Independent Auditor's Report

Plan Administrator of
Willbrook Solutions, Inc. 401(k) Plan
Huntsville, AL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Willbrook Solutions, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Plan Termination
As discussed in Note 4 to the financial statements, the Plan Sponsor adopted a resolution on January 5, 2026 terminating the Plan effective February 1, 2026. During 2026, participant account balances were transferred to a successor plan or distributed to participants, and the Plan's trust was fully liquidated. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of the Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Willbrook Solutions, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Willbrook Solutions, Inc. (the "Company" or "Plan Sponsor") who have attained age 18, subject to certain class exclusions specified in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by the Company; John Hancock Trust Company LLC serves as trustee and John Hancock Retirement Plan Services serves as recordkeeper. The Plan document is a pre-approved (volume submitter) document sponsored by Financial Consulting Group. During 2024, the accounts of employees of Quintron, an affiliated business, were merged into the Plan; during 2025 the Company divested Quintron, and the account balances of the affected participants were transferred to the buyer's plan (see "Transfer to another plan" below).

Contributions

Participants may contribute a percentage of eligible compensation as pre-tax elective deferrals or Roth contributions, subject to Internal Revenue Code (IRC) limits, and participants aged 50 or older may make catch-up contributions (including the increased limit for participants aged 60–63 effective in 2025). Participants may also roll over amounts from other qualified plans or individual retirement accounts. The Company makes a safe harbor matching contribution equal to 100% of elective deferrals up to 5% of eligible compensation, determined on a plan-year basis, and may make a discretionary profit sharing contribution allocated under an individual-group (new comparability) formula. For 2025, the Company's profit sharing contribution was 5% of eligible compensation (which excludes bonuses for profit sharing purposes) for eligible participants. Eligible employees may begin making elective deferrals upon hire; eligibility for matching and profit sharing contributions begins on the first of the month following hire.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching and profit sharing contributions, and allocations of plan earnings, and is charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts among the investment options offered under the Plan; all of the Plan's investments are participant-directed.

Vesting

Participants are immediately vested in their elective deferrals, rollover contributions, and safe harbor matching contributions, plus actual earnings thereon. Profit sharing contributions vest over a two-year schedule (0% with less than one year of service, 50% after one year, and 100% after two years); participants employed before September 1, 2009 are fully vested. Participants become fully vested upon death, disability, attainment of normal retirement age, or termination of the Plan.

Notes receivable from participants

Participants may borrow from their accounts subject to the terms of the plan document and the Plan's loan procedures. Loans are secured by the balance in the participant's account, bear interest at rates established under the Plan's procedures, and are repaid through payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits
On termination of service, death, disability, or retirement, a participant (or beneficiary) may receive a lump-sum amount equal to the vested value of the participant's account. The Plan also provides for hardship distributions from elective deferrals, in-service withdrawals after age 59½, and withdrawals from rollover accounts at any time. Installment payments are available only to satisfy required minimum distributions.

Forfeitures
Forfeited nonvested accounts may be used, at the discretion of the plan administrator, to pay plan expenses, to reduce employer contributions, or to be reallocated, as permitted by the plan document. At December 31, 2025, forfeited nonvested accounts totaled $75,897; in January 2026, that balance was applied against the Company's funding of the 2025 profit sharing contribution.

Transfer to another plan
In connection with the Company's 2025 divestiture of Quintron, account balances of the affected participants totaling $422,846 were transferred from the Plan to the Special Aerospace Services 401(k) P/S Plan during 2025. The transfer is presented as "Transfers to another plan" in the statement of changes in net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting
The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Although the Plan was terminated effective February 1, 2026 (Note 4), the termination was adopted after December 31, 2025; accordingly, the accompanying financial statements are presented on the ongoing-plan basis of accounting.

Information certified by the trustee
The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (an ERISA Section 103(a)(3)(C) audit). Accordingly, John Hancock Trust Company LLC, a qualified institution, has certified to the completeness and accuracy of the investment information it holds for the Plan — including investments at fair value of $38,837,623 and $36,120,486 at December 31, 2025 and 2024, and the related investment income for the year ended December 31, 2025.

Use of estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 3). Purchases and sales of securities are recorded on a trade-date basis; dividends are recorded on the ex-dividend date; interest is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses was considered necessary at December 31, 2025 or 2024.

Payment of benefits
Benefits are recorded when paid.

Administrative expenses
Certain administrative expenses of the Plan are paid directly from plan assets; recordkeeping and other fees paid from plan assets are reflected as administrative expenses in the statement of changes in net assets available for benefits. Certain other administrative costs are paid directly by the Company.

Subsequent events
Subsequent events have been evaluated through October 6, 2026, the date the financial statements were available to be issued. See Note 4.

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a three-level hierarchy for fair value measurements: Level 1 — unadjusted quoted prices in active markets for identical assets; Level 2 — observable inputs other than Level 1 prices; Level 3 — unobservable inputs. All of the Plan's investments are shares of registered investment companies (mutual funds) valued at the daily quoted net asset value per share reported on an active market and are classified as Level 1. The Plan held no Level 2 or Level 3 investments during either year. There were no transfers between levels.

	Level 1	Level 2/Level 3	Total
December 31, 2025 - Registered investment companies (mutual funds)	$ 38,837,623	$ -	$ 38,837,623
December 31, 2024 - Registered investment companies (mutual funds)	$ 36,120,486	$ -	$ 36,120,486

The following individual investments represented 5% or more of the Plan's net assets available for benefits at December 31, 2025: American Funds U.S. Government Money Market Fund — $3,632,115; Vanguard 500 Index Fund — $3,309,722; Columbia Global Technology Growth Fund — $2,604,996; JPMorgan Large Cap Growth Fund — $2,050,534; and MFS Growth Allocation Fund — $2,010,521.

The following individual investments represented 5% or more of the Plan's net assets available for benefits at December 31, 2024: American Funds U.S. Government Money Market Fund — $3,526,461; Vanguard 500 Index Fund — $2,913,118; and Columbia Global Technology Growth Fund — $2,538,688.

NOTE 4 – PLAN TERMINATION AND SUBSEQUENT EVENTS

In connection with the sale of the Company, the Company's board adopted a resolution on January 5, 2026 terminating the Plan effective February 1, 2026. Upon termination, all participant accounts became fully vested. During 2026, participant account balances were transferred to the Aurex Holdings, LLC plan — the plan of the Company's acquirer — or distributed to participants at their election, and the Plan's trust was fully liquidated by April 30, 2026. Contributions receivable at December 31, 2025 were collected in full in January 2026 prior to the liquidation. The Plan's final Form 5500 will be filed for the 2026 short plan year.

NOTE 5 – TAX STATUS

The Plan operates under a pre-approved plan document that has received an opinion letter from the Internal Revenue Service stating that the form of the document is acceptable under Section 401 of the IRC. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is designed, and through the date of these financial statements was being operated, in compliance with the applicable requirements of the IRC and that the Plan and related trust are tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan; the plan administrator has concluded that as of December 31, 2025 there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds held in a trust administered by John Hancock Trust Company LLC, the Plan's trustee, and records kept by John Hancock Retirement Plan Services; these transactions qualify as exempt party-in-interest transactions. Fees paid from plan assets for recordkeeping and related services were $87,838 for 2025. Notes receivable from participants also qualify as exempt party-in-interest transactions.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
