Independent Auditor's Report

Trustees and Management
Riverside Resort and Casino Employee Benefit Plan

Opinion on the 2025 Financial Statements

We have audited the financial statements of Riverside Resort and Casino Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for plan benefits and benefit obligations as of December 31, 2025, the related statement of changes in net assets available for plan benefits and changes in benefit obligations for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for plan benefits and benefit obligations of Riverside Resort and Casino Employee Benefit Plan as of December 31, 2025, and the changes in its net assets available for plan benefits and changes in benefit obligations for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Riverside Resort and Casino Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Riverside Resort and Casino Employee Benefit Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Riverside Resort and Casino Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Riverside Resort and Casino Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – 2024 Financial Statements

The financial statements of the Riverside Resort and Casino Employee Benefit Plan as of December 31, 2024 were audited by predecessor auditors, who expressed an unmodified opinion on those financial statements on September 18, 2025.

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Riverside Resort and Casino Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan provides health and death benefits to eligible employees (with 90 days of consecutive, full-time employment) and covered dependents of the following entities (the Company or Plan Sponsor):

Riverside Resort and Casino (a proprietorship)
Riverside Resort and Casino, Inc. (a corporation)
Laughlin Transit, Inc. (a corporation)
Bullhead Warehouse, LLC (a limited liability company)

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Health Benefits: The Plan provides medical, prescription drug, dental and vision benefits under its governing provisions. Eligible participants and qualified beneficiaries may elect continuation coverage following qualifying events in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). The applicable continuation period depends on the qualifying event and any available extensions.

Stop-Loss Coverage: The Plan maintains specific stop-loss insurance with an individual deductible of $275,000 per covered participant and an additional aggregating specific deductible of $224,000. Reimbursements are subject to the policy's terms, limitations and exclusions. Stop-loss refunds totaling $513,201 and $274,305 for the years ended December 31, 2025 and 2024, respectively, have been netted against health claims.

Receivable – reinsurance represents amounts due to the Plan for claim payments over the deductible amounts. This balance is stated at the amount that management expects to collect from outstanding balances less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amounts that will not be collected. This assessment considers historical experience, current conditions and, when appropriate, reasonable supportable forecasts.

The Plan has concluded that no allowance for current expected credit losses was necessary at December 31, 2025 or 2024.

Death Benefits: The Plan also provides group life and accidental death and dismemberment insurance. These benefits are insured under a master policy, and a premium is paid monthly to the insurer by the Plan.

Contributions: The Company makes necessary contributions to the Plan to provide benefits for employees.

Employees are required to make contributions to the Plan as determined annually by the Company. Employees may also contribute specified amounts, as determined by the Company, to extend coverage to eligible dependents.

Audit and Administration Expenses: Certain expenses of maintaining the Plan, including the annual audit, other accounting costs, and certain third-party administration fees, are paid directly by the Company and are excluded from these financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan are reflected below.

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting.

Payment of Benefits (Health Claims): Claim payments are recorded when paid by the third-party claims processor.

Benefit Obligations: Benefit obligations represent the estimated cost of medical, prescription drug, dental and vision claims incurred through the financial statement date but unpaid at that date, including claims reported but not paid and claims incurred but not reported. Claims received by the third-party claims processor but unpaid at year-end are classified as claims reported but not paid. Claims incurred but not reported represent the difference between total estimated unpaid benefit obligations and claims reported but not paid.

Total unpaid benefit obligations are estimated by the Plan's actuary using historical claims experience and claim-payment patterns. A lag-factor method applies completion factors derived from historical incurred and paid claims to estimate ultimate claims costs. For the most recent two months of medical claims and the most recent month of prescription drug and dental claims, ultimate claims costs are estimated by projecting historical incurred claims per employee per month. Unpaid vision claims are estimated using one month of paid claims. These methods assume that historical payment patterns are representative of future claim payments, with adjustments, as appropriate, for changes in claims experience, covered population, and plan provisions.

The estimates include a 15% provision for adverse deviation to reflect uncertainty in claims development and payment patterns. Benefit obligations are estimated before anticipated stop-loss recoveries and prescription drug rebates. Actual claims experience may differ from these estimates.

Estimates and Assumptions: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Subsequent Events: The Plan has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.

NOTE 3 – INCOME TAX STATUS

The voluntary employees' beneficiary association trust funding benefits of the Plan received a favorable exemption letter from the Internal Revenue Service (IRS) dated April 23, 1991 stating that the trust established under the Plan was designed in accordance with the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC) as tax-exempt. No federal or state income taxes were recorded in 2025 and 2024 for unrelated business taxable income.

The Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator and the Plan's counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the related trust was tax-exempt as of the financial statement date.

NOTE 3 – INCOME TAX STATUS (CONTINUED)

US GAAP requires the Plan's management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 – RISK AND UNCERTAINTIES

The Plan has funds on deposit with a financial institution, which exceeded the federally insured amounts by approximately $2,677,000 and $3,221,000 as of December 31, 2025 and 2024, respectively.
