To the Board of Directors of
401(k) Profit Sharing Plan for Employees of P.E.A.C.E., Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of 401(k) Profit Sharing Plan for Employees of P.E.A.C.E., Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the 401(k) Profit Sharing Plan for Employees of P.E.A.C.E., Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of People's Equal Action and Community Effort, Inc. (the Organization) who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Organization. Mutual of America Life Insurance Company (Mutual of America) was the custodian of the Plan's assets and record-keeper of the Plan information until March 6, 2025. Voya Retirement Insurance and Annuity Company (VOYA) serves as the custodian and record-keeper of the Plan's assets starting March 7, 2025. Economic Group Pension Services, Inc. (EGPS) serves as the third-party administrator of the Plan. Effective January 1, 2025 the Plan was restated to incorporate changes to certain Plan provisions.

Eligibility

Employees are eligible to begin salary deferrals after the attainment of age 18 and completion of one month of service. Eligible employees are automatically enrolled in the Plan with a default deferred rate set at 1% of eligible compensation with a choice to opt out. Automatically enrolled employee's deferrals escalate annually up to a maximum of 3%. Eligibility for the employer's match begins after attainment of age 18 and completion of 6 months of service. In addition to the above requirement, the discretionary feature of the Plan requires employees to be employed with the Organization as of the last day of the Plan year.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Organization matched each participant's elective deferrals by contributing 100% of the first 3% of compensation deferred in 2025 and 2024.

Discretionary contributions may be made at the option of the Organization's Board of Directors. These contributions are allocated based on each participant's compensation. Contributions are subject to certain limitations. There were no discretionary contributions in 2025 or 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the Organization's contributions and Plan earnings/losses and expenses. Allocations are based on participant earnings/losses or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant may invest their contributions employer contributions in one or more of the investment choices made available through the Plan. Each participant may change investment allocations at any time.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately vested in their contributions plus actual earnings/losses thereon. Vesting in the Organization's matching and discretionary contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants are 20% vested in the Organization's contributions after completion of one year of service, then an additional 20% vested each subsequent year until fully vested after five years of credited service. The vesting requirements also include an early retirement age at which an active participant will become 100% vested in all contributions, plus actual earnings/losses thereon, upon attainment of 59 ½.

Payment of Benefits
On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or in the form of an annuity. Participants who have reached age 59½ may take in-service distributions.

Hardship Withdrawals
Participants may request hardship withdrawals from the Plan under certain circumstances, as defined by the Plan document.

Forfeited Accounts
Forfeitures of non-vested account balances will be used for either payment of Plan administrative expenses or as a reduction of employer matching contribution. The Plan had unused forfeitures of $68,434 and $11,799 during 2025 and 2024, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments
Investments, except for fully benefit-responsive investment contracts, are reported at fair value. The Plan's investments in pooled separate accounts are valued at fair value using the net asset value (NAV) per share practical expedient based on the value of underlying investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

Fully Benefit-Responsive Fixed Annuity Contracts
In 2025, the Plan has a stable value investment contract through VOYA which is a fully-benefit responsive fixed annuity contract. Contract value is the relevant measure for the portion of net assets attributable to fully benefit-responsive contracts. The contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses. VOYA

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fully Benefit-Responsive Fixed Annuity Contracts (Continued)
deposits participating plan contributions in VOYA annuity contracts guarantees the contract values, which represent contributions, plus interest, less participant-initiated withdrawals or transfers. This is the contracts' guaranteed value. The contracts' fair value equals the contracts' proportionate share of the fair value of the separate accounts. There are no reserves against contract value for credit risk of the annuity contract. The contract value of the investment contract at December 31, 2025 was $33,509.

In 2024, all amounts allocated to the Interest Accumulation Account become part of Mutual of America's general account. The amount in the Interest Accumulation Account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. Mutual of America assumes the investment risk of the underlying investments of the Interest Accumulation Account. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. Mutual of America's general account investment strategy is to maintain high-quality assets with excellent liquidity, strong capital adequacy and a proper matching of assets and liabilities.

The general account is credited with interest at a rate determined by Mutual of America from time to time, and Mutual of America reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate (3.0% for 2024).

The interest rate credited to amounts in the general account is a current rate and is not dependent upon the length of time the assets are invested with Mutual of America. Further, requests for withdrawal (subject to Plan provisions) can be made at any time and are processed on the day that they are received; they are not dependent on Mutual of America having to liquidate securities in order to generate a payment. The contract value is the redeemable value of the fund; there are no deferred sales charges, load assessments, interest rate adjustments, or surrender charges that would affect the value as a result of a withdrawal request. Therefore, the amounts held in the general account is considered fully benefit-responsive.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan, or (2) bankruptcy of the Plan Sponsor. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The contract value of the investment contract at December 31, 2025 was $284,140.

Allowance for Credit Losses
The Plan records receivables for employee and employer contributions that are remitted to the Plan subsequent to the Plan's year end. The Plan recognizes an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. No significant deteriorations are expected in the future economic conditions; therefore management has determined that no allowance for credit losses is necessary for the years ended December 31, 2025 and 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Expenses incurred in connection with the purchase or sale of securities are charged against the investment funds whose assets are involved in such transactions. Certain administrative expenses of the Plan are paid by the Organization. All other expenses relating to participant transactions are deducted from those participant accounts as transactions occur.

Risk and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, currency, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the accompanying financial statements.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

3. CERTIFIED INVESTMENT SECTION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians have certified that the following data included in the financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31, 2025 and 2024. The following custodians have certified the financial information for the periods referenced: Mutual of America for the period January 1, 2024 through March 6, 2025, and VOYA from March 7, 2025 through December 31, 2025. The certified investment information is included in the accompanying financial statements and supplemental schedule at December 31:

	2025	2024
Investments	$ 10,535,287	$ 10,294,149
Interest and dividend income	$ 27,901	$ 7,927
Net appreciation in fair value of investments	$ 1,363,043	$ 1,163,949

4. POOLED SEPARATE ACCOUNTS

The pooled separate accounts assets are invested in domestic stocks, international stocks, and fixed securities, such as asset or mortgage-backed securities and corporate bonds, and in mutual funds that hold such investments. The net asset value of the pooled separate accounts are not publicly quoted. The values of the underlying investments are used in determining the net asset value of the pooled separate accounts. Underlying equity securities have observable quoted pricing inputs. Underlying fixed securities have observable pricing inputs, quoted prices

for similar assets in the active or non-active markets. Underlying mutual funds are valued at publicly quoted pricing inputs.

There are no restrictions in connection with the transfer among or withdrawal from any of the investment alternatives in the pooled separate accounts, other than that excessively frequent transfers or redemptions might be rejected. Each underlying fund has reserved the right to reject any aggregate purchase of fund shares that it determines to be inconsistent with their fund's policies and procedures relating to market timing.

The pooled separate accounts invest in underlying funds, which have different investment objectives, investments policies, and risks. The investment strategies of these funds will vary based on the participant's chosen risk preferences. The pooled separate accounts do not have any unfunded commitments.

5. PARTY-IN-INTEREST TRANSACTIONS

Transactions with Mutual of America, VOYA, EGPS, the Organization, and the Plan are party-in-interest transactions.

6. INCOME TAX STATUS

Effective January 1, 2025, the Plan is operating under the non-standardized pre-approved profit sharing/money purchase/cash or deferred arrangement (CODA). The non-standardized plan from EGPS obtained its latest determination letter on October 30, 2020, which the Internal Revenue Service stated that the non-standardized plan as then designated, was in compliance with the applicable requirements of the Internal Revenue Code. Prior to January 1, 2025, the Plan operated under the Mutual of America Financial Group Defined Contribution Pre-Approved Plan for which the IRS issued an opinion letter dated June 30, 2020. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. RECONCILIATION TO FORM 5500

The classification of changes in net assets available for benefits for the periods ended December 31, 2025 and 2024 differs between these financial statements and Form 5500. However, the total change in net assets available for benefits for the periods then ended agrees between these financial statements and Form 5500.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 5, 2026, the date the financial statements were available to be issued.
