INDEPENDENT AUDITOR'S REPORT

Participants and Trustee
Overeasy, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Overeasy, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Overeasy, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amount and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Overeasy, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Overeasy, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Overeasy, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Overeasy, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedules of Delinquent Participant Contributions and Assets Held for Investment Purposes as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OVEREASY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF THE PLAN

Effective September 1, 2012, Overeasy Inc. (the "Company") adopted a 401(k) profit sharing plan currently known as the Overeasy, Inc. 401(k) Plan (the "Plan"). Beginning January 1, 2021, Gaggles, Inc. became a participating employer of the Plan. The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees who have attained the age of 21 and have completed at least 1,000 hours of service within the 12 months following the employee's commencement date. The Plan is administered by the Company.

The Plan is designed to comply with Section 401(a) of the Internal Revenue Code as a defined contribution Plan and its incorporated Trust is intended to qualify as a tax-exempt trusts under Section 501(a) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Custodian and Recordkeeper

Capital Bank and Trust Company acts as the custodian and Empower Recordkeeping Services is the record-keeper of the Plan. Certain information included in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivables from participants held at December 31, 2025 and 2024, net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed or derived from information certified as complete and accurate by Capital Bank and Trust Company, a qualified institution.

Contributions and Funding Policy

Based on their elections, plan participants are entitled to defer up to 100% of compensation up to the maximum contribution amount permitted under the Internal Revenue Code of $23,500 and $23,000, respectively ($31,000 and $30,500 for participants age 50 and over, respectively) for the years ended December 31, 2025 and 2024. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds. The Plan allows participants to roll over eligible amounts to the Plan from other qualified retirement plans.

The Plan provides for a safe harbor matching contribution equal to 100% of each eligible participant's deferrals up to the first 4% of the participant's eligible compensation. Company matching contributions are accrued by the Plan in the period in which the contributions become an obligation of the Company.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Participant Account

Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution and b) Plan earnings, and charged with an allocation of certain expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions and related earnings thereon. Participants are also immediately vested in the Company's safe-harbor matching contributions. Vesting in the Company's discretionary contributions, when applicable, is based on years of vesting service. A year of service is defined as 1,000 hours worked during the Plan year.

Participant accounts become 100% vested upon normal retirement, disability, or death of the active participant. The following schedule describes the vesting percentages for discretionary employer contributions:

Years of Service	Vested Benefit Percentage
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Forfeitures

Forfeitures of non-vested accounts are used first to pay administrative expenses on behalf of the Plan, with any remaining amounts used to reduce employer contributions. During 2025, the Plan received $4,700 related to an uncashed distribution from a prior plan year. The amount is included in the Plan's forfeiture activity while plan management continues efforts to locate the participant and return the funds. Accordingly, the plan recorded a participant benefit payable of $4,700 as of December 31, 2025, representing the amount due to the participant.

Total forfeiture-related funds held in the Plan's money market mutual fund were $6,498 and $1,385 as of December 31, 2025 and 2024, respectively.

Payment of Benefits

Upon termination of service before the normal retirement age, a participant with benefits of over $5,000 may elect to receive a lump sum payment equal to the vested share of the participant's account.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Payment of Benefits (continued)

Upon termination of service at the normal retirement age, benefits are available based on the vested share of the participant's accounts. Benefits can also be accessed in the event of disability or death. Additionally, the Plan allows participants to make early withdrawals for certain financial hardships.

Notes Receivable from Participants

Loans to participants are authorized by the Plan administrator and trustees who are responsible for determining the terms and conditions. Participants may borrow a minimum of $1,000 up to the lesser of 50% of their vested account balance as of the date of loan origination, or $50,000. The loans are secured by the vested balance in the participants' account and will bear interest at the rate of prime rate plus 1%. The loans will be repaid through payroll deductions over a period not to exceed five years. Interest rates on all outstanding loans range from 9.0% to 10.50% at December 31, 2025. Participant loans in the amount of $222,960 at December 31, 2025 and $88,851 at December 31, 2024 are included in the accompanying financial statements under the caption "Notes receivable from participants."

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting. Investments held by a defined contribution plan are require to be reported at fair value.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Plan investments are included in the accompanying financial statements, which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest earned to date is included in the investment value. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in the administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative and other expenses are recorded as incurred.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Subsequent Events

Subsequent events were evaluated through September 28, 2026, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025. Classification within the fair value hierarchy table is based on the lower level of any input that is significant to the fair value measurement.

	Assets at Fair Value 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,392,201	$ -	$ -	$ 4,392,201
Total investments at fair value	$ 4,392,201	$ -	$ -	$ 4,392,201

	Assets at Fair Value 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,519,776	$ -	$ -	$ 3,519,776
Total investments at fair value	$ 3,519,776	$ -	$ -	$ 3,519,776

Transfers between levels

For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4: PLAN TERMINATION

Although the Company has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5: INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated February 1, 2015 and updated on June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the custodian of the Plan as of December 31, 2025 and 2024, and therefore, qualifies as a party-in-interest as defined by ERISA. Transactions involving these investments qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $6,804 and $12,091 for the years ended December 31, 2025 and 2024, respectively. Management believes these transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.
