INDEPENDENT AUDITORS' REPORT

Board of Trustees
U.A. Locals No. 375 and 367 Supplemental Pension Trust
Anchorage, Alaska

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of U.A. Locals No. 375 and 367 Supplemental Pension Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of U.A. Locals No. 375 and 367 Supplemental Pension Trust as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of U.A. Locals No. 375 and 367 Supplemental Pension Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about U.A. Locals No. 375 and 367 Supplemental Pension Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of U.A. Locals No. 375 and 367 Supplemental Pension Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about U.A. Locals No. 375 and 367 Supplemental Pension Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of the U.A. Locals No. 375 and 367 Supplemental Pension Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was restated January 1, 2023, and most recently amended on February 16, 2024, is a defined contribution multiemployer plan covering all employees of employers under the collective bargaining agreements. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan, determines appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility

Employees who are employed under a collective bargaining agreement between their employer and U.A. Locals No. 375 and 367 are eligible to participate in the Plan.

Contributions

Employer contributions are made to the Plan at the rates set forth in the collective bargaining agreements between employers and U.A. Locals No. 375 and 367.

Participating employees may elect to contribute a portion of their wages to the Plan at any whole dollar amount per hour up to the limits stated in the Code Section 402(g)(1)(B). Each participating employee may designate the percentage, in 10% increments of his or her total contribution, to be invested in any of the available investment options offered by the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer contribution based on hours worked, and an allocation of Plan earnings (or losses) and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

A participant's right, title, and interest in his or her individual account is 100%.

Benefit Payments

Upon termination of service due to death, disability, or retirement, the participant may elect to receive an amount equal to the value of the participant's account in the form of a lump-sum amount, joint and survivor annuity, life annuity, or periodic payments. The Plan allows for hardship distributions subject to Plan provisions. For termination from service in the pipe trades industry for the prior 12 months, a participant may receive the value of his or her account in a lump-sum distribution.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions Receivable

Contributions due but not paid prior to year-end are recorded as contributions receivable. Contributions are due from employers as specified in the collective bargaining or participation agreement. In general, contributions are due on the 15th day of each month following the work month. Delinquent contributions and payroll audit findings are individually analyzed for collectability. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2025 and 2024, the allowance for credit losses was insignificant.

Benefit Payments

Benefits are recorded when paid.

Reciprocal Contributions

Effective June 1, 2025, the Plan has entered into various reciprocal agreements with other union pension plans. In accordance with these agreements, the Plan is required to remit funds received, and is entitled to receive funds, from participating employers on behalf of temporary employees to and from the employees' participating local union(s).

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2026, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

Money Market Fund and Mutual Funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective Trust – v*alued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Money Market Fund	$ 4,074	$ -	$ -	$ 4,074
Mutual Funds	105,930,922	-	-	105,930,922
Collective Trust	-	10,022,745	-	10,022,745
Total Investments at Fair Value	$ 105,934,996	$ 10,022,745	$ -	$ 115,957,741

	2024			
	Level 1	Level 2	Level 3	Total
Money Market Fund	$ 3,909	$ -	$ -	$ 3,909
Mutual Funds	90,370,404	-	-	90,370,404
Collective Trust	-	10,749,575	-	10,749,575
Total Investments at Fair Value	$ 90,374,313	$ 10,749,575	$ -	$ 101,123,888

NOTE 4 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 PARTY-IN-INTEREST

The Plan's investments are held by Broadridge Matrix Trust Company and U.S. Bank, N.A. Broadridge Matrix Trust Company and U.S. Bank, N.A. are the custodians as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions.

NOTE 7 PLAN TAX STATUS

The Plan received a favorable Tax Determination Letter dated March 27, 2015, from the Internal Revenue Service (IRS) indicating that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under current income tax law. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTICIPANT CONTRIBUTION REMITTANCES

During 2025 and 2024, certain participating employers were late in remitting participant contributions to the Plan. According to Prohibited Transaction Exemption (PTE) 76-1, the failure of a participating employer to make a contribution to the Plan when the contribution is due nor the failure of the Plan to collect such a delinquent contribution does not constitute a prohibited transaction under Code Section 4975 if the Plan is making a systematic, reasonable, and diligent effort to collect delinquent contributions. The Plan has written procedures for the collection of delinquent contributions and assesses liquidating damages and interest in accordance with PTE 76-1. As such, the late participant contributions are not reported as a prohibited transaction. The total amount of known late participant contributions was $253,998 and $94,923 for the years ended December 31, 2025 and 2024, respectively.

NOTE 9 CONCENTRATION OF RISK

The Plan’s assets consist primarily of financial instruments including cash equivalents. The financial instruments may subject the Plan to concentrations of risk as, from time to time, cash balances exceed amounts insured by the Federal Deposit Insurance Corporation, market value of securities are dependent on the ability of the issuer to honor its contractual commitments, and the investments are subject to changes in market values.
