INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Ranpak Corp. 401(K) Profit Sharing Plan and Trust
Concord Township, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ranpak Corp. 401(K) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Bank of America, N.A., the trustee of the Plan, a qualified institution, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the Ranpak Corp. 401(K) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering substantially all employees of Ranpak Corp. (the Company, Plan Administrator, and Plan Sponsor) who are 21 years of age, have completed three months of service and are not union employees or nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions
Participants may elect to defer up to 90% of their compensation as defined by the Plan on a pre-tax, or on a Roth after-tax basis. Employees who have not declined participation in writing or completed a salary deferral agreement as of the date of their eligibility to participate in the Plan will be automatically enrolled in the plan with a pre-tax deferral rate of 3% and their contributions invested in a fund designated by the Plan Administrator until changed by the participant. The pre-tax deferral rate for a participant automatically enrolled in the Plan increases 1% each year (after the second year) on the first day of the Plan year up to a maximum of 6%. In addition, a participant may make a separate election to defer up to 100% of their irregular pay, such as bonuses, on a pre-tax or Roth after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. The Plan also provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code).

The Plan provides for QACA (Qualified Automatic Contribution Arrangement) safe harbor matching contributions to eligible participants, which is 100% of the first 1% of compensation that a participant contributed to the Plan, plus 50% of the compensation that exceeds 1% but does not exceed 6%. The Plan provides for a discretionary employer nonelective contribution for participants employed on the last day of the Plan year. No discretionary employer nonelective contributions were made for the year ended December 31, 2025.

Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts
Each participant's account is credited with the participant's contributions and QACA safe harbor employer matching contributions, as well as an allocation of the employer's nonelective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon the participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting
Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions made prior to January 1, 2024 and employer nonelective contributions plus actual earnings thereon is based on years of continuous service at a rate of 33% per year of credited service as defined by the Plan. A participant is fully vested upon completing 3 years of credited service. Vesting in the QACA safe harbor contributions plus actual earnings thereon is based on years of continuous service at 0% under 2 years of credited service and 100% after 2 years of credited service as defined by the Plan.

Notes Receivable from Participants
Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the participant's highest outstanding loan balance during the previous twelve months or 50% of their vested account balances, subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the vested balance in the participants' accounts and bear interest at rates which ranged from 4.25% to 9.50% at December 31, 2025. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits
Upon attaining age 59½ or upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account or substantially equal installments over a period not to exceed the participant's life expectancy. If the value of the vested benefits credited to the participant's account is $5,000 or less at the time of termination, excluding rollovers, the entire amount will be automatically distributed to the participant without the participant's consent. In the event of a mandatory distribution of amounts greater than $1,000 but not exceeding $5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Administrator.

Active participants may make hardship withdrawals from any fully vested participant accounts, subject to Plan provisions.

Forfeited Accounts
Forfeitures may be used to reduce Company contributions, to pay administrative expenses, or may be allocated to the Plan participants. Unallocated forfeiture balances as of December 31, 2025 and 2024 were $-0- and $1,297, respectively. Forfeitures in the amount of $66,337 were used to pay Plan expenses during the year ended December 31, 2025.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Other Employer Contributions
Other employer contributions receivable of $30,067 and $67,027 as of December 31, 2025 and 2024, respectively, were recorded to correct various Plan operational matters.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition
Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Contributions Receivable
Participant and QACA safe harbor employer matching contributions are recorded and credited to each participant's account in the year in which the employee's participant contributions are withheld from compensation. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable is assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Administrator's assessment of current conditions, reasonable and supportable forecasts regarding future events, collections after year end, and any other factors deemed relevant by the Plan. Based on the Plan Administrator's assessment as of December 31, 2025 and 2024, no allowances for contributions receivable were recorded as of December 31, 2025 and 2024.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits
Benefits are paid to participants on the accompanying statement of changes in net assets available for benefits are reported net of uncashed distribution checks redeposited to the Plan of $888, during the year ended December 31, 2025.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 and 2024 excess contributions payable of $1,503 and $1,038 to the applicable participants prior to March 15, 2026 and 2025, respectively.

Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Income Taxes
The Company has adopted a non-standardized pre-approved profit-sharing plan with a cash or deferred arrangement. The pre-approved plan document received a favorable opinion letter from the IRS dated June 30, 2020, stating that the form of the pre-approved plan document satisfies the applicable qualification requirements of the Code. The Plan has been amended since the opinion letter was issued. The Plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with the applicable requirements of the Code. Accordingly, the Plan administrator believes that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events
The Plan has evaluated subsequent events through October 10, 2026, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATIONS

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable held at December 31, 2025 and 2024, and net appreciation in the fair value of investments and interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025 were obtained by management and agreed to or derived from information certified as complete and accurate by the trustee.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgement and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2025 are summarized below:

	Level 1	Total
Investments in the fair value hierarchy		
Mutual funds	$ 22,350,140	$ 22,350,140
Investments measured at net asset value		2,798,801
Total investments at fair value		$ 25,148,941

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2024 are summarized below:

	Level 1	Total
Investments in the fair value hierarchy		
Mutual funds	$ 18,885,288	$ 18,885,288
Investments measured at net asset value		3,217,676
Total investments at fair value		$ 22,102,964

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The common/collective trust (see Note E) is valued at the net asset value of the units held by the Plan at year end. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. Net asset value is based on the contract value of the fund's underlying assets, which are primarily investment contracts, cash equivalents, and wrap contracts, less its liabilities, as reported by the trust's audited financial statements. The practical expedient is not used when it is determined to be probable the fund will sell the investment for an amount different than the reported net asset value.

The methods described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

NOTE E - INVESTMENT IN COMMON/COLLECTIVE TRUST

The Plan has an investment in the Federated Hermes Capital Preservation Fund (the Fund) of $2,798,801 and $3,217,676 at December 31, 2025 and 2024, respectively. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the Fund to noncompeting investment options within 30 days. The Fund requires a twelve month advance written notice in the case of a full or partial withdrawal of Plan assets from the Fund due to Company directed actions or to a competing investment option. The Plan Sponsor does not believe that any such events that would limit the Plan's ability to transact at net asset value are probable of occurring.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Bank of America, N.A. (BOA), the trustee and its affiliates provide certain administrative services to the Plan. BOA receives revenues for these services from the Plan directly and also indirectly from investment fund service providers. The revenues received indirectly from investment fund service providers are withheld from investment fund earnings prior to allocation of investment income to the Plan and range from 0.03% to 0.70% of the funds' balances at December 31, 2025. A portion of these amounts withheld from Plan earnings is also used to pay the investment advisor and other Plan expenses. These fees reduced the rate of return credited to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE I - DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by 29 CFR Section 2510.3-102 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Sponsor is required to segregate participant contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages.

During 2023, the Company did not timely remit participant contributions totaling $670. As of December 31, 2025, this amount and lost earnings have been remitted to the Plan.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per Form 5500:

	December 31,	
	2025	2024
Net assets available for benefits per the financial statements	$ 25,425,883	$ 22,403,308
Subtract: Benefit claims payable (b)	(46,678)	-
Add: Excess contributions payable (a)	1,503	1,038
Net assets per Form 5500	$ 25,380,708	$ 22,404,346

The following is a reconciliation of net increase per the financial statements to net income (loss) per Form 5500 for the year ended December 31, 2025.

Net increase per the financial statements	$ 3,022,575
Subtract: Benefit claims payable (b)	(46,678)
Add: Current year excess contributions payable (a)	1,503
Subtract: Prior year excess contributions payable (a)	(1,038)
Net income (loss) per Form 5500	$ 2,976,362

(a) Excess contributions payable are recorded in the financial statements in the year the excess contributions are made and are recorded on Form 5500 as corrective distributions in the year they are paid to participants.

(b) Benefit claims payable represents stale checks redeposited in the Plan and are recorded on the Form 5500 as a liability until the year they are paid or reinstated to the applicable participants' accounts.
