Independent Auditors' Report

To the Plan Administrator of the
CIL, Inc. 401(K) Profit Sharing Plan and Trust
Lawrence, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the accompanying financial statements of CIL, Inc. 401(K) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CIL, Inc. 401(K) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of the year ended December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CIL, Inc. 401(K) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statement
The financial statements of CIL, Inc. 401(K) Profit Sharing Plan & Trust as of December 31, 2024 were audited by Anstiss & Co., P.C., who merged with Grassi & Co., CPAs, P.C. as of January 1, 2025, and whose report dated July 8, 2025, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CIL, Inc. 401(K) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CIL, Inc. 401(K) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CIL, Inc. 401(K) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

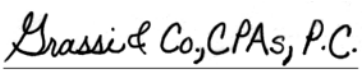

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4(i)- schedule of assets (held at end of year) and Schedule H, line 4(a)- Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agree to or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of the Plan

The following description of CIL, Inc. 401(K) Profit Sharing Plan and Trust (“the Plan” or “CIL”) provides only general information. Participants should refer to the “Summary Plan Description” and the Plan document for a more complete description of the Plan’s provisions. Copies are available from the Plan Administrator.

General

The Plan is a defined contribution Safe Harbor plan established by CIL, Inc. for the benefit of the eligible employees of CIL, Inc., and CIL Electroplating, Inc., (collectively, the "Company"). On January 1, 2019, the Plan adopted a prototype standardized 401(k) Profit Sharing Plan and Trust which was subsequently restated, effective July 1, 2022. Under the current Plan agreement, the definition of compensation is adjusted Section 415 Compensation. New employees stemming from stock acquisition or merger transactions are not considered excluded employees and are able to participate in the Plan if certain requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was amended on December 18, 2025 for minor changes that will be effective January 1, 2026.

Eligibility

Employees are eligible to participate in employee elective and employer matching contributions immediately upon following the completion of one year of service with a minimum of 1,000 hours and reaching the age of twenty-one.

Employees become participants in the Company’s non-elective profit sharing contributions immediately following the completion of one year of service, 1,000 hours and reaching the age of twenty-one. To participate in the employer non-elective profit sharing contribution, the participant has to complete at least 500 hours of service and be employed on the last day of the Plan year.

Contributions

Contributions to the Plan are made by both participating employees and the Company. Each year, participants may elect to contribute an amount up to the maximum amount allowable, or 100% of the participants’ pre-tax compensation, but not to exceed the limits prescribed by the Internal Revenue Code (“IRC’’), or $23,500.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to $7,500. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

In 2025, an election was made under the Secure Act where participants who are between ages 60 through 63 can make additional “super catch-up” contributions of $11,250.

The employer matching contributions, that qualify under IRS safe harbor provisions and allow the Plan to be considered non-discriminatory, are equal to 100% of base compensation that a participant contributes to the Plan, with a maximum match of 4% of a participant's base compensation.

Non-elective profit sharing amounts are determined by the Company’s management and are totally discretionary for any allocation period. There were no such contributions to the Plan years ended December 31, 2025 and 2024.

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and in the Safe Harbor matching contributions. A participant is vested in the Company's discretionary matching and profit sharing contribution over a two to six year graded period.

Note 1 – Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made or 50% of their account balance. Generally, the term of a loan may not exceed five years from the date of the loan, unless such loan is used to acquire a principal residence. Each loan is secured by the balance in the participant's account and interest rates at Prime plus 2% for the year ended December 31, 2025. Principal and interest are paid ratably through weekly payroll deductions. If a loan is in default, the participant's account balance is reduced and the outstanding loan balance is treated as a taxable distribution. There were $2,396 and $2,840 in loan defaults for the years ended December 31, 2025 and 2024, respectively.

Plan Investments

Upon enrollment in the Plan, the participants direct the investment of their contributions into various mutual fund investment options offered by the Plan. Participants may direct their contributions into one or more of these investment funds.

Benefits and Withdrawals

Vested benefits are paid to participants or their beneficiaries upon retirement, death, disability, or termination of employment with the Plan Sponsor. Participants are also entitled to receive in-service distributions upon attaining age 59½. In addition, participants may withdraw funds upon certain hardship situations defined by the Plan.

Forfeitures

If a participant terminates employment with the Company at a time when the participant does not have a fully vested interest, the nonvested employer contribution and actual earnings thereon are forfeited. As of the years ended December 31, 2025 and 2024, forfeiture amounts available were $561 and $97, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Note 2 – Summary of Significant Accounting Policies (continued)

Fair Value

FASB ASC 820-10, "*Fair Value Measurements,"* applies to reported balances that are required or permitted to be measured at fair value under an existing accounting pronouncement. ASC 820-10 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled Separate Accounts: Valued at NAV of units, as provided by the trustee and used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The portfolio attempts to obtain prices from one or more third party pricing vendors or brokers to value its investments and when current market prices or quotations are not readily available or reliable, securities will be valued in good faith. Factors used in determining value vary by security type and may include market or security specific events, changes in interest rates and credit quality.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted redemption values on the last day of the Plan year. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Fair Value policy above for discussion on fair value measurements.

Note 2 - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. Participant loans are valued at cost, which approximates fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions

Contributions from the Plan Sponsor accrued, if applicable, is based upon the contribution formula. Participants' contributions are recorded in the period in which their payroll deductions are withheld.

Benefits Paid Directly to Participants

Benefits payments are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan are paid by both the Plan and the Company. For the years ended December 31, 2025 and 2024, $1,385 and $1,200 of profit-sharing revenue were used to offset administrative expenses, respectively.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Adoption of Recent Accounting Pronouncement

On January 1, 2025, the Plan adopted FASB ASU No. 2025-12, Codification Improvements, which amends various topics within the FASB Accounting Standards Codification to correct, clarify, and make other incremental improvements to U.S. GAAP. ASU No. 2025-12 includes amendments intended to improve the consistency and operability of existing guidance across a broad range of accounting topics and generally is not expected to significantly change current accounting practice for most entities. The adoption of ASU No. 2025-12 did not have a material impact on the Plan's financial statements.

Note 3 - Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, in addition to the information contained in Note 4 – Fair Value of Investments and in the Supplemental Schedule – Schedule of Assets Held at End of Year, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2025 and 2024 is complete and accurate to the best of their knowledge.

	2025	2024
Investments at fair value	$ 4,829,815	$ 4,679,752
Notes receivable from participants	217,247	168,117
Investment net appreciation	568,731	
Interest and dividends	77,886	
Interest income on notes receivable	16,236	
Administrative expenses	35,717	

The Plan's independent auditors did not perform auditing procedures with respect to this information other than comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value of Investments

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2025 and 2024.

December 31, 2025	Total	Quoted Prices in Active Markets for dentical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3
Pooled Separate Accounts *	$4,829,815	$ -	$ -	$ -
Total	$4,829,815	$ -	$ -	$ -

December 31, 2024	Total	Quoted Prices in Active Markets for dentical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3
Pooled Separate Accounts *	$4,679,752	$ -	$ -	$ -
Total	$4,679,752	$ -	$ -	$ -

*In accordance with Subtopic 820-10 (see Note 2), certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

For the year ended December 31, 2025, the Plan's investments (including gains and losses on investments bought and sold during the year) appreciated in value by $568,731.

Note 5 – Exempt Party-in-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, the following transactions are considered party-in-interest transactions.

Certain Plan investments are managed by Empower Annuity Insurance Company of America, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments.

The Company pays certain administrative and recordkeeping fees of the Plan. Fees paid on behalf of the Plan amounted to $35,489 and $20,523 for the years ended December 31, 2025 and 2024, respectively. Furthermore, personnel and facilities of the Company have been used to perform administrative functions of the Plan at no charge to the Plan.

At December 31, 2025 and 2024, the Plan had loans to participants in the amount of $217,247 and $168,117, respectively. These amounts are disclosed in the statements of net assets available for benefits as notes receivable from participants.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 – Risks and Uncertainties

The Plan provides for various investment options in a number of investment securities. Such investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in the values of the Plan's investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan Sponsor is monitoring investment market conditions and the impact on the Plan’s investment portfolio. There is significant uncertainty regarding the impact that the current volatility will have on the future value of the Plan’s investment portfolio.

Note 7 – Tax Status

The Plan Sponsor has adopted the CCH Incorporated Prototype Profit Sharing 401(k) Plan which has received an Internal Revenue Service (IRS) opinion letter, dated June 30, 2020, that the prototype plan satisfies the applicable sections of the Internal Revenue Code (“IRC”). The Plan itself has not received an IRS opinion. However, the Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan’s qualified status. Therefore, no provision for income taxes has been included in the Plan’s financial statements. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2023.

Note 7 – Tax Status (continued)
On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 through 2025. An election was made in 2025 where participants who are between ages 60 through 63 can make additional "super catch-up" contributions.

Note 8 – Plan Termination
Although it has not expressed any intent to do so, the Plan Sponsor reserves the right to discontinue its contributions at any time and to amend or terminate the Plan, subject to the provisions of ERISA. During 2025, the Plan Sponsor was acquired by another company. As part of the integration process, management intends to merge the Plan into the acquiring company's qualified defined contribution plan during 2026. Upon completion of the merger, all participant account balances and related Plan assets will be transferred to the successor plan, and participants will continue to be entitled to their vested account balances under the terms of the successor plan. In the event of a Plan termination, participants would become fully vested in their employer contribution accounts to the extent required by the Plan document and applicable ERISA provisions.

Note 9 – Prohibited Transaction for 2025
Certain employee elective deferrals and related employer contributions were not calculated and remitted on bonus compensation paid out in 2025, and the Plan document defines such compensation as eligible compensation for contribution purposes. Amounts determined to be due back to the Plan were calculated using the Department of Labor's Voluntary Fiduciary Correction Program (VFCP) Online Calculator. Amounts due of $27,898 are reflected as receivables in these financial statements.

Note 10 – Subsequent Events
FASB ASC 855-10, *"Subsequent Events,"* defines further disclosure requirements for events that occur after the balance sheet date but before financial statements are issued. In accordance with ASC 855-10, the Plan's Sponsor has evaluated events subsequent to December 31, 2025 through October 7, 2026, which is the issuance date of this report. There have been no material events noted during this period that would either impact the results reflected in this report or the Plan's results going forward.
