Report of Independent Auditors

To the Administrator of Tepper Sports & Entertainment 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Tepper Sports & Entertainment 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PricewaterhouseCoopers LLP, 214 North Tryon Street, Suite 4200
Charlotte, North Carolina 28202
T: (704) 344 7500

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Form 5500, Schedule H, Part IV, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following brief description of the Tepper Sports & Entertainment 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Panthers Football, LLC (the "Employer" or the "Company"), subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan became effective on January 1, 1994.

The Plan offers to its participants investment options in mutual funds and a stable value fund. The assets in the trust are maintained by Bank of America, N.A. (the "Trustee"). Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") serves as the recordkeeper.

Eligibility

Regular full-time and part-time Panthers Football, LLC, Panthers Stadium, LLC, DT Soccer, LLC, and Appaloosa L.P. employees are eligible to participate in the Plan. Professional football player and soccer player employees are not eligible to participate in the Plan. Eligibility begins on the first day of the month following three months of continuous employment.

Contributions

Participant contributions may be made as before-tax or Roth 401(k) contributions, or in any combination, and are subject to certain Internal Revenue Code (IRC) limitations. Newly hired employees, meeting eligibility requirements, shall automatically make pre-tax contributions of 3% into the Plan. A participant may elect to defer a greater or lesser percentage of compensation through their online participant account with Merrill Lynch. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Employer contributes to the Plan, on behalf of each eligible employee, 100% of the first 3% and 50% of the next 2% of a participant's eligible compensation contributed to the Plan, subject to IRC limitations.

The Plan also includes a profit-sharing contribution component. The allocation of profit-sharing contributions to employee accounts is a two-step integrated allocation formula. The allocation formula does not discriminate in favor of highly compensated employees. As of December 31, 2025 and 2024, the Company committed $0 and $1,716,000, respectively, in profit-sharing contributions. The 2024 profit-sharing contributions were funded in October 2025.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Employer's matching and profit-sharing contributions, and an allocation of Plan earnings. Participant accounts are also charged with withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a stable value fund as investment options. Contributions related to any participant who has not made investment elections are invested in the retirement date investment program dated closest to the date the participant will attain age 65. Retirement date investment programs are allocations of the Plan's core investment options designed to adjust gradually, based on a specific target retirement date, to become more conservative as that date approaches.

Vesting
Participants are immediately vested in their contributions, the Employer's matching contributions, profit-sharing contributions, and rollover contributions, plus actual earnings thereon.

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. Participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their vested account balances, whichever is less. The available loan amount may be further reduced by applicable IRC limitations. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Loan terms range from 1 to 5 years; however, terms may exceed 5 years for the purchase of a primary residence. As of December 31, 2025 and 2024, participant loans have maturities through 2042 at interest rates ranging from 4.25% to 9.50%.

Payment of Benefits
On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account payable in cash, in-kind, or part in cash and part in-kind. If a participant has a termination of employment, and the value of his or her vested account balance is not greater than $5,000, the participant shall receive a distribution of the value of the entire vested portion of such account balance in a single sum.

Participants are also eligible to request withdrawals from their deferred contributions in the event of certain financial hardships or in certain other circumstances as defined in the Plan document.

Forfeited Accounts
The value of each participant account shall be fully vested and nonforfeitable at all times, except with respect to certain excess employer matching contributions. The amount of forfeitures available as of December 31, 2025 and 2024 was $37,829 and $21,840, respectively. The amount of forfeitures used or allocated during the plan years ended December 31, 2025 and 2024 was $0.

2. Summary of Significant Accounting Policies

Basis of Accounting
The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties
The Plan utilizes mutual funds and a stable value fund, which invests in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and stable value fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Administrative expenses may be paid by the Plan or by the Employer, as provided by the Plan document.

Excess Contributions Payable or Receivable
The Plan is required to return contributions received during the Plan year in excess of the IRC limits or make a matching true-up contribution based on the applied match formula for the plan year as applicable based on the results of regulatory compliance testing. As of December 31, 2025 and 2024, the excess matching true-up contribution included in employer's contributions receivable was $43,365 and $31,305, respectively.

3. Fair Value Measurements

In accordance with Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement, the Plan categorizes its assets measured at fair value into a fair value hierarchy that prioritizes the assumptions used in pricing the asset or liability into the following three levels:

Level 1 Observable inputs, such as quoted prices for identical assets in active markets obtained from independent sources.

Level 2 Other inputs that are observable directly or indirectly, such as quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs that are derived principally from or corroborated by observable market data.

Level 3 Unobservable inputs for which there is little or no market data and require the Plan to develop its own assumptions, based on the best information available in the circumstances, about the assumptions market participants would use in pricing the asset or liability.

As of December 31, 2025 and 2024, the Plan invests in mutual funds and a stable value fund.

Mutual Funds
Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund
The fund is a common collective trust that invests in high-quality guaranteed investment contracts (GICs) and similar contracts issued by insurance companies, banks and other financial institutions. The fund is composed primarily of fully benefit responsive investment contracts and is reported at fair value, which is equal to the fund's net asset value (NAV). The NAV is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities.

Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidation will be carried out in an orderly manner.

The Plan's net assets that are measured at fair value on a recurring basis as of December 31, 2025 and 2024, are as follows:

	Assets at Fair Value as of December 31, 2025			
	Active Markets for Identical Assets (Level 1)	**Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**	**Total**
Mutual funds	$ 67,459,497	$ -	$ -	$ 67,459,497
Investments measured at net asset value - stable value fund [1]				1,296,820
				$ 68,756,317

	Assets at Fair Value as of December 31, 2024			
	Active Markets for Identical Assets (Level 1)	**Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**	**Total**
Mutual funds	$ 56,521,185	$ -	$ -	$ 56,521,185
Investments measured at net asset value - stable value fund [1]				1,436,319
				$ 57,957,504

[1] In accordance with ASU 2015-07, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. These investments, consisting of common collective trusts, are valued at NAV provided by the Trustee.

Transfers Between Levels
The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The significance of transfers between levels is evaluated based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2025 and 2024, there were no transfers between levels.

4. Information Certified by the Trustee

The following is a summary of the information regarding the Plan as of December 31, 2025 and 2024 and for the years then ended, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by Bank of America, N.A. and furnished to the Plan administrator. The Plan administrator has obtained certifications from Bank of America, N.A. that such information is complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

	2025	2024
Participant-directed investments	$ 68,756,317	$ 57,957,504
Notes receivable from participants	225,984	272,661
Investment income		
Net appreciation in fair value of investments	4,560,475	6,166,269
Dividends	3,782,497	2,318,347
Interest income on notes receivable from participants	22,441	17,119

In addition, all investment balances and information included in the supplemental schedule of assets (held at end of year) were certified by the Trustee to be complete and accurate.

5. Exempt Party-in-Interest Transactions

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts, and therefore, these transactions qualify as exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would remain 100% vested in their accounts.

7. Federal Income Tax Status

The Plan uses a prototype plan document sponsored by Merrill Lynch. Merrill Lynch received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

8. Subsequent Events

In connection with the preparation of the accompanying financial statements as of and for the years ended December 31, 2025 and 2024, the Company has evaluated events and transactions occurring after December 31, 2025, but before October 13, 2026, the date the financial statements were available to be issued. All subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
