## Report on the Financial Statements

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the BetterHealth: A Planned Parenthood Partnership 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the BetterHealth: A Planned Parenthood Partnership 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To Management of the**
**BetterHealth: A Planned Parenthood Partnership 401(k) Plan**
**Philadelphia, Pennsylvania**

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the BetterHealth: A Planned Parenthood Partnership 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the BetterHealth: A Planned Parenthood Partnership 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the BetterHealth: A Planned Parenthood Partnership 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

**To Management of the**
**BetterHealth: A Planned Parenthood Partnership 401(k) Plan**
**Philadelphia, Pennsylvania**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# BETTERHEALTH: A PLANNED PARENTHOOD PARTNERSHIP 401(K) PLAN

***NOTES TO FINANCIAL STATEMENTS***

**December 31, 2025**

## (1) DESCRIPTION OF PLAN

The following description of the BetterHealth: A Planned Parenthood Partnership 401(k) Plan ***("Plan")*** provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### A. General

The Plan is a defined contribution plan covering substantially all employees of BetterHealth: A Planned Parenthood Partnership (***"BetterHealth"***). The Plan was adopted August 11, 2023. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ***(ERISA)***. All employees who have attained the age of 21 and have completed three months of service are eligible to participate in the Plan.

### B. Contributions

The Plan provides for both employer and employee contributions. BetterHealth contributes a safe harbor contribution of 3% of each participant's compensation on a per payroll basis, regardless of whether the participant elects to make salary deferrals. In addition, the Plan documents stipulate that BetterHealth may elect to make a discretionary matching contribution. The Employer may contribute a discretionary match of up to 4% of compensation, calculated on participant elective deferrals up to 6% of compensation, as determined each payroll period.

Eligible participants can elect to defer any amount of their salary up to the maximum allowable deferral. For plan year ended December 31, 2025, the maximum allowable elective deferrals was $23,500. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

### C. Participants Accounts

Each participant's account is credited with the participant's contribution, the Plan's match, and allocation of the Plan's earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### D. Vesting

Participants are immediately vested in their contributions, the safe harbor contributions, rollover contributions and actual earnings thereon. Vesting in the Organization contribution is based on years of continuous service. A participant with one year of service is 20% vested in the nonelective and additional matching employer contribution portion of the account. Each year, a participant gains another 20% vesting until the participant is 100% vested after the fifth year of credit service.

### E. Participant Loans

The Plan permits participants to borrow funds against vested account balances. In general, the maximum amount that can be borrowed is the lesser of 50% of a participant's vested interest or $50,000, at a reasonable rate of interest. Loans are generally repaid within five years. Interest is charged at the prime rate plus 2% which is set upon the date the loan agreement is executed. Interest rates ranged from 4.24% to 9.50% for both years ended December 31, 2025 and 2024. The amounts outstanding as of December 31, 2025 and 2024 were $141,024 and $90,528, respectively.

**F. Investment Options**

Upon enrollment in the Plan, and at any time during the plan year, a participant may direct all future employee and employer contributions into any of the investment options available under the Plan.

**G. Payment of Benefits**

A participant's vested benefits will normally be distributed to the participant or the participant's beneficiary upon retirement, disability or death of the participant, by transfer to another qualified plan or individual retirement account, through a lump sum distribution or in installment payments.

In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59-1/2. Hardship withdrawals from a participant's deferral contribution accounts are permitted when certain criteria are met. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

**H. Administration**

BetterHealth is the administrator of the Plan. Empower Retirement has been designated as the custodian and trustee of the Plan. Empower Retirement maintains individual participant account records and advises the Plan on other matters related to the operation of the Plan.

**I. Forfeitures**

Forfeitures resulting from the non-vested portions of participants' accounts who terminate prior to being fully vested are used to reduce future BetterHealth contributions. There were no forfeited non-vested balances as of December 31, 2025 and 2024. During the year ended December 31, 2025, employer contributions were reduced by $397 from forfeited non-vested accounts.

## (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *BASIS OF ACCOUNTING*

The financial statements of the Plan are prepared under the accrual basis of accounting.

### *INVESTMENT VALUATION AND INCOME RECOGNITION*

The Plan's investments in mutual funds and collective investment trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

### *USE OF ESTIMATES*

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

### *PAYMENT OF BENEFITS*

Benefits are recorded when it has been determined that a distribution will be made.

***OPERATING EXPENSES***

BetterHealth pays costs associated with maintaining and administering the Plan.

## (3) INVESTMENTS

The Plan's investments are held in a directed trust. There are several investment options available to the participants at the time of this report. Participant accounts are allocated based on the decisions of the individual participants. The following tables present the fair value of these investments which have been certified by the Plan's custodian and trustee:

| | 2025 | 2024 |
|---|---|---|
| Mutual funds | $ 4,674,887 | $ 3,723,651 |
| Collective investment trusts | 23,748 | 11,347 |
| Total investments | $ 4,698,635 | $ 3,734,998 |

## (4) FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value the Plan's assets that are carried at fair value as of December 31 is as follows:

| | 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $4,674,887 | - | - | $4,674,887 |
| | $4,674,887 | $ - | $ - | 4,674,887 |
| Collective investment trusts reported at Net Asset Value | | | | 23,748 |
| | | | | $4,698,635 |

| | 2024 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $3,723,651 | - | - | $3,723,651 |
| | $3,723,651 | $ - | $ - | 3,723,651 |
| Collective investment trusts reported at Net Asset Value | | | | 11,347 |
| | | | | $3,734,998 |

There were no transfers between levels during the years ended December 31, 2025 and 2024.

## (5) COLLECTIVE INVESTMENT TRUSTS

The plan has a collective investment trust that invests primarily in a diversified portfolio of investment contracts issued by insurance companies and other financial institutions, as well as high-quality fixed-income securities. The fund seeks to provide preservation of principal, liquidity, and current income consistent with stable principal value.

Collective investment trusts are valued at the net asset value per unit as a practical expedient for fair value, as reported by the fund's trustee. The net asset value is based on the fair value of the underlying assets in the trust, less liabilities, divided by the number of outstanding units. There are no redemption restrictions for participant transactions; however, the Plan may be required to provide notice (e.g., 12 months) prior to full withdrawal from the collective investment trust.

At December 31, 2025 and 2024, the Plan's investment in the collective investment trusts totaled $23,748 and $11,347, respectively.

## (6) PLAN TERMINATION

Although it has not expressed any intent to do so, BetterHealth has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## (7) TAX STATUS

The Plan, established under a prototype plan to hold the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the Plan's net investment income is exempt from income taxes. Although the Plan has been amended, the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Management has reviewed the tax positions of its open tax years (2023 - 2024) or expected to be taken in the Plan's 2025 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

## (8) RISKS AND UNCERTAINTIES

The Plan invests in shares of registered investment companies which employ various investment strategies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## (9) PARTY-IN-INTEREST TRANSACTIONS

Certain administrative costs of the Plan are paid by the employer/sponsor.

## (10) SUBSEQUENT EVENTS

Subsequent events after the statement of net assets available for benefits date through the date that the financial statements were available for issuance, October 12, 2026 have been evaluated in the preparation of the financial statements and management has determined that there were no subsequent events that would require disclosure or adjustment in the financial statements.
