INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Piedmont Advantage Credit Union 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Piedmont Advantage Credit Union 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements, referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Piedmont Advantage Credit Union 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Piedmont Advantage Credit Union 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Piedmont Advantage Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Piedmont Advantage Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Piedmont Advantage Credit Union 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Piedmont Advantage Credit Union (the "Credit Union"). Participants are eligible for the Plan on the first entry date provided the employee attains age 21 and has completed ninety days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pre-tax or post-tax annual compensation, up to the maximum percentage allowable not to exceed limits of the Internal Revenue Code ("IRC"), as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation. The Credit Union has elected a safe harbor plan and matches 100 percent of a participant's elective deferrals up to 4 percent of compensation. Additional profit sharing amounts may be contributed at the discretion of the Credit Union. There were no discretionary profit sharing contributions for the year ended December 31, 2025. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Credit Union's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Direction of Investments

The Plan permits every participant to direct the investment of that portion of his or her account balance which is held by the custodian. The custodian invests participant accounts in accordance with each participants' direction.

NOTE A: DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

The Plan allows the custodians the ability to make loans to participants and beneficiaries at their discretion and under certain rules and requirements as defined in the Plan agreement. Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum equal to $50,000 or 50% percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate of Prime plus one percent. Principal and interest are paid ratably through monthly payroll deductions.

Forfeitures

Forfeitures represent the nonvested portion of employer contributions allocated to participant accounts that are forfeited upon termination of employment or other events in accordance with the provisions of the Plan document. Forfeited nonvested accounts remain assets of the Plan and are used in accordance with the Plan document. The Plan's policy is to use forfeitures to reduce future Credit Union contributions or reduce plan administrative expenses.

Vesting

Participants are immediately vested in their contributions and Credit Union safe harbor contributions plus actual earnings thereon. Vesting in the Credit Union's discretionary contribution portion of their accounts is based on years of continuous service. All participants hired prior to October 1, 2020 who are participating in the plan will be 100 percent vested after two years of credited service on any profit sharing and/or matching contributions. Participants hired on or after October 1, 2020 will be 100 percent vested after 6 years of service.

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. Hardship distributions are permitted upon demonstration of a financial hardship. Terminated participants with balances less than $5,000 are required to take mandatory distributions. All fully vested balances are available for distribution after the participant reaches the age of 59 ½.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events

The Plan has evaluated its subsequent events (events occurring after December 31, 2025) through the date of this report, which represents the date the financial statements were available to be issued and determined that all significant events and disclosures are included in the financial statements.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded by the Plan at unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. During 2025, loans totaling $183,550 were made to participants. Principal and interest payments during 2025 totaled $101,862 and $11,001, respectively. Interest rates range from 7.75% - 9.5%. Terms range from one to fifteen years.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE C: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of the John Hancock Stable Value Fund is calculated as the number of units in the subaccount held on a particular date and multiplied by the unit value on that date, generally representing the value that would be paid out for participant-initiated or benefit withdrawals. This account, including fair value measurement, is more fully described in Note D.

The pooled separate accounts represent participation units in insurance company pooled separate accounts under the group annuity contract. Pooled separate accounts are valued using unit values reported by John Hancock as of the measurement date; fair value is determined by multiplying the Plan's units held by the reported unit value. The pooled separate accounts are presented as pooled separate accounts rather than registered investment companies because the Plan holds participation-unit interests in insurance company pooled separate accounts.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

		Fair Value Measurements at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
December 31, 2025				
Pooled separate accounts	$ 9,123,244	$ 9,123,244	$ -	$ -
Insurance company general account	309,686	309,686	-	-
Investments, at fair value	$ 9,432,930	$ 9,432,930	$ -	$ -

As of December 31, 2024, all investable funds were held in cash.

NOTE D: ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan holds certain investments under a group annuity contract issued by John Hancock Life Insurance Company (John Hancock) (the "Insurer"). The group annuity contract provides investment and recordkeeping arrangements for qualified retirement plans and includes investment options selected by participants or otherwise made available under the Plan.

Investments held under the group annuity contract include pooled separate accounts and the John Hancock Stable Value Guaranteed Income Fund. The pooled separate account investments are presented as group annuity contract investments — pooled separate accounts, rather than as mutual funds, because the Plan holds participation interests in insurance company pooled separate accounts. Investments measured at fair value are presented by general type of investment, including pooled separate accounts and registered investment companies as separate categories.

The Stable Value Guaranteed Income Fund is an investment option under the group annuity contract. Contributions allocated to the Stable Value Guaranteed Income Fund are held in the Insurer's general account. The crediting rate for the Stable Value Guaranteed Income Fund is established by the Insurer on January 1 and July 1 and generally remains in effect for six months; in extreme market conditions, the Insurer may reset the rate monthly. The credited interest rate is subject to a minimum annual rate of 1.0%. Inter-account transfers from the Stable Value Guaranteed Income Fund are not subject to a market value adjustment.

Management evaluated the group annuity contract and the related investment options to determine the appropriate financial statement presentation. Insurance contracts are presented in the same manner as specified in the Plan's annual report filed under ERISA, either at fair value or at amounts determined by the insurance entity, commonly referred to as contract value. John Hancock indicates that the overall group annuity contract is not fully benefit responsive for contract holders investing in guaranteed interest accounts. Based on management's evaluation of the contract terms and Plan provisions, the Plan presents the Stable Value Guaranteed Income Fund at fair value in the accompanying Statement of Net Assets Available for Benefits.

John Hancock indicates that fair value for the Stable Value Guaranteed Income Fund is determined by comparing rates in effect at the measurement date to rates used for actual interest determination and adjusting book value for differences in those rates.

The Plan's ability to realize amounts under the group annuity contract is dependent on the Insurer's ability to meet its contractual obligations. Amounts invested in the Stable Value Guaranteed Income Fund are held in the Insurer's general account and are subject to the claims-paying ability of the Insurer.

NOTE F: RISKS AND UNCERTAINTIES

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements and schedule.

NOTE G: TAX STATUS

The Plan adopted the CCH Incorporated DBA ftwilliam.com Non-Standardized Pre-Approved Profit Sharing Plan with CODA that received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the written form of the underlying pre-approved plan document is qualified under Section 401 of the Internal Revenue Code ("IRC"), and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is being operated and administered in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. It is the opinion of the Credit Union that the Plan has no uncertain tax positions that would be subject to change upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax filings are generally subject to examination for three years after they are filed.

NOTE H: PARTY-IN-INTEREST TRANSACTIONS

Plan investments were held in an insurance company general account and pooled separate accounts managed by John Hancock. John Hancock is the custodian as defined by the Plan, and therefore, any transactions between John Hancock and the Plan would qualify as exempt party-in-interest transactions. Fees paid by the Plan to John Hancock for investment management services amounted to $13,312 for the year ended December 31, 2025. Other fees paid by the Plan totaled $1,743 in 2025.

NOTE I: SUBSEQUENT EVENT — TERMINATION OF PLAN

Subsequent to year end, the Plan sponsor, Piedmont Advantage Credit Union (the "Sponsor"), approved a plan freeze and termination of the Plan on July 9, 2026, with an effective termination date of August 31, 2026. No further contributions will be made after the termination date. Participant accounts will become 100% vested as of the termination date, and benefits will be distributed to participants as soon as administratively feasible pursuant to the terms of the Plan. The Sponsor authorized certain employees to take the actions and file the reports and documents necessary to effect the Plan termination. It is the intent of the Sponsor to liquidate the Plan assets and distribute benefits to participants by December 31, 2026.
