Independent Auditor's Report

The Plan Administrator
Mountain Vista Health Park Pension and Savings 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of Mountain Vista Health Park Pension and Savings 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mountain Vista Health Park Pension and Savings 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by American United Life Insurance Company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mountain Vista Health Park Pension and Savings 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountain Vista Health Park Pension and Savings 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mountain Vista Health Park Pension and Savings 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountain Vista Health Park Pension and Savings 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The schedule of delinquent participant contributions and schedule of assets (held at end of year), as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by American United Life Insurance Company, a qualified institution, agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Plan Description

The following description of Mountain Vista Health Park ("Company") Pension and Savings 403(b) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all eligible employees of the Company. The eligibility requirements for nonelective contributions are attaining age eighteen and completing one year of service. Once these requirements are satisfied, the plan entry dates are January 1 and July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

(b) Contributions

Participants elect to make contributions up to $23,500 of their eligible compensation, as defined by the Plan. The Company may make a discretionary contribution to the Plan each year.

(c) Participant Accounts

Each participant's account is credited with the employee's contribution, the employer's contributions, and Plan earnings. Allocation of Plan earnings is based upon actual earnings of the investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their contributions and earnings thereon. Participants are 100% vested in employer's nonelective contributions plus earnings thereon after 3 years of service, attaining age 55, becoming disabled, or at death.

(e) Payment of Benefits

Participants may elect to receive all or a portion of their vested account after they have terminated service, attained age 59 1/2, become disabled, or have sustained an immediate financial hardship as defined by the Plan. Benefits are recorded when paid.

(1) Plan Description, Continued

(f) Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Participants may have two loans outstanding at a time.

(g) Forfeitures

Upon termination of service of a participant, the non-vested portion of the participant's account may be used to reduce future employer contributions or to pay administrative expenses. There were no non-vested forfeitures used to reduce employer contributions for the years ended December 31, 2025 and 2024. Unallocated forfeitures at December 31, 2025 and 2024, were $4,848 and $388, respectively.

(h) Administrative Expenses

Administrative expenses associated with the Plan are paid by both the Company and the Plan.

(i) Investment Options

Upon enrollment in the Plan, a participant may direct contributions into various investment options, as defined by the Plan. Participants may change their allocation on a daily basis.

(j) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(2) Summary of Significant Accounting Policies, Continued

(b) Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of Plan assets and liabilities, the disclosure of contingent assets and liabilities, and the reported additions to and deductions from Plan assets. Actual results could vary from the estimates that were used.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully-benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the Plan's valuation policies utilizing information provided by investment advisors, custodians and trust company. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Benefits Payable

There were no benefits payable as of December 31, 2025 and 2024.

(e) Certified Statements

Certain information related to investments and notes receivable disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information supplied to the plan administrator and certified as complete and accurate by American United Life Insurance Company ("American United"). The contract value of the guaranteed investment contract was certified by the asset custodian.

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts: Valued at net asset value (NAV) of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

		2025	2024
		Level 2	Level 2
Pooled separate accounts	$	904,602	727,473

(4) Investment Contract with Insurance Company

The Plan invests in a fixed account through benefit-responsive group annuity contract with American United Life Insurance Company. This is a single group annuity contract with a fixed rate of interest. The fixed account is backed by the issuing insurance company's general account which invests primarily in bonds, commercial, agricultural and real estate mortgages, real estate and corporate equities.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The contract value of the American United investment contract at December 31, 2025 and 2024, was $555,832 and $568,711, respectively. Contract value, as reported to the Plan by American United, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

(5) Tax Status

The Plan adopted a standardized form of a volume submitter plan sponsored by USI Consulting Group. The volume submitter plan has received an opinion letter from the Internal Revenue Service as to the plan's qualified status, dated March 31, 2017. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Related Party Transactions

At December 31, 2025 and 2024, plan assets included investments in funds managed by American United. American United is the current custodian of the plan and, as such, transactions with the custodian qualify as party-in-interest transactions under ERISA. Personnel and facilities of the Company have been used to perform administrative services for the Plan at no charge to the Plan. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(7) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

(8) Nonexempt Transactions

During the year ended December 31, 2025, the Company failed to remit employee contributions to the Plan within the required time period as stated by the United States Department of Labor (DOL). The following table summarizes the late contributions.

Date Participant Contributions Were Withheld from Wages	Date Participant Contributions Were Remitted to the Plan	Amount
January 10, 2025	April 3, 2025	$ 3,787
January 24, 2025	April 3, 2025	3,916
February 7, 2025	April 3, 2025	3,887
February 21, 2025	April 3, 2025	3,855
June 27, 2025	August 1, 2025	3,656
October 31, 2025	November 21, 2025	3,385

The Department of Labor considers late deposits to be prohibited transactions. The Plan sponsor will file Form 5330 and pay the applicable excise tax. The excise tax payments will be made from the plan administrator's assets and not from the assets of the Plan. Lost earnings will be remitted to the Plan by the Plan Sponsor.

(8) Nonexempt Transactions, Continued

During the year ended December 31, 2024, the Company failed to remit employee contributions to the Plan within the required time period as stated by the United States Department of Labor (DOL). The following table summarizes the late contributions.

Date Participant Contributions Were Withheld from Wages	Date Participant Contributions Were Remitted to the Plan	Amount

December 31, 2024	September 24, 2025	82
December 31, 2024	August 1, 2025	75

The Department of Labor considers late deposits to be prohibited transactions. The Plan sponsor will file Form 5330 and pay the applicable excise tax. The excise tax payments will be made from the plan administrator's assets and not from the assets of the Plan. Lost earnings will be remitted to the Plan by the Plan Sponsor.

(9) Subsequent Events

The Plan has evaluated subsequent events through September 30, 2026, the date which the financial statements were available to be issued. There were no significant subsequent events which require disclosure in the financial statements or footnotes.
