INDEPENDENT AUDITORS' REPORT

Plan Administrator
Corbion America Employee Welfare Trust Fund Plan

Opinion

We have audited the financial statements of the Corbion America Employee Welfare Trust Fund Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and statements of plan benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and statements of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan and plan benefit obligations as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and its changes in plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter – Restatement to the 2024 Financial Statements

(1) Description of plan

The following description of the Corbion America Employee Welfare Trust Fund Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan provides health and other benefits sponsored by Corbion America Holdings, Inc. (the "Company") for the benefit of full-time employees of the Company and its subsidiaries (Caravan Ingredients, Inc., Purac America, Inc., and Corbion Biotech, Inc.) who work a minimum of 40 hours per week.

Certain plan assets are held in a voluntary employees' beneficiary association ("VEBA") trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan changes - Effective April 1, 2024, the Company divested the emulsifier business which impacted participants located at the Grandview and Dolton locations and some Caravan administrative personnel. As of this date, the plan document was restated and Union employees at these locations are no longer eligible for benefits under the Plan.

Benefits - The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, long-term disability benefits, business travel accident benefits, an employee assistance program, accidental death and dismemberment benefits, health care and dependent care flexible spending accounts and legal services. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Insured benefits - The Plan fully insures the dental benefits, vision benefits, life insurance benefits (basic, supplemental, and dependent), long-term disability benefits, business travel accident benefits, employee assistance program benefits, medical benefits abroad, group legal services, and accidental death, disability benefits (basic, supplemental, and spousal), critical illness, and hospital indemnity. The Company purchases annual insurance contracts for these insured benefits.

Stop loss coverage - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). For the years ended December 31, 2025 and 2024, the stop loss coverage threshold was $225,000 per person per year. Effective January 1, 2025, any claim exceeding the stop loss dollar threshold is paid through Everest Reinsurance Company ("Everest"). Prior to January 1, 2025, any claim exceeding the stop loss dollar threshold was paid directly by Aetna Life Insurance Company ("Aetna").

Refunds - Refunds due from the Plan's pharmacy benefit manager are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling $1,276,433 and $1,268,289 (as restated) have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively.

(1) Description of plan (continued)

Self-insured benefits - All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or for participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions - In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance, supplemental accidental death and dismemberment insurance, and legal service programs based on the current group rate premium cost. The Company pays the full cost of basic life insurance, basic accidental death and dismemberment insurance, and stop loss insurance. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported ("IBNR") and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions - Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

Payment of benefits - Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims administrator. Amounts due to claims administrators that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of plan benefit obligations. Premiums not yet paid at year end are included as an amount currently payable in the accompanying statements of plan benefit obligations.

Stop loss - Premiums for stop loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. Claims totaling $36,513 were reimbursed subsequent to December 31, 2025 by Everest Reinsurance Company on behalf of participants who exceeded the stop loss threshold for the year ended December 31, 2025. Additionally claims totaling $1,194,707 were paid directly by Aetna on behalf of participants who exceeded the stop loss threshold for the year ended December 31, 2024.

(2) Summary of significant accounting policies (continued)

Administrative expenses - The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan.

(3) Claims incurred but not reported

Claims incurred but not reported Plan obligations at December 31 for claims incurred but not reported are estimated based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

(4) Related party transactions and party-in-interest transactions

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

(5) Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

(6) Tax status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service ("IRS") dated October 17, 2002, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore, believes the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

	December 31, 2025	December 31, 2024
Net assets available for benefits per the financial statements	$ 1,680,027	$ 2,093,293
Pharmacy refunds receivable - December 31, 2024	-	(525,903)
Benefit obligations currently payable	(722,110)	(788,102)
Net assets available for benefits per Schedule H of the Form 5500	$ 957,917	$ 779,288

The following is a reconciliation of the net increase (decrease) per the financial statements to the Form 5500 for the years ended December 31, 2025 and 2024:

	Years Ended December 31, 2025	Years Ended December 31, 2024
Net increase (decrease) per the financial statements	$ (413,266)	$ 62,820
Pharmacy refunds receivable - December 31, 2023	-	426,500
Pharmacy refunds receivable - December 31, 2024	525,903	(525,903)
Premiums payable - prior year	-	58,381
Benefit obligations currently payable - current year	(722,110)	(788,102)
Benefit obligations currently payable - prior year	788,102	825,772
Net income (loss) per Schedule H of the Form 5500	$ 178,629	$ 59,468

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability. Pharmacy refunds receivable has been restated to correct an error, as further described in Note 8.

(8) Restatement of previously issued financial statements

The accompanying financial statements as of, and for the year ended, December 31, 2024 have been restated to correct an error. Pharmacy refunds due from the Plan's pharmacy benefit manager were previously recorded when received rather than when earned. As a result, pharmacy refund receivables were not recorded at December 31, 2024 and 2023. The pharmacy refund receivable of $426,500 at December 31, 2023 was recorded as an increase to net assets available for benefits at January 1, 2024. Additionally, pharmacy refund receivable and net assets available for benefits at December 31, 2024 increased by $525,903. Accordingly, benefits paid recorded for the year ended December 31, 2024 decreased by $99,403.

	As of, and for the year ended, December 31, 2024		
	As Previously Reported	Adjustment	As Restated
Pharmacy refunds receivable	$ -	$ 525,903	$ 525,903
Net assets available for benefits	1,567,390	525,903	2,093,293
Benefits paid	10,028,232	(99,403)	9,928,829

	As of December 31, 2023		
	As Previously Reported	Adjustment	As Restated
Net assets available for benefits	$ 1,603,973	$ 426,500	$ 2,030,473

(9) Subsequent events

The Plan has evaluated subsequent events through October 13, 2026, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
