# INDEPENDENT AUDITORS' REPORT

Park Nicollet Health Services Plan Administration Committee
Park Nicollet Health Services
403(b) Retirement Savings Plan
St. Louis Park, Minnesota

## Report on the Audit of the Financial Statements

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We were engaged to perform audits of the financial statements of Park Nicollet Health Services 403(b) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of Park Nicollet Health Services 403(b) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Disclaimer of Opinion*

We do not express an opinion on the accompanying financial statements of Park Nicollet Health Services 403(b) Retirement Savings Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

### *Basis for Disclaimer of Opinion*

As described in Note 6 to the financial statements, the Park Nicollet Health Services 403(b) Retirement Savings Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Nicollet Health Services 403(b) Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

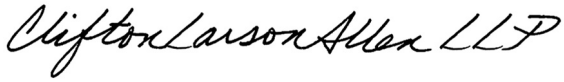

Our responsibility is to conduct an audit of Park Nicollet Health Services 403(b) Retirement Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Park Nicollet Health Services 403(b) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

***Other Matter***

***Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules.

## NOTE 1 DESCRIPTION OF PLAN

The following description of Park Nicollet Health Services 403(b) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan providing retirement benefits to eligible employees of the following subsidiaries of Park Nicollet Health Services (the Company): Park Nicollet Methodist Hospital, Park Nicollet Clinic, Park Nicollet Healthcare Products, and Park Nicollet Institute. The Plan was originally effective April 1, 2002. The Plan was last restated during 2018 with a retroactive effective date of January 1, 2010 as part of the remedial amendment period to adopt a volume submitter plan document. The Plan was last amended effective January 1, 2025. Employees are immediately eligible to participate on their first day of employment. The Plan is subject to the provisions of ERISA.

The Company is the Plan Sponsor and administrator and has appointed Fidelity Management Trust Company (Fidelity) as custodian. The custodian executes investment transactions as directed by the participants. The custodian is also responsible for making distributions to participants. Fidelity performs some, but not all, of the recordkeeping services for the Plan. Fidelity performs these functions at the direction of the Company in accordance with the provisions of the Plan.

Subsequent to year end, the Plan as restated effective January 1, 2026, in connection with the IRS Cycle 2 403(b) pre-approved plan document restatement.

### Contributions

All participants may contribute any percentage of their eligible compensation, either pretax or Roth, limited to $23,500 and $23,000 in total contributions (the limit is $31,000 and $30,500 for participants who qualify for a catch-up contribution) for 2025 and 2024, respectively. Participants age 50 or older qualify to make catch-up contributions.

The Company may, at its discretion, make matching contributions on elective deferrals, up to a maximum of 4% of eligible compensation. Only participants who are covered by a collective bargaining agreement between the Minnesota Nurses Association are eligible to receive matching contributions. To be eligible for the Company's matching contribution, the participant must have completed one year of service, defined as the 12-month period following the date of hire, and be 18 years of age. Once eligible, the participant must have 1,000 hours of service during the Plan year and be employed as of December 31 in order to receive a contribution, except if terminated during the year due to death, disability, or retirement. In 2025 and 2024, the Company made matching contributions of $1,866,269 and $1,802,626, respectively.

Rollover contributions are assets that were formerly held in a benefit plan of a participant's prior employer and were transferred into the Plan during the current year. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

## NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

### Participant Accounts

Each participant's account is credited with his or her contributions, the Company's matching contributions (if any), rollover contributions, and net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are immediately vested in all Company and participant contributions plus actual earnings thereon.

### Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

### Notes Receivable from Participants

Under provisions of the Plan, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. These loans bear interest at the prime rate plus 1%. Payments are due in biweekly or monthly installments of principal and interest over five years, unless the loan is for the purchase of a principal residence, in which case the repayments can be made over a period of 10 years.

### Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in installments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed $7,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between $1,000 and $7,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for doubtful accounts has been recorded as of December 31, 2025 or 2024. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

### Benefit Payments

Benefit payments to participants are recorded upon distribution.

### Contributions

Contributions from participants are recorded in the year in which participant compensation is earned. The Employer matching contribution is recorded in the year in which participants earn the contribution based on service or other eligibility criteria under the terms of the Plan.

### Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements as provided in the Plan document. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### Subsequent Events

The Plan has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.

## NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of investments and notes receivable from participants as of December 31, 2025 and 2024, and investment income and interest income on notes receivable from participants for the years then ended, in the accompanying financial statements and ERISA-required supplemental schedules.

## NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. The three levels of the fair value hierarchy under GAAP are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual Funds:* Valued daily based on unadjusted quoted market prices from national exchanges.

*Money Market Fund:* Valued daily based on subscription and redemption activity at a stable $1 net asset value (NAV). Redemptions can occur daily at NAV and there are no restrictions to redemption or unfunded commitments.

*Self-Directed Brokerage Accounts:* Each common stock and mutual fund is valued daily based on unadjusted quoted market prices from national exchanges. Cash and cash equivalents are recorded at book value, which approximates fair value.

*General Account:* Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

## NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

Effective June 1, 2018, the Plan maintains a general account with the Lincoln National Life Insurance Company (Lincoln). The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The general accounts are included in the financial statements at fair value because they are not fully benefit responsive. Upon termination of the investment contracts, the lump-sum liquidation value of the general account portion of the participant's accumulation value shall be equal to the participant's general account accumulation value on the liquidation date, reduced by the liquidation charge applicable on the liquidation date. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

## NOTE 6 EXCLUDABLE CONTRACTS

Prior to April 2002, the Plan historically was viewed as an amalgamation of annuity contracts and custodial accounts and the Plan and its custodians did not maintain financial information at a Plan level. Plan participants could choose to have their account managed by a vendor of their choice. Beginning in April 2002, the Plan went to a single vendor platform with Transamerica chosen as the Plan's lone service provider and began to provide the Plan administrator with annual certified statements summarizing the Plan's activities and holdings. All subsequent contributions were placed in accounts with a single custodian, State Street. Each participant was given the right to maintain the account previously established, but all future contributions would be directed to the new single provider plan. Each participant has the option to move the money from his or her pre-2002 account into the Plan at any time. In 2025 and 2024, there were no participants utilizing this option.

Beginning January 1, 2009, the Department of Labor (DOL) issued Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans* (FAB 2009-02), requiring that GAAP-basis financial statements be filed with the DOL. In preparing GAAP-basis financial statements, as permitted by FAB 2009-02, a plan may exclude from investments in the statements of net assets available for benefits, individual contracts, and custodial accounts issued to current and former employees prior to January 1, 2009. GAAP requires that these accounts and the related income and distributions be included in the accompanying financial statements. The amount of the excluded annuity contracts and custodial accounts and the related income and distributions issued to current and former employees of the Plan prior to January 1, 2009 are not determinable.

The Plan administrator believes the conditions of the DOL Field Assistance Bulletin 2009-02, to not treat annuity contracts and custodial accounts as part of the Plan assets for purposes of ERISA's annual reporting requirements, have been satisfied with respect to excluded contracts.

## NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds, a general account, self-directed brokerage accounts, and a money market fund, which may include investments in, but not limited to, U.S. government securities, corporate debt instruments, and corporate equity securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur over time and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

## NOTE 8 PLAN TERMINATION

Although the Company has not expressed any intent to do so, it may terminate the Plan at any time, subject to the provisions of the Plan and ERISA. In the event the Plan is terminated, each participant shall be entitled to a benefit equal to the value of his or her account.

## NOTE 9 PLAN TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA, as amended, unless a specific exemption applies. Certain Plan investments are managed by Fidelity. Fidelity is the custodian, as defined by the Plan and, therefore, the investment transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for investment management services are offset with revenue sharing credits and included as a reduction of the return earned on each investment.

## NOTE 11 PLAN TO PLAN TRANSFERS

The Plan allows eligible employees to make transfers from another 403(b) Plan.

## NOTE 12 NONEXEMPT TRANSACTION

During 2024 and 2025, the Company failed to remit employee 403(b) deferral contributions and loan payments for certain payroll periods within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The $5,124,668 of 403(b) deferral contributions and loan payments were remitted to the Trust during 2024 or 2025, however the lost earnings related to these late deferrals and loan payments were calculated and deposited during 2025.
