INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Federal Management Systems, Inc. 401(k) Plan
Washington, DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Federal Management Systems, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Federal Management Systems, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Federal Management Systems, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Federal Management Systems, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Federal Management Systems, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Federal Management Systems, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Federal Management Systems, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 1998, and was restated on September 8, 2016, and again on May 19, 2021. The Plan covers all employees of Federal Management Systems, Inc. (Company) with no service or age requirements. The entry dates for the Plan are on the first day of the quarter following employment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are held and managed by Empower Trust Company, LLC, and Empower Retirement, LLC provides recordkeeping services to the Plan (collectively referred to as Empower, the plan custodian).

The *Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022* (SECURE Act 2.0), signed into law December 29, 2022, among other things, includes several required and optional provisions that will impact employee benefit plans and go into effect at various times through 2027. The provision that was required to be implemented during the year ended December 31, 2025 was that long-term part-time employees with 2-consecutive 12-month periods of at least 500 hours of service must be eligible to participate in the Plan. The optional provisions that could be implemented during the year ended December 31, 2025, are: 1) an increase of catch-up contributions ("super catch-up" provision), which allows Plan participants aged 60 to 63 to make larger catch-up contributions to the Plan equal to the greater of $10,000 or 150% of the standard catch-up limit ($11,250 for 2025) and 2) allow employers to treat student loan payments as elective deferrals for purpose of receiving matching contributions. The Plan has elected to adopt the "super catch-up" provision of the SECURE Act 2.0 during the 2025 plan year. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance.

Contributions

Participants may contribute on a pre-tax or after-tax basis up to 100% of their annual eligible compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The after-tax "Roth" contributions are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans referred to as rollover contributions.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

The Plan includes an auto-enrollment provision whereby all eligible employees are auto-enrolled in the Plan, with a default pre-tax deferral rate set at 6% of eligible compensation, unless they affirmatively elect not to participate in the plan. Unless otherwise directed by the employees, contributions are automatically invested in the target date fund based on the participants' expected retirement age.

The Company may make an annual discretionary matching contribution and a discretionary profit-sharing contribution subject to the approval of the Company's Board of Directors. For the years ended December 31, 2025 and 2024, the Company matched 1% of the first 25% of eligible compensation. The Company's contributions, net of forfeitures, amounted to $5,300 and $10,790 for the years ended December 31, 2025 and 2024, respectively. The Company made no employer profit-sharing contributions in 2025 or 2024.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and allocations of the Company's contributions, investment earnings and losses and any administrative expenses paid by the Plan. Allocations are based on participant investments held, account balances, or specific participant transactions, as defined. Plan participants have daily access to their account via phone or internet and may change the allocation of their investments to any of the investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers and all earnings thereon. Vesting in the Company's matching contributions and discretionary profit-sharing contributions are based on years of continuous service. After two years of service, a participant becomes 33% vested in the Company's contributions to the Plan; the vesting percentage increases by 33% each year until the participant becomes fully vested in his or her account after four years of service.

Notes Receivable from Participants

Participants in the Plan may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their eligible account balance, reduced by any outstanding note balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Participants are permitted to have only one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding loans ranged from 4.25% to 9.50% as of December 31, 2025 and 2024.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Upon termination of service due to retirement, death, full and permanent disability or attaining age 65, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of the two. For termination of service due to other reasons, participants may receive their benefits in the form of a distribution equal to the value of the vested interest in their account. The Plan allows in-service withdrawals at age 59½ and hardship withdrawals under certain circumstances, as defined in the Plan document. Withdrawals from rollover contributions are permitted at any time.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $2,006 and $2,357, respectively. Forfeitures may be used to reduce employer contributions or pay plan expenses at the discretion of the Company. During 2025 and 2024, the Plan used $3,136 and $2,188, respectively, to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Contributions from Plan participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid either by the Plan or directly by the Company. The Plan is not required to reimburse the Company for expenses paid on behalf of the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant’s account and are included in administrative expenses.

The Plan has a revenue sharing agreement with the plan custodian. If the custodian receives fund compensation above a certain amount, this excess compensation is made available to the Plan to offset expenses. As of December 31, 2025 and 2024, the balance available to offset future expenses totaled $1,624 and $4,667, respectively. During the years ended December 31, 2025 and 2024, the Plan received revenue sharing funds totaling $15,234 and $14,408, respectively, and paid Plan expenses totaling $18,700 and $25,600, respectively, from the available revenue sharing funds.

NOTE 3 - CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the years then ended, disclosed in the accompanying financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified by Empower Trust Company, LLC, the custodian of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds
Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust (CCT)

The Putnam stable value fund is a collective trust managed and distributed by Putnam Fiduciary Trust Company, LLC. The CCT fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions, including fully benefit-responsive investment contracts at contract value. The fund also invests up to 75% of its assets in security-backed investment contracts, including separate account products of insurance companies. The fund is valued at NAV, the practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Mutual funds	$ 6,044,370	$ -	$ -	$ 6,044,370
Common collective trust measured at net asset value [(a)]				5,514
Total investments at fair value				$ 6,049,884

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

	Level 1	Level 2	Level 3	Total
December 31, 2024				
Mutual funds	$ 5,989,085	$ -	$ -	$ 5,989,085
Common collective trust measured at net asset value [(a)]				44,926
Total investments at fair value				$ 6,034,011

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset per share practical expedient as of December 31, 2025 and 2024. Withdrawals needed for benefit payments and honoring participant-directed transfers are permitted daily. Withdrawals for other purposes generally require 12 months' advance written notice to the fund.

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2025				
Common collective trust	$ 5,514	N/A	Daily	1 day
December 31, 2024				
Common collective trust	$ 44,926	N/A	Daily	1 day

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by Empower. Empower refers to products and services offered in the retirement markets by Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC (ETC) and their subsidiaries, including Empower Advisory Group, LLC, Empower Financial Services, Inc., Empower Retirement, LLC, Empower Capital Management, LLC, Empower Funds, Inc., Empower Annuity Insurance Company, Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York. Transactions in these funds qualify as party-in-interest transactions.

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - TAX STATUS

The Plan has adopted a prototype standardized profit-sharing plan sponsored by Empower Retirement, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Due to a large number of terminations occurring in the months of March and November 2025, the Company has determined that a partial termination of the Plan occurred during the year. As a result, all affected participants became fully vested in their accounts during 2025.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - LATE REMITTANCE

During the year ended December 31, 2024, the Company failed to remit to the Plan contributions for one participant totaling $1,545 within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. The plan sponsor remitted the participant contributions to the Plan in August 2025 and calculated and remitted the associated lost earnings on September 5, 2025, at which time the amount was deposited in the affected participant's account.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 6,151,448	$ 6,118,073
Less: Employer contributions receivable	(4,416)	(10,764)
Net assets available for benefits per Schedule H of Form 5500	$ 6,147,032	$ 6,107,309

The following is a reconciliation of contributions to the plan for the year ended December 31, 2025 per the financial statements to Schedule H of Form 5500:

Contributions reflected in the financial statements	$ 280,623
Add: Change in employer contributions receivable	6,348
Contributions per Schedule H of Form 5500	$ 286,971

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 1, 2026, which is the date the financial statements are available to be issued.
