INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Plainview Healthcare 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Plainview Healthcare 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plainview Healthcare 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5-6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plainview Healthcare 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

GGM Associates, Inc.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plainview Healthcare 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plainview Healthcare 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plainview Healthcare 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

GGM Associates, Inc.

Skokie, IL 60076
(773) 747-4506

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) - Schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Plainview Healthcare 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

Plainview Healthcare 401(k) Plan (the "Plan") was effective July 1, 2019, amended and restated most recently effective June 1, 2022, and is a defined contribution plan established to encourage and assist employees in saving and investing payroll withholdings for purposes of receiving retirement benefits. Everview Group (formally known as Plainview Group TN LLC) (the "Company" or "Employer") is the Plan sponsor and administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective June 1, 2022, the Plan's trustee and custodian changed to John Hancock Trust Company LLC. The Plan's Special Trustee is Administrative Fiduciary c/o Everview Group in which they are solely responsible for the collection of the employee contributions owed to the Plan.

Effective April 2, 2023, the Plan was amended and restated to conform the Plan to recent tax laws and to update employer matching contribution to be annual that is equal up to 1% of the participant salary.

The following table are the participating employers to the Plan as of December 31, 2025:

Participating Employers	
- Everview Group LLC	- Huntsville TN Opco LLC
- Plainview Healthcare Partners LLC	- Jellico TN Opco LLC
- Andersonville TN Opco LLC	- Tampa FL Opco LLC
- Phelps KY Opco LLC	- Newport TN Opco LLC
- Brookhaven TN Opco LLC	- Antioch TN Opco LLC
- Church Hill TN Opco LLC	

Eligibility:

New Employees hired after the effective date is subject to become eligible to participate upon the next month subsequent to completing 60 days of service.

Contributions:

Each year, participants may contribute the maximum amount allowed by the Internal Revenue Service, plus Roth IRA contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Contributions (continued):

The Plan Sponsor may elect to make a discretionary matching contribution. The Plan updated it discretionary matching and profit-sharing contributions that will be up to 1% of the participants compensation. The contributions are invested in the same investment options and allocation percentages as the participant-directed contributions. The total amount contributed to the Plan was in the amount $45,891 and $0 for the plan year ending December 31, 2025 and 2024.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Participant accounts:

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of the Sponsor's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is based on the participant's vested account.

Vesting:

Participants will be vested in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon based on the following schedule:

Years of Service	Vesting Percentage
Less than one year	0%
1 years	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Investment options:

Participants direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers a variety of registered mutual funds as investment options for participants.

Loans to participants:

Loans are not permitted under the Plan.

Payment of benefits:

Upon termination of service due to death, disability, retirement, or other reasons, a participant or the participant's estate or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account. Hardship withdrawals are permitted by the Plan. Participants' benefits are charged to participants' equity during the period when participants are entitled to receive payment, which generally is the period during which the benefits are paid.

Disposition of forfeitures:

Forfeitures arising during the Plan year will first be used to pay administrative expenses. Any remaining amounts will be used to reduce the Company's future employer contributions payable under the Plan. Forfeiture accounts will be used to reduce future administrative expenses, reinstate previously forfeited account balances of former participants who have been reemployed by the Company, and to reduce the Company's matching contributions. At December 31, 2025 and 2024, the account balance for forfeitures to be used totaled $90,675 and $120,194, respectively.

Subsequent events:

In the preparation of the financial statements, the Plan was reviewed and evaluated by management and determined there were no subsequent events or transactions for disclosure through October 9, 2026 the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis in accordance with accounting policies generally accepted in the United States of America, except for benefit payments, which are recorded when paid.

Valuation of investments and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex- dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contribution receivables:

Contributions receivables from participants and employers are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications:

Reclassifications were added to the prior year's financial statements for comparative purposes to conform with the presentation of the current financial statements.

NOTE 3 – TAX STATUS

The Plan is a non-standardized pre-approved profit sharing and money purchase plan with CODA sponsored by John Hancock Retirement Plan Services LLC in which has received an opinion letter from the Internal Revenue Service dated June 30, 2020. The IRS has determined and informed the Company that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (the Code).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions.

NOTE 5 – CERTIFICATION OF CONTRACT HELD BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by John Hancock Trust Company LLC (the Custodian).

The Plan's investments appreciated in value in the amount of $274,171 (in which includes gains and/or losses on investments purchased, sold, and held during the year) for the year ended, December 31, 2025.

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets:
- Quoted prices for identical or similar assets or liabilities in inactive markets:
- Inputs other than quoted prices that are observable for the asset or liability:
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025:

Money market funds are valued at the closing price reported by the fund sponsor from an actively traded exchange. These are included within investments as Level 1 measurements.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts are valued by the determination of the trustee of the common collective trust based on the underlying assets, which represents the net asset value. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Fair value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market funds	$ 90,675	$ -	$ -	$ 90,675
Mutual funds	1,721,895	-	-	1,721,895
Investments measured at NAV*				$ 50,721
Total Investments at fair value hierarchy	$ 1,812,570	$ -	$ -	$ 1,863,291

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Fair value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market funds	$ 120,193	$ -	$ -	$ 120,193
Mutual funds	1,561,281	-	-	1,561,281
Investments measured at NAV*				$ 57,708
Total Investments at fair value hierarchy	$ 1,681,474	$ -	$ -	$ 1,739,182

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes the common/collective trust funds for which fair value is measured using NAV as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

Net asset value as of December 31, 2025

Fund	Fair Value	Unfunded Commitments	Redemption Frequency (if appicable)	Redemption Notice Period
John Hancock Stable Value R11	50,721	N/A	Daily	12 Months

Net asset value as of December 31, 2024

Fund	Fair Value	Unfunded Commitments	Redemption Frequency (if appicable)	Redemption Notice Period
Morley Stable Value Fund (Class 50 - I)	45,954	N/A	Daily	12 Months
John Hancock Stable Value R11	11,754	N/A	Daily	12 Months

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company LLC serves as trustee and custodian of the Plan, and John Hancock provides recordkeeping services to the Plan. Certain Plan investments are units of a common/collective trust fund sponsored and managed by John Hancock Trust Company LLC. At December 31, 2025 and 2024, the Plan held investments in the John Hancock Stable Value Fund of $50,721 and $11,754, respectively. These transactions qualify as exempt party-in-interest transactions.

Recordkeeping and other administrative fees are paid from Plan assets and charged to participant accounts. For the year ended December 31, 2025, fees paid by the Plan to John Hancock totaled $38,748. These transactions qualify as exempt party-in-interest transactions.

Cambridge Investment Research Inc. provides investment advisory services to the Plan and receives indirect compensation from John Hancock of 25 basis points on an ongoing basis. These transactions qualify as exempt party-in-interest transactions.

Audit fees of $9,500 were paid from Plan assets to GGM Associates Inc., the Plan's independent auditor, during the year ended December 31, 2025. The Company administers the Plan from its office.

NOTE 9 – EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $17,413 and $24,567 for contributions in excess of amounts allowed by the IRS are recorded as a liability and subtracted from employee contributions for the year end December 31, 2025 and 2024.

NOTE 10 – RECONCILIATION OF THE FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2025 and 2024, per the accompanying financial statements to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 1,845,878	$ 1,714,615
Excess contribution payable	17,413	24,567
Net assets available for benefits per the Form 5500	$ 1,863,291	$ 1,739,182

Total contributions per the financial statement is reduced by corrective distributions which represent excess contributions payable. The corrective distributions are stated separately on the Form 5500.

	2025	2024
Total contributions per the financial statements	$ 521,192	$ 288,617
Corrective distribution	-	27,995
Employer match	-	71,038
2025 excess contribution	17,413	24,567
2024 excess contribution	(24,567)	(26,183)
Rounding	1	-
Total contribution per the Form 5500	$ 514,039	$ 386,034
