (the Trustee) provides trust and recordkeeping services for the Plan.

Benefits - The Plan provides health (dental) and death (life insurance and accidental death and dismemberment) benefits to benefits-eligible retired agents of The Lincoln National Life Insurance Company (the Plan Sponsor) and participating affiliates on a non-contributory or contributory basis. The Plan also provides benefits-eligible retired agents of the Plan Sponsor and participating affiliates the ability to purchase individual health coverage and, if eligible, to receive Plan Sponsor contributions to a sponsored health reimbursement arrangement.

The Plan also provides a continuation of health coverage as required under the Consolidated Omnibus Budget Reconciliation Act (COBRA) to participants and beneficiaries who experience a COBRA qualifying event. In addition to the self-insured portion of the Plan, certain participants were also offered a regional option for coverage of certain health benefits by health maintenance organizations through January 1, 2024, when this benefit was discontinued.

Contributions - Participants and the Plan Sponsor contribute specified amounts based on applicable premiums for their respective benefit elections. The costs of the postretirement benefit plan are shared by the Plan Sponsor and Plan participants. In addition to deductibles and copayments, participant contributions were determined as follows:

Participants Retiring	Participant Contributions
Pre-April 1, 1983	Non-contributory for retirees.
April 1, 1983 to March 31, 1990	Retirees contribute 0% to 77% of their postretirement benefit costs depending on age and production at time of retirement.
April 1, 1990 to June 30, 1999	Retirees contribute 49% to 77% of their postretirement benefit costs depending on age and production at time of retirement.
July 1, 1999 to present	Retirees contribute 100% of their postretirement benefit costs.

Should such contributions not be sufficient to cover the benefits payable pursuant to the Plan, the Plan Sponsor shall contribute amounts necessary to provide for all such benefits.

Health reimbursement arrangement - The Plan Sponsor established a health reimbursement arrangement as a way to provide participants reimbursements for certain medical costs incurred in the private marketplace.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's investments are held and administered by the Trustee and reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned.

Payment of claims and premiums - Claims and premium payments are recorded when paid.

Expenses - The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan document. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

Claims incurred but not reported - The obligations for health claims incurred but not reported are determined by using such factors as the previous year's claim experience and the level of claims in the current year. The estimates are annually reviewed and adjusted as necessary as new information becomes known and are included in the accompanying Statement of Changes in Benefit Obligations.

Contributions - Contributions from participants and the Plan Sponsor are recorded in the year in which the coverage is provided.

Rebates - Rebates from prescription drug programs are recorded when earned from the provider and netted with claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits.

Subsequent events - Subsequent events were evaluated through October 9, 2026, the date the financial statements were available to be issued.

3. POSTRETIREMENT BENEFIT OBLIGATIONS

The postretirement benefit obligations represent the actuarial present value of those future benefits that are attributed to agent service rendered through December 31, 2025 and 2024. Postretirement benefit obligations include future benefits expected to be paid to or for currently retired participants and their beneficiaries and dependents; and active participants and their beneficiaries and dependents after retirement from service. Prior to an active agent's full eligibility date, the postretirement benefit obligations are the portion of the expected postretirement benefit obligation that is attributed to that agent's service rendered through the valuation date.

The actuarial present value of the expected postretirement benefit obligations is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant. These estimates are then adjusted for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, withdrawal or retirement) between the valuation date and the expected date of payment.

The following were significant assumptions used in the valuations as of December 31, 2025 and 2024:

- The mortality assumptions were based on the Pri-2012 Total Employee and Retiree Mortality tables projected with Generational Mortality Improvement using Scale O2-2021.
- A long-term rate of increase in compensation of 4%; and
- A weighted-average discount rate of 5.28% and 5.59% as of December 31, 2025 and 2024, respectively.

The foregoing assumptions were based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

The Plan's deficiency of net assets over benefit obligations as of December 31, 2025 and 2024, was related to the postretirement benefit obligations, claims incurred but not reported, claims payable, and premiums payable. The deficiency will be funded through future contributions from participants and the Plan Sponsor.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation technique used for assets measured at fair value. There have been no changes in the technique used as of December 31, 2025 and 2024.

Interest-bearing cash: These investments are stated at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Interest-bearing cash	$ 632,621	$ -	$ -	$ 632,621
Total investments at fair value	$ 632,621	$ -	$ -	$ 632,621

December 31, 2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Interest-bearing cash	$ 1,066,308	$ -	$ -	$ 1,066,308
Total investments at fair value	$ 1,066,308	$ -	$ -	$ 1,066,308

5. INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has elected to have audits performed pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedules was agreed to or derived from information certified as complete and accurate by Principal Bank, the Plan's Trustee and a qualified institution. The certified information includes the Plan's investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the accompanying Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity (including interest income) reported in the accompanying Statement of Changes in Net Assets Available for Benefits and the information reported in the accompanying Supplemental Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2025.

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

The Plan Sponsor provides death benefits on an insured basis and administers dental benefits. During the year ended December 31, 2025, payments to the Plan Sponsor amounted to $299,694, consisting of $42,041 in health claims, $255,083 in insurance premiums and $2,570 in administrative expenses. The Plan has premiums payable and claims payable due to the Plan Sponsor in the amounts of $50,731 and $0, respectively, as of December 31, 2025, and $51,598 and $1,312, respectively, as of December 31, 2024, reported on the Statements of Benefit Obligations. The Plan additionally has administrative expenses payable due to the Plan Sponsor in the amounts of $0 and $231, reported on the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, respectively.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS

The trust funding the Plan received an exemption letter from the Internal Revenue Service (IRS) dated December 4, 1984, stating that the trust is tax exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code of 1986, as amended (the Code), as a Voluntary Employee Beneficiary Association. The Plan and trust are required to operate in conformity with the Code to maintain the tax-exempt status of the trust. The Plan Administrator and the Plan's tax counsel believe the Plan is being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax period in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to the applicable statute of limitations.

9. RISKS AND UNCERTAINTIES

The Plan holds cash and invested cash accounts with a financial institution that are not insured by the Federal Deposit Insurance Corporation or any federal government agency. Plan management periodically evaluates the balance and believes accounts do not pose a financial risk to the Plan.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of Net Assets Available for Benefits per the financial statements as of December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 633,261	$ 1,069,319
Less: health claims payable	(555)	(2,159)
Less: premiums payable	(50,731)	(51,598)
Less: health claims incurred but not reported	(876)	(806)
Net assets available for benefits per Form 5500	$ 581,099	$ 1,014,756

The following is a reconciliation of health claims paid per the financial statements for the year ended December 31, 2025, to Form 5500:

Health claims paid per the financial statements	$ 106,003
Add: current-year health claims payable and incurred but not reported	1,431
Less: prior-year health claims payable and incurred but not reported	(2,965)
Health claims paid per Form 5500	$ 104,469

The following is a reconciliation of premiums paid per the financial statements for the year ended December 31, 2025, to Form 5500:

Premiums paid per the financial statements	$ 306,681
Add: current-year premiums payable	50,731
Less: prior-year premiums payable	(51,598)
Premiums paid per Form 5500	$ 305,814

Health claims incurred but not reported, health claims payable and premiums payable are reflected as current liabilities for Form 5500 purposes, but are reported as benefit obligations in accordance with U.S. GAAP. The change in health claims incurred but not reported and health claims payable is reported as benefits paid to participants on the Form 5500. The postretirement benefit obligations that are reported as part of the total benefit obligations in accordance with U.S. GAAP are not required to be reported on the Form 5500.
