INDEPENDENT AUDITOR'S REPORT

Plan Administrators and Participants
Essential Utilities, Inc. Retiree Health and Welfare Plan
Bryn Mawr, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Essential Utilities, Inc. Retiree Health and Welfare Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and schedule of reportable transactions for the year ended December 31, 2025 are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ESSENTIAL UTILITIES, INC.
RETIREE HEALTH AND WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Essential Utilities, Inc. Retiree Health and Welfare Plan (formerly known as the Retiree Medical and Life Insurance Plan for Former Consumers and American Water Employees of Aqua America, Inc. (CWC Plan)) (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan, sponsored by Essential Utilities, Inc. (Company), provides medical, prescription, vision, dental, life and death benefits, as applicable, to eligible participants as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and regulations of the Internal Revenue Code (IRC), as amended.

Prior to January 1, 2022, the Company and entities in the Company's controlled group sponsored the following plans: the Retiree and Surviving Dependent Medical and Life Insurance Plan for Represented Employees of the Philadelphia Suburban Division of Aqua Pennsylvania, Inc. (Represented Plan); the Retiree Medical Plan for Non-Represented Employees of the Philadelphia Suburban Division of Aqua Pennsylvania, Inc. (Non-Represented Plan); the PNG Companies LLC Retiree Health and Welfare Plan for Existing and Future Peoples Natural Gas Company and Peoples TWP Retirees and Future Equitable Gas Company Retirees (PNG Plan); and the Peoples Natural Gas Companies LLC Health and Welfare Plan for Former Employees of Equitable Gas Company Retired as of December 17, 2013 (EGC Plan) (collectively, the Predecessor Plans).

Effective January 1, 2022, the Predecessor Plans were merged into the Plan. Following the merger, the Plan comprises Parts A, B, C, D and E (each a "Part") with Part A covering employees previously covered by the CWC Plan, the surviving plan, Part B covering employees previously covered by the Non-Represented Plan, Part C covering employees previously covered by the Represented Plan, Part D covering employees previously covered by the PNG Plan, and Part E covering employees previously covered by the EGC Plan.

On December 16, 2024, the Plan purchased a group insurance contract from The Prudential Insurance Company of America (Prudential) to irrevocably transfer to Prudential life insurance benefits for approximately 670 of the Plan's participants. In consideration for the obligation transfer, the Plan transferred assets to Prudential of approximately $6,600,000, during the year ended December 31, 2024. In the current year the Plan received refunds of approximately $258,000, which is included in premiums paid on the statement of changes in net assets and benefits paid on the statement of changes in benefit obligations for the year ended December 31, 2025.

On October 26, 2025, the Plan Sponsor entered into an Agreement and Plan of Merger with American Water Works Company, Inc. ("American Water") to combine the two companies in a stock-for stock transaction, with the Plan Sponsor surviving the merger as a wholly owned subsidiary of American Water. The Company currently estimates that the closing of the proposed merger will occur by the end of the first quarter of 2027.

Plan Administration - The Plan is administered by the Retirement and Employee Benefits Committee (Committee), which has overall responsibility for the operation and administration of the Plan. The Committee reserves the right at any time to modify, amend or terminate the Plan. Third-party administrative services are performed by Willis Towers Watson. The management of the Plan's investments is performed through Willis Towers Watson through a subsidiary entity, Towers Watson Investment Services, Inc.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Eligibility - The Company determines eligibility requirements. Eligible participants are certain retirees as defined in the Plan document. Dependents of a participant may receive benefits under the Plan as defined in the Plan document. The coverage of a dependent may cease if they no longer meet the definition of a dependent as defined in the Plan document.

Insured Benefits - The Plan fully insures certain health and prescription benefits. Premiums for health and prescription benefits are paid to the insurance company from either the general assets of the Company or the voluntary employee beneficiary association (VEBA) trusts. The Medicare Prescription Drug, Improvement and Modernization Act of 2003 (Act) applies to employers sponsoring post-retirement healthcare plans that provide prescription drug benefits. The Act provides a prescription drug benefit under Medicare as well as a federal subsidy to sponsors of retiree healthcare benefit plans providing a benefit that is at least actuarially equivalent to Medicare Part D.1. Since the Plan does not provide a benefit that is the equivalent to Medicare Part D.1., the Company is not eligible to receive a federal subsidy. As a result of the Act, the Company has amended its post-65 coverage for certain retirees. In place of the prior coverage, a partial subsidy to post-65 retirees is provided in the form of a contribution to a premium reimbursement account to assist in paying medical and drug premiums. These premiums are paid from assets of the VEBA trusts.

Dental benefits for participants covered under Part A are also provided. The Company purchases annual insurance contracts for these insured benefits. These premiums are paid from either the general assets of the Company or from assets of the VEBA trusts.

A vision benefit is provided to pre-65 retirees covered under Parts A, B and C. Annually, the Company purchases an insurance contract for this benefit, for which the premiums are paid from either the general assets of the Company or from assets of the VEBA trusts.

Self-Insured Benefits - Under Parts A, B, C, D and E, the Company has a self-funded arrangement to provide medical and prescription benefits for certain participants, beneficiaries and dependents of these participants not eligible for Medicare. For certain members who are Medicare-eligible, the Plan will continue to provide a partial subsidy in the form of a contribution to a premium reimbursement account, which can be used to offset the cost for the participant.

With respect to indemnity coverage and for certain participants covered under Parts A, B, C, D and E who are not Medicare-eligible, medical expenses are subject to deductibles, copayments, percentage limits on amounts that will be reimbursed, restrictions on the number of visits to the physician for certain types of medical expenses, annual dollar limits on certain expenses, lifetime caps and other restrictions as defined in the Plan document.

Self-insured benefits are processed by the Plan's third-party claims processors under administrative services arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Company. The VEBA trusts then reimburse the Company for claims paid through its general assets. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

The Plan has a health reimbursement arrangement (HRA) for certain eligible participants in Parts D and E that is funded solely through Company contributions. The HRA allows eligible participants to be reimbursed tax-free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination of benefits.

Contributions - The Company makes contributions to the Plan in such amounts and at such times as may be required in accordance with actuarial principles and requirements of laws governing the funding of benefits under a VEBA. Certain participants may be required to contribute specified amounts, determined periodically by the Company or as defined in the collective bargaining agreements, if applicable, to cover a portion of the retiree's benefit costs and to extend coverage to eligible dependents as defined in the Plan document.

Stop-Loss Coverage - The Plan has an annual catastrophic limit for self-insured medical expenses that caps the out-of-pocket expenses of certain participants covered under Parts A, B, C, D and E, and their enrolled dependents, for covered medical expenses. This stop-loss insurance arrangement was entered into to limit the Plan's exposure for self-insured benefits. There are separate per-person and per-family limits. Stop-loss premiums are immaterial for the year ended December 31, 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying statements of net assets available for benefits and of benefit obligations and related statements of changes in net assets available for benefits and of changes in benefit obligations and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits - Certain premiums are paid by the VEBA trusts, while other premiums are paid by the general assets of the Company and are then reimbursed to the Company from the VEBA trusts. They are recorded as premiums paid in the accompanying statement of changes in net assets available for benefits, net of refunds earned by the Plan related to the transfer of life insurance benefits to Prudential disclosed in Note 1.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be paid by the Plan are included as accrued expenses in the accompanying statements of net assets available for benefits. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition - Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment manager, the custodian and the trustee.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses - The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as administrative expenses in the accompanying statement of changes in net assets available for benefits.

Investment Fees - Net investment returns reflect certain fees paid by the investment funds to their affiliated investment advisors, transfer agents and others as further described in each fund prospectus. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense on the statement of changes in net assets available for benefits.

Subsequent Events - Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through October 12, 2026, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to the disclosures in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

The money market funds are valued utilizing the NAV per unit based on the fair value of the underlying assets as determined by the fund's investment managers. Investments that are valued utilizing NAV can be redeemed daily, have a daily redemption notice period and have no unfunded commitments.

Collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Investments in pooled fund vehicles like collective trusts are comprised of global equities, real estate securities, multimanager fund vehicles and funds investing in high-quality fixed income (i.e., U.S. Treasury securities and government bonds).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 56,068,149	-	-	$ 56,068,149
Money market funds	4,462,898	-	-	4,462,898
	60,531,047	-	-	60,531,047
Collective trusts (a)	-	-	-	39,911,255
Total Assets at Fair Value Hierarchy	$ 60,531,047	-	-	$ 100,442,302

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 53,628,285	-	-	$ 53,628,285
Money market funds	5,902,108	-	-	5,902,108
	59,530,393	-	-	59,530,393
Collective trusts (a)	-	-	-	34,672,962
Total assets at fair value hierarchy	$ 59,530,393	-	-	$ 94,203,355

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using NAV per Share Practical Expedient - The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. The redemption notice period represents the number of days to transact out of the funds.

Investment	Fair Value 2025	Fair Value 2024	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
MSCI World Index NL CTF	$ 23,935,196	$ 19,723,787	-	Daily	T-1
Long U.S. Treasury Index NL CTF	8,916,820	8,464,354	-	Daily	T-1
Developed Real Estate NL CTF	4,095,809	3,712,587	-	Daily	T-1
U.S. Tips Index NL CTF	2,963,430	2,772,234	-	Daily	T-1
Total Collective Trust Funds	$ 39,911,255	$ 34,672,962			

The redemption frequency is daily. T-1 indicates that a one-day notice is required in order to transact out of the funds.

NOTE 4 - RISKS AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of post-retirement benefit obligations are reported based on certain assumptions pertaining to interest rates, healthcare inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could materially affect the financial statements.

NOTE 5 - POSTRETIREMENT BENEFIT OBLIGATIONS

The postretirement benefit obligations represents the actuarial present value of those estimated future benefits or subsidies that are attributable to employee service rendered through the valuation date. Postretirement benefits include future benefits expected to be paid to or for: (1) currently eligible retired or terminated employees and their eligible beneficiaries and dependents; and (2) eligible active employees and their eligible beneficiaries and dependents after retirement from service with the Company. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Company and participants, and from existing Plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by the Plan's actuary using the projected unit credit cost method. It is the amount that results from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

NOTE 5 - POSTRETIREMENT BENEFIT OBLIGATIONS (Continued)

The following were significant assumptions used in the Plan's valuations as of December 31:

	2025	2024
Discount rate	5.57%	5.65%
Healthcare cost-trend rate:		
First year	6.50%	6.50%
Ultimate	5.00%	5.00%
Year ultimate reached	2032	2032
Mortality	Pri-2012 gender-specific healthy employee and non-disabled annuitant mortality tables projected generationally from 2012 with Scale MP-2021 improvements.	Pri-2012 gender-specific healthy employee and non-disabled annuitant mortality tables projected generationally from 2012 with Scale MP-2021 improvements.

The healthcare cost-trend rate assumption measures the effect of medical inflation in future years on a per capita claim basis. If the assumed healthcare cost-trend rates were increased by 1% in each year, the postretirement benefit obligation would increase by $1,728,902 and $2,859,654 in 2025 and 2024, respectively.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

NOTE 6 - CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at December 31, 2025 and 2024 for claims incurred but not reported are estimated by management based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

NOTE 7 - FUNDING POLICY

On an annual basis, the funding amount will be reviewed by the Committee as recommended and determined by the independent actuary, based on estimated claims that the Plan will be required to make, taking into account past experience and all other relevant factors and the funded status of the Plan.

NOTE 8 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, The Bank of New York Mellon/BNY Mellon, N.A., a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Interest and dividends and net appreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2025 and schedule of reportable transactions for the year ended December 31, 2025 as shown on the ERISA-required supplemental schedules.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules for the year ended December 31, 2025.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 10 - TAX STATUS

The VEBA trusts funding certain benefits of the Plan received exemption letters from the Internal Revenue Service (IRS) dated March 7, 1996, July 26, 1996, November 7, 1998, and April 22, 2014, stating that the trusts are tax-exempt under the provisions of Section 501(c)(9) of the IRC. As a result of the Plan's funding policy, from time to time the trusts may be subject to income taxes. Federal income taxes have been recorded in 2025 and 2024 for unrelated business taxable income; however, no state income taxes have been recorded for unrelated business taxable income.

In addition, the Plan and the trusts are required to operate in conformity with the IRC to maintain the tax-exempt status of the trusts. Although the Plan has been amended since receiving the exemption letter, the Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trusts are tax-exempt.

NOTE 10 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an unrelated position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits reported in the financial statements as of December 31 to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 101,366,663	$ 94,533,137
Less: Benefit obligations for claims payable and incurred but not reported	(68,305)	(101,463)
Net Assets Available for Benefits Per the Form 5500	$ 101,298,358	$ 94,431,674

The following is a reconciliation of claims paid per the financial statements for the year ended December 31, 2025 to the Form 5500:

Claims paid per the financial statements	$ 1,624,425
Add: Amounts currently payable at end of year	68,305
Less: Amounts currently payable at beginning of year	(101,463)
Claims Paid Per the Form 5500	$ 1,591,267

NOTE 12 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

All transactions that may be considered party-in-interest transactions are transactions related to normal plan management, investment and trustee and custodian services.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.
