MAULDIN & JENKINS
CPAs & ADVISORS

October 10, 2026

To the Plan Administrator and Management of the
Affordable Business Solutions Retirement Plan
Macon, GA

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Affordable Business Solutions Retirement Plan as of and for the year ended December 31, 2025, and have issued our report thereon dated October 10, 2026. Professional standards require that we advise you of the following information related to our audit.

OUR RESPONSIBILITY IN RELATION TO THE FINANCIAL STATEMENT AUDIT

As communicated in our engagement letter dated May 11, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of Affordable Business Solutions Retirement Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

PLANNED SCOPE AND TIMING OF THE AUDIT

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

COMPLIANCE WITH ALL ETHICAL REQUIREMENTS REGARDING INDEPENDENCE

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

SIGNIFICANT RISKS IDENTIFIED

We previously communicated to you in our engagement letter dated May 11, 2026 the identified significant risks. There have been no additional significant risks identified through the course of our planning and review stages of the audit.

QUALITATIVE ASPECTS OF THE PLAN'S SIGNIFICANT ACCOUNTING PRACTICES

SIGNIFICANT ACCOUNTING POLICIES

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Affordable Business Solutions Retirement Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about: (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

SIGNIFICANT ACCOUNTING ESTIMATES AND RELATED DISCLOSURES

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive estimate affecting the financial statements was the fair value of investments noted below:

> *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure, our procedures were limited to obtaining the investment certification from the custodian.

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the disclosures in Note 3 to the financial statements of the estimated fair values of the Plan assets.

SIGNIFICANT UNUSUAL TRANSACTIONS

We noted no significant unusual transactions in performing and completing our audit.

FORM 5500 PROCEDURES

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

SIGNIFICANT DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing and completing our audit.

UNCORRECTED AND CORRECTED MISSTATEMENTS

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements noted in the performance of our 2025 audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no corrected misstatements noted in the performance of our 2025 audit.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Affordable Business Solutions Retirement Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

REPRESENTATIONS REQUESTED FROM MANAGEMENT

We have requested certain representations from management that are included in the management representation letter dated October 10, 2026.

MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

OTHER SIGNIFICANT MATTERS, FINDINGS, OR ISSUES

In the normal course of our professional association with Affordable Business Solutions Retirement Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Affordable Business Solutions Retirement Plan's auditors.

OTHER MATTERS

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of management, the Board of Directors, and others within the Plan sponsor and is not intended to be used by anyone other than these specified parties.

October 10, 2026

To the Plan Administrator and Management of the
Affordable Business Solutions Retirement Plan
Macon, GA

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Affordable Business Solutions Retirement Plan as of and for the year ended December 31, 2025, and have issued our report thereon dated October 10, 2026. Professional standards require that we advise you of the following information related to our audit.

OUR RESPONSIBILITY IN RELATION TO THE FINANCIAL STATEMENT AUDIT

As communicated in our engagement letter dated May 11, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of Affordable Business Solutions Retirement Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

PLANNED SCOPE AND TIMING OF THE AUDIT

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

COMPLIANCE WITH ALL ETHICAL REQUIREMENTS REGARDING INDEPENDENCE

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

SIGNIFICANT RISKS IDENTIFIED

We previously communicated to you in our engagement letter dated May 11, 2026 the identified significant risks. There have been no additional significant risks identified through the course of our planning and review stages of the audit.

QUALITATIVE ASPECTS OF THE PLAN'S SIGNIFICANT ACCOUNTING PRACTICES

SIGNIFICANT ACCOUNTING POLICIES

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Affordable Business Solutions Retirement Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about: (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

SIGNIFICANT ACCOUNTING ESTIMATES AND RELATED DISCLOSURES

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive estimate affecting the financial statements was the fair value of investments noted below:

> *Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure, our procedures were limited to obtaining the investment certification from the custodian.

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the disclosures in Note 3 to the financial statements of the estimated fair values of the Plan assets.

SIGNIFICANT UNUSUAL TRANSACTIONS

We noted no significant unusual transactions in performing and completing our audit.

FORM 5500 PROCEDURES

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

SIGNIFICANT DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing and completing our audit.

UNCORRECTED AND CORRECTED MISSTATEMENTS

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements noted in the performance of our 2025 audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no corrected misstatements noted in the performance of our 2025 audit.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Affordable Business Solutions Retirement Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

REPRESENTATIONS REQUESTED FROM MANAGEMENT

We have requested certain representations from management that are included in the management representation letter dated October 10, 2026.

MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

OTHER SIGNIFICANT MATTERS, FINDINGS, OR ISSUES

In the normal course of our professional association with Affordable Business Solutions Retirement Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Affordable Business Solutions Retirement Plan's auditors.

OTHER MATTERS

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of management, the Board of Directors, and others within the Plan sponsor and is not intended to be used by anyone other than these specified parties.

Independent Auditor's Report

Affordable Business Solutions Retirement Plan
Macon, Georgia

Scope and Nature of the ERISA Section 103(A)(3)(C) Audit

We have performed audits of the accompanying financial statements of Affordable Business Solutions Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Affordable Business Solutions Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Affordable Business Solutions Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Affordable Business Solutions Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Affordable Business Solutions Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Affordable Business Solutions Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Eligibility for Participation

The Affordable Business Solutions Retirement Plan is a defined contribution plan covering all permanent employees with no minimum service or age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligible Employee - An "Eligible Employee" is someone who is employed by Affordable Business Solutions or any affiliate (the "Company") who has adopted the Plan. For Safe Harbor Contributions, the term "Eligible Employee" for the exclusion of classes of employees shall have the same meaning as Elective Deferrals. However, the participant is not an "Eligible Employee" if he/she is a member of any of the following classes of employees:

> For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions, any employee who is included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.
>
> For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions, any leased employee.
>
> For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions, any employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States.

Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions - Participants will become eligible to make Elective Deferral Contributions and receive Non-Safe Harbor Matching Contributions, and Safe Harbor Matching Contributions and Profit-Sharing Contributions on the first day of the calendar month, coinciding with or next following the date the participant performed an hour of service as an Eligible Employee.

Contributions

The Company will contribute a Safe Harbor Matching Contribution in an amount equal to 100% of the Elective Deferral Contributions that are not in excess of 4% of Compensation.

The Company may make Matching Contributions in addition to the above.

Allocation of Matching Contributions - Matching Contributions will be made to the Plan and allocated to the Matching Contribution Accounts of Participants as soon as administratively feasible after the end of each pay period.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Internal Revenue Code may also further restrict Matching Contributions for highly compensated employees.

Profit-Sharing Contributions - The Company may, in its sole discretion, make a Profit-Sharing Contribution to the Plan on the participant's behalf. Participants will be eligible to receive an allocation if they have completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year. For purposes of this Section, an employee who is not paid on a per-hour basis will be credited with forty-five (45) hours of service for each week, or partial week of service with the Company.

Profit-Sharing Contributions will be allocated to the Profit-Sharing Contribution Accounts of each Participant eligible to share in such allocations after the end of the Plan Year. Such contributions will be allocated to the Profit-Sharing Contribution Account of each Participant eligible in pro rate shares based on each eligible participant's compensation to total compensation of all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, company matching contributions, earnings, and charged with an allocation of administrative expenses. The participant directs the investments of his or her account by allocating amounts among the investment choices provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participant loans are not permitted as defined in the Plan Document.

Vesting

Participants are always fully (100%) vested in their Elective Deferral Account, Rollover Contribution Account, Qualified Non-Elective Contribution Account, and Safe Harbor Matching Contribution Account.

Year of Vesting Service

"Year of Vesting Service" means a 12-month period of time beginning on the participant's date of hire. All periods of service and less than whole year periods of service will be aggregated on the basis that twelve (12) months of service (30 days are deemed to be a month in the case of the aggregation of fractional months) or 365 days of service are equal to a whole year of service. The participant will also receive credit for any period of severance of less than 12 consecutive months.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Year of Vesting Service (Continued)

Discretionary Non-Safe Harbor Matching Contribution Account and Profit-Sharing Contribution Account - Participant interest in their Discretionary Non-Safe Harbor Matching Contribution Account and Profit-Sharing Contribution Account will be based on the participant's Year of Vesting Service (defined below) in accordance with the following schedule:

Years of Vesting Service	Vesting Percentage
Less than one year	0%
One year but less than two years	20%
Two years but less than three years	40%
Three years but less than four years	60%
Four years but less than five years	80%
Five or more years	100%

Special Vesting Rules - Participants will become fully (100%) vested upon their attainment of Normal Retirement Age while an employee, death while an employee, or becoming disabled while an employee.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

If a Participant Receives a Distribution - If the participant's employment with the Company terminates and they receive a distribution of the entire vested portion of their Account, they will forfeit the non-vested portion of their Account. If the value of the vested Account balance is zero (0), they will be deemed to have received a distribution of their Account.

If a Participant Does Not Receive a Distribution - If the participant's employment with the Company terminates and they do not receive a complete distribution of the vested portion of their Account, they will forfeit the non-vested portion of their Account after the date they incur five (5) consecutive One-Year Periods of Severance.

Re-employment - If the participant receives or is treated as receiving a distribution and they resume employment, the amounts that have been forfeited (if any) will be restored if they repay the full amount of the previous distribution before the earlier of five (5) years after the first date on which they are subsequently reemployed, or the date they incur five (5) One-Year Periods of Severance following the date of distribution.

Plan Transfers

During 2025, the Plan had a transfer out on October 3, 2025 of $1,461,564 through which participants transferred their full account balance to the River Edge Behavioral Health 457(b) Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Subsequent Events

Subsequent events were evaluated through October 10, 2026, which is the date the financial statements were available to be issued.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Substantially all of the expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value investments.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Account Standards Codification ("ASC") 820-10-50, *Fair Value Measurements and Disclosures*, provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The 3 levels of fair value hierarchy under FASB ASC 820-10-50 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,551,142	$ -	$ -	$ 1,551,142

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 3,372,882	$ -	$ -	$ 3,372,882

For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4. CERTIFIED INVESTMENTS

The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that such information is complete and accurate.

	2025	2024
Statements of net assets available for benefits:		
Investments at fair value	$ 1,551,142	$ 3,372,882
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	$ 456,149	
Interest and dividends	56,742	

Supplemental schedule: All investment balances and information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

NOTE 5. FORFEITURES

There were no forfeitures as of December 31, 2025 and 2024. During the Plan year 2025, no forfeitures were used to fund employer contributions, as allowed by the Plan.

Notes To Financial Statements

NOTE 6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of mutual funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian of the Plan's assets, and therefore qualifies as party-in-interest. Fees incurred by the Plan for the investment management services are included in administrative expenses and in net appreciation in fair value of investments. The Sponsor pays directly any other fees related to the Plan's operations. These party-in-interest transactions are exempt from the Prohibited Rules of ERISA. There are no other related-party or party-in-interest transactions.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8. INCOME TAX STATUS

The Plan uses a volume submitter 401(k) plan created by Ameritas f/k/a Bluestar Retirement Services, Inc., the Plan's third-party administrator. Bluestar Retirement Services, Inc. received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states the volume submitter 401(k) plan satisfies the applicable provisions of the Internal Revenue Code ("IRC"). Although the Plan has not obtained an individual determination letter and has been amended since receiving the Bluestar Retirement Services, Inc. opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Affordable Business Solutions Retirement Plan

Scope and Nature of the ERISA Section 103(A)(3)(C) Audit

We have performed audits of the accompanying financial statements of Affordable Business Solutions Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Affordable Business Solutions Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Affordable Business Solutions Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Affordable Business Solutions Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Affordable Business Solutions Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Affordable Business Solutions Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Affordable Business Solutions Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility for Participation

The Affordable Business Solutions Retirement Plan is a defined contribution plan covering all permanent employees with no minimum service or age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligible Employee - An "Eligible Employee" is someone who is employed by Affordable Business Solutions or any affiliate (the "Company") who has adopted the Plan. For Safe Harbor Contributions, the term "Eligible Employee" for the exclusion of classes of employees shall have the same meaning as Elective Deferrals. However, the participant is not an "Eligible Employee" if he/she is a member of any of the following classes of employees:

> For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions, any employee who is included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.
>
> For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions, any leased employee.
>
> For purposes of Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions, any employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States.

Elective Deferral Contributions, Non-Safe Harbor Matching Contributions, Safe Harbor Matching Contributions and Profit-Sharing Contributions - Participants will become eligible to make Elective Deferral Contributions and receive Non-Safe Harbor Matching Contributions, and Safe Harbor Matching Contributions and Profit-Sharing Contributions on the first day of the calendar month, coinciding with or next following the date the participant performed an hour of service as an Eligible Employee.

Contributions

The Company will contribute a Safe Harbor Matching Contribution in an amount equal to 100% of the Elective Deferral Contributions that are not in excess of 4% of Compensation.

The Company may make Matching Contributions in addition to the above.

Allocation of Matching Contributions - Matching Contributions will be made to the Plan and allocated to the Matching Contribution Accounts of Participants as soon as administratively feasible after the end of each pay period.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Internal Revenue Code may also further restrict Matching Contributions for highly compensated employees.

Profit-Sharing Contributions - The Company may, in its sole discretion, make a Profit-Sharing Contribution to the Plan on the participant's behalf. Participants will be eligible to receive an allocation if they have completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year. For purposes of this Section, an employee who is not paid on a per-hour basis will be credited with forty-five (45) hours of service for each week, or partial week of service with the Company.

Profit-Sharing Contributions will be allocated to the Profit-Sharing Contribution Accounts of each Participant eligible to share in such allocations after the end of the Plan Year. Such contributions will be allocated to the Profit-Sharing Contribution Account of each Participant eligible in pro rate shares based on each eligible participant's compensation to total compensation of all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, company matching contributions, earnings, and charged with an allocation of administrative expenses. The participant directs the investments of his or her account by allocating amounts among the investment choices provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participant loans are not permitted as defined in the Plan Document.

Vesting

Participants are always fully (100%) vested in their Elective Deferral Account, Rollover Contribution Account, Qualified Non-Elective Contribution Account, and Safe Harbor Matching Contribution Account.

Year of Vesting Service

"Year of Vesting Service" means a 12-month period of time beginning on the participant's date of hire. All periods of service and less than whole year periods of service will be aggregated on the basis that twelve (12) months of service (30 days are deemed to be a month in the case of the aggregation of fractional months) or 365 days of service are equal to a whole year of service. The participant will also receive credit for any period of severance of less than 12 consecutive months.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Year of Vesting Service (Continued)

Discretionary Non-Safe Harbor Matching Contribution Account and Profit-Sharing Contribution Account - Participant interest in their Discretionary Non-Safe Harbor Matching Contribution Account and Profit-Sharing Contribution Account will be based on the participant's Year of Vesting Service (defined below) in accordance with the following schedule:

Years of Vesting Service	Vesting Percentage
Less than one year	0%
One year but less than two years	20%
Two years but less than three years	40%
Three years but less than four years	60%
Four years but less than five years	80%
Five or more years	100%

Special Vesting Rules - Participants will become fully (100%) vested upon their attainment of Normal Retirement Age while an employee, death while an employee, or becoming disabled while an employee.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

If a Participant Receives a Distribution - If the participant's employment with the Company terminates and they receive a distribution of the entire vested portion of their Account, they will forfeit the non-vested portion of their Account. If the value of the vested Account balance is zero (0), they will be deemed to have received a distribution of their Account.

If a Participant Does Not Receive a Distribution - If the participant's employment with the Company terminates and they do not receive a complete distribution of the vested portion of their Account, they will forfeit the non-vested portion of their Account after the date they incur five (5) consecutive One-Year Periods of Severance.

Re-employment - If the participant receives or is treated as receiving a distribution and they resume employment, the amounts that have been forfeited (if any) will be restored if they repay the full amount of the previous distribution before the earlier of five (5) years after the first date on which they are subsequently reemployed, or the date they incur five (5) One-Year Periods of Severance following the date of distribution.

Plan Transfers

During 2025, the Plan had a transfer out on October 3, 2025 of $1,461,564 through which participants transferred their full account balance to the River Edge Behavioral Health 457(b) Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Subsequent Events

Subsequent events were evaluated through October 10, 2026, which is the date the financial statements were available to be issued.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Substantially all of the expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value investments.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Account Standards Codification ("ASC") 820-10-50, *Fair Value Measurements and Disclosures*, provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The 3 levels of fair value hierarchy under FASB ASC 820-10-50 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,551,142	$ -	$ -	$ 1,551,142

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 3,372,882	$ -	$ -	$ 3,372,882

For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4. CERTIFIED INVESTMENTS

The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that such information is complete and accurate.

	2025	2024
Statements of net assets available for benefits:		
Investments at fair value	$ 1,551,142	$ 3,372,882
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	$ 456,149	
Interest and dividends	56,742	

Supplemental schedule: All investment balances and information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

NOTE 5. FORFEITURES

There were no forfeitures as of December 31, 2025 and 2024. During the Plan year 2025, no forfeitures were used to fund employer contributions, as allowed by the Plan.

Notes To Financial Statements

NOTE 6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of mutual funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian of the Plan's assets, and therefore qualifies as party-in-interest. Fees incurred by the Plan for the investment management services are included in administrative expenses and in net appreciation in fair value of investments. The Sponsor pays directly any other fees related to the Plan's operations. These party-in-interest transactions are exempt from the Prohibited Rules of ERISA. There are no other related-party or party-in-interest transactions.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8. INCOME TAX STATUS

The Plan uses a volume submitter 401(k) plan created by Ameritas f/k/a Bluestar Retirement Services, Inc., the Plan's third-party administrator. Bluestar Retirement Services, Inc. received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states the volume submitter 401(k) plan satisfies the applicable provisions of the Internal Revenue Code ("IRC"). Although the Plan has not obtained an individual determination letter and has been amended since receiving the Bluestar Retirement Services, Inc. opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
