To the Plan Administrator
Cee Kay Supply, Inc. Profit Sharing Plan

We have audited the financial statements of Cee Kay Supply, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025 and we have issued our report thereon dated October 7, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 4, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

Delinquent Contributions

During the 2025 plan year, participant deferrals for one payroll period were not deposited timely. Department of Labor (DOL) regulations require participant deferrals to be remitted as soon as they can be segregated from the employer's general assets. Delayed deposits may result in lost earnings to participant accounts. The delinquent contributions were communicated to management and reported in the financial statements' schedule of delinquent contributions.

We recommend that the Plan sponsor remit participant contributions as soon as administratively feasible and establish backup employees in the event that personnel charged with remitting the contributions are unavailable to fulfil their responsibilities.

Improper Exclusion of Eligible Compensation

The plan document's definition of compensation includes parental and paid sick leave. During our audit, we noted that these pay codes were excluded from contribution calculations for five participants. It is our understanding that the Plan Administrator corrected the error and will monitor compliance with the plan document going forward.

We recommend that management implement procedures to ensure all forms of compensation included under the plan document are properly identified and included in participant contribution calculations. Management should periodically review payroll codes and contribution calculations to confirm continued compliance with the plan document.

Participant Deferral Election Changes

During our testing, we identified one participant deferral election change made through Empower that was not timely updated in the payroll system, resulting in deferrals being withheld at an incorrect percentage for a period of time.

We recommend that management implement procedures to ensure participant deferral election changes are timely and accurately reflected in payroll. Management should also run payroll change reports routinely to confirm that changes effective on all dates within each review period were processed.

Improper Exclusion from the Plan

During our review of newly eligible noncontributors, we identified one employee who was eligible to enter the Plan on during the year but was not automatically enrolled and did not opt out or contribute through T. Rowe Price. Management erroneously changed the employee's T. Rowe Price status from "Not Eligible" to "Active" on February 20, 2025, disrupting the eligibility-tracking sequence and preventing the employee's transition to "Eligible" status and automatic enrollment.

We recommend that management review participant status changes in T. Rowe Price to ensure they do not disrupt eligibility tracking or automatic enrollment and monitor newly eligible participants to confirm they are timely enrolled or have affirmatively opted out of the Plan.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 7, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of Plan Administrator of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
